Grade 1 & 2 Excursion – Melbourne Museum & IMAX

Dear Parents/Guardians,

As part of our Inquiry investigations this year, students have been applying skills that promote them to be natural inquirers. This term, students have been using Inquiry skills such as researching, collaborating and thinking to assist them in identifying and researching how to make a difference. To celebrate this process, and to further encourage students to continue to grow and develop these skills, we will be going to the Melbourne Museum and IMAX, where we will attend an education program about dinosaurs and watch an IMAX movie about butterflies. Students will have the opportunity to identify particular interests around the museum and will be encouraged to be inquisitive and ask 'how' and why' questions, as inquirers do.
