

BULLYING PREVENTION POLICY

RATIONALE

Amsleigh Park PS is committed to providing a safe and respectful learning environment where bullying will not be tolerated. This policy addresses how Amsleigh Park PS aims to prevent and respond to student bullying behaviour. Amsleigh Park PS recognises that there are many other types of inappropriate student behaviours that do not meet the definition of bullying which are also unacceptable at our school. These other inappropriate behaviours will be managed in accordance with our *Student Engagement and Wellbeing Policy* and *Equal Opportunity policy*. This policy applies to all school activities, including camps and excursions. Amsleigh Park PS acknowledges that school staff owe a duty of care to students to take reasonable steps to reduce the risk of reasonably foreseeable harm, which can include harm that may be caused by bullying behaviour.

GOALS

Through this policy we aim to:

- ❖ explain the definition of bullying;
- ❖ make clear that all forms of bullying at Amsleigh Park PS will not be tolerated;
- ❖ ask that everyone in our school community be alert to signs and evidence of bullying behaviour, and accept responsibility to report bullying behaviour to school staff;
- ❖ ensure that all reported incidents of bullying are appropriately investigated and addressed;
- ❖ ensure that support is provided to students who may be affected by bullying behaviour (including victims, bystanders and perpetrators);
- ❖ seek parental and peer group support in addressing and preventing bullying behaviour at Amsleigh Park PS.

When responding to bullying behaviour, Amsleigh Park PS aims to:

- ❖ be proportionate, consistent and responsive;
- ❖ find a constructive and positive solution for everyone;
- ❖ stop the bullying from happening again;
- ❖ restore the relationships between the students involved.

GUIDELINES

Definitions

Bullying occurs when someone, or a group of people, deliberately and repeatedly upset, harass, intimidate, threaten or hurt another person or damage their property, reputation or social acceptance. There is an imbalance of power in incidents of bullying, where the bully or bullies have more power than the victim due to their age, size, status or other reasons.

Bullying may be direct or indirect, physical or verbal, and includes cyberbullying. Bullying is not a one-off disagreement between two or more people or a situation of mutual dislike. In this policy any reference to 'bullying' includes all forms of bullying including cyberbullying.

Bullying can be:

1. *direct physical bullying* – e.g. hitting, tripping, and pushing or damaging property.
2. *direct verbal bullying* – e.g. name calling, insults, homophobic or racist remarks, verbal abuse.
3. *indirect bullying* – e.g. spreading rumours, playing nasty jokes to embarrass and humiliate, mimicking, encouraging others to socially exclude a person and/or damaging a person's social reputation or social acceptance.

Harassment can also constitute bullying if it amounts to a pattern of behaviour or course of conduct towards another person that is demeaning, offensive or intimidating to a person.

Cyberbullying is direct or indirect bullying behaviours using digital technology. For example via a mobile phone, tablets, computers, chat rooms, email, social media, etc. It can be verbal, written or include use of images, video and/or audio.

Other distressing behaviours

Many distressing behaviours may not constitute bullying even though they are unpleasant. Students who are involved in or who witness any distressing behaviours should report their concerns to school staff and our school will follow the *Student Engagement and Wellbeing Policy*. *Mutual conflict* involves an argument or disagreement between people with no imbalance of power. In incidents of mutual conflict, generally, both parties are upset and usually both want a resolution to the issue. Unresolved mutual conflict can develop into bullying if one of the parties targets the other repeatedly in retaliation.

Social rejection or dislike is not bullying unless it involves deliberate and repeated attempts to cause distress, exclude or create dislike by others.

Single-episode acts of harassment, nastiness or physical aggression are not the same as bullying. If someone is verbally abused or pushed on one occasion, they are not being bullied. Harassment, nastiness or physical aggression that is directed towards many different people is not the same as bullying. However, single episodes of harassment, nastiness or physical aggression are not acceptable behaviours at our school.

BULLYING PREVENTION

Amsleigh Park PS implements School Wide Positive Behaviour Support (SWPBS) and also follows our TRIBES Learning Community agreements in order to build a positive and inclusive school culture. We strive to foster a school culture that prevents bullying behaviour by having clear behavioural expectations and also modelling and teaching behaviour that demonstrates acceptance, kindness and respect.

- ❖ We have a positive school environment that provides safety, security and support for students and promotes positive relationships and wellbeing.
- ❖ We strive to build strong partnerships between the school, families and the broader community that means all members work together to ensure the safety of students.
- ❖ Teachers are encouraged to incorporate classroom management strategies encompassed by SWPBS expectations that discourage bullying and promote positive behaviour.
- ❖ In the classroom, our social and emotional learning curriculum promotes resilience, assertiveness, conflict resolution and problem solving.
- ❖ We seek to empower students to be confident communicators and to resolve conflict in a non-aggressive and constructive way.

Reporting concerns to Amsleigh Park PS

- ❖ Bullying complaints will be taken seriously and responded to sensitively at our school.
- ❖ Students who may be experiencing bullying behaviour, or students who have witnessed bullying behaviour, are encouraged to report their concerns to their classroom teacher as soon as possible.

- ❖ In most circumstances, we encourage students to speak to their classroom teacher, however, students are welcome to discuss their concerns with any trusted member of staff including the Principal and Assistant Principal.
- ❖ Parents or carers who may develop concerns that their child is involved in, or has witnessed bullying behaviour at Amsleigh Park PS should contact their child's classroom teacher.
- ❖ Our ability to effectively reduce and eliminate bullying behaviour is greatly affected by students and/or parents and carers reporting concerning behaviour as soon as possible, so that the responses implemented by Amsleigh Park PS are timely and appropriate in the circumstances.

Investigations

- ❖ When notified of alleged bullying behaviour, school staff are required to:
 - record the details of the allegation/s
- ❖ The classroom teacher is initially responsible for investigating allegations of bullying in a timely and sensitive manner. To appropriately investigate an allegation of bullying, the classroom teacher may:
 - speak to the students involved in the allegations, including the victim/s, the alleged perpetrator/s and any witnesses to the incidents
 - speak to the parents of the students involved
 - speak to other teachers or support staff
 - take detailed notes of all discussions for future reference
- ❖ All communications undertaken by the classroom teacher in the course of investigating an allegation of bullying will be managed sensitively. Investigations will be completed as quickly as possible to allow for the behaviours to be addressed in a timely manner.
- ❖ The objective of completing a thorough investigation into the circumstances of alleged bullying behaviour is to determine the nature of the conduct and the students involved. A thorough understanding of the alleged bullying will inform staff about how to most effectively implement an appropriate response to that behaviour.
- ❖ As required the classroom teacher may discuss or refer the matter onto the Assistant Principal or Principal.
- ❖ Serious bullying, including serious cyberbullying, is a criminal offence and may be referred to Victoria Police. For more information, see: [Brodie's Law](#).

Responses to bullying behaviours

- ❖ When classroom teacher has sufficient information to understand the circumstances of the alleged bullying and the students involved, a number of strategies may be implemented to address the behaviour and support affected students in consultation with Assistant Principal, Principal, or PLC team leader.
- ❖ There are a number of factors that will be considered when determining the most appropriate response to the behaviour. When making a decision about how to respond to bullying behaviour, Amsleigh Park PS will consider:
 - the age and maturity of the students involved
 - the severity and frequency of the bullying, and the impact it has had on the victim student
 - whether the perpetrator student or students have displayed similar behaviour before
 - whether the bullying took place in a group or one-to-one context
 - whether the perpetrator demonstrates insight or remorse for their behaviour
 - the alleged motive of the behaviour, including any element of provocation.
- ❖ The teacher managing the behaviour may implement all, or some of the following responses to bullying behaviours:
 - Offer counselling support to the victim student or any other students affected.

- Facilitate a restorative practice meeting with all or some of the students involved. The objective of restorative practice is to repair relationships that have been damaged by bringing about a sense of remorse and restorative action on the part of the person who has bullied someone and forgiveness by the person who has been bullied.
 - Facilitate a mediation between some or all of the students involved to help to encourage students to take responsibility for their behaviour and explore underlying reasons for conflict or grievance. Mediation is only suitable if all students are involved voluntarily and demonstrate a willingness to engage in the mediation process.
 - Implement a Method of Shared Concern process with all students involved in the bullying.
 - Implement disciplinary consequences for the perpetrator students, which may include removal of privileges, detention and suspension consistent with our Student Engagement and Wellbeing policy, the Ministerial Order on Suspensions and any other relevant Department policy.
 - Facilitate a Student Support Group meeting and/or Behaviour Support Plan for affected students.
 - Prepare a Safety Plan restricting contact between victim and perpetrator students.
 - Monitor the behaviour of the students involved for an appropriate time and take follow up action if necessary.
 - Implement year group targeted strategies to reinforce positive behaviours consistent with expectations of SWPBS.
- ❖ The person managing this behaviour is responsible for maintaining up to date records of the investigation of and responses to bullying behaviour.
 - ❖ Amsleigh Park PS understands the importance of monitoring and following up on the progress of students who have been involved in or affected by bullying behaviour. Where appropriate, school staff will also endeavour to provide parents and carers with updates on the management of bullying incidents.
