

DUTY OF CARE POLICY

RATIONALE

At Amsleigh Park Primary School we are committed to meetings all obligations required to effectively and diligently meet our professional 'duty of care' including that associated with student supervision. Principals and teachers have a special duty of care in relation to their students to take steps that are reasonable in the circumstances to protect students from risks of injury that should reasonably have been foreseen.

GOAL

- ❖ The purpose of this policy is to explain to our school community the non-delegable duty of care obligations that all staff at Amsleigh Park Primary School owe to our students and members of the school community who visit and use the school premises.

GUIDELINES

- ❖ "Duty of care" is a legal obligation that requires schools to take reasonable steps to reduce the risk of reasonably foreseeable harm, which can include personal injury (physical or psychological) or damage to property. The reasonable steps that our school may decide to take in response to a potential risk or hazard will depend on the circumstances of the risk.

Our school has developed policies and procedures to manage common risks in the school environment, including:

- Child Safe Environments
- Child Safe Environments Code of Conduct
- Child Safe Reporting Obligations
- Yard duty and Supervision
- Bullying Prevention
- Camps and Excursions
- First Aid
- Tree Maintenance (OHS Activities Calendar)
- Grounds Maintenance (OHS Activities Calendar)
- External Providers
- Emergency Management
- Volunteers (includes Working with Child Checks)
- Visitors
- Occupational Health and Safety

Staff at our school understand that school activities involve different levels of risk and that particular care may need to be taken to support younger students or students with additional needs. Our school also understands that it is responsible for ensuring that the school premises are kept in good repair and will take reasonable steps to reduce the risk of members of our community suffering injury or damage because of the state of the premises.

School staff, parents, carers and students are encouraged to speak to the principal to raise any concerns about risks or hazards at our school, or our duty of care obligations.

External Providers

Staff at our school acknowledge that, as our duty of care is non-delegable, we are also required to take reasonable steps to reduce the risk of reasonably foreseeable harm when external providers have been engaged to plan for or conduct an activity involving our students. Our *Visitors Policy* and *Camps and Excursions Policy* include information on the safety and care of our students when engaged with external providers.
