Grade 1/2 Scienceworks Excursion

Dear Parents/Guardians,

As part of the Grade 1/2 Inquiry concept of Change, we are investigating the central understandings of how; we use Science in our everyday lives, how we can use our senses to notice what objects are made of and how they change; how with Science we can change objects around us. As a way of finding out and going further in our understandings, we have booked an excursion to Scienceworks, where the students will be involved in activities called What's with the Weather? and Toys & Forces.
