

VISITORS POLICY

RATIONALE

Amsleigh Park Primary School strives to create an open and inclusive school community, and encourages parents and carers to be actively involved in their child's development and education. We also strive to foster strong partnerships with local community services, schools and other organisations. In light of this we anticipate that there will be regular visitors at our school, some of whom may be involved in child related work.

Child-related work: As defined by the *Working with Children Act 2005 (Vic)*, child-related work is work that usually involves direct contact (including in person, over the phone, written and online communication) with a child that is a central part of that person's duties. It does not include work that involves occasional contact with children that is incidental to the work.

GOAL

- ❖ To provide a safe and secure learning and teaching environment for students and staff by establishing processes to monitor and manage visitors to Amsleigh Park Primary School.
