## Prep: PrimeSCI Incursions

Dear Parents/Guardians,

As part of our Term 3 Inquiry into 'How do scientists think and work?' the Prep students will be participating in 2 hands-on incursions over 2 days.

The first incursion is 'Mixing Matter'. Students will be investigating properties of materials by separating mixtures, and combining different materials to find out if new substances are created. Students will learn and experience key chemistry concepts using all senses.

The second incursion is 'Bend, Stretch, Twist', where students will learn how changing the shape and temperature in materials can result in dramatic changes in behaviour.

<b>WHEN:</b>	Mixing Matter – Tuesday, 13 <sup>th</sup> August Bend, Stretch, Twist – Tuesday 20 <sup>th</sup> August	<b>TIME:</b> 2 x 1 hour sessions
* <b>COST:</b> \$24.00 - These incursions are included in the 2019 excursion/incursion levy. <b>As you have paid the 2019 levy in full, no further payment is required.</b>		

If you have any queries regarding these incursions, please contact your child's classroom teacher.

Thank you,  
Danielle Renwick and Emily Tapper
