

"The Magic Faraway Tree"

Whole School Production - 2019

7:00PM Tuesday 17th & Wednesday 18th September

August 23, 2019

Dear Parents and Guardians,

It's that time of year again when we roll out the red carpet and showcase our talented students in our annual production spectacular!

The production will take place over 2 nights at Salesian College, 10 Bosco St. Chadstone

We're continuing to host the production over 2 nights in order to allow all families the opportunity to attend. We are very excited that our students, who work so hard to learn their lines, dances and songs, are able to perform for 2 nights. As the routines are fine-tuned and costumes tweaked, lots of work happens in the back ground including the setup of ticket sales.

Tickets will be available for booking and purchase online at **trybooking.com**. Using an online portal enables families to purchase tickets at any time, and print off tickets at home. Payments are made directly through the secure portal on the website using your credit card. **All tickets are \$10.00 each.**

**ALL ONLINE TICKETS WILL BE AVAILABLE FOR SALE AT [TRYBOOKING.COM](https://www.trybooking.com)
FROM MONDAY 2ND SEPTEMBER AT 6PM UNTIL WEDNESDAY 11TH SEPTEMBER AT 9:30AM**

Please use the following website URL to access the ticket portal: <https://www.trybooking.com/544252>

Due to the number of families that we have here at Amsleigh Park, and how popular our productions are, we have determined that **families can purchase a maximum of 4 tickets only**. Families will have the option to attend either night but can only access **4 tickets in total**, ensuring that we have enough tickets for everyone. E.g. 2 tickets on Tuesday night and 2 tickets on Wednesday night or 4 tickets on one night (So long as it's 4 maximum in total).

If there are any seats available after the close of ticket sales on the 11th of September, these seats will also be offered for sale through the same trybooking portal from 9am on Thursday 12th September up until 3pm on the opening night.

Please note - all toddlers/pre-schoolers and ex-students **must** have a purchased seat.

For parents who are dropping off their child/ children, but are not watching the production on a particular night, we are providing a waiting area which is located in a heated classroom near the theatre area.

We also highly recommend that parents car pool when able, as parking is limited.

Should you have any queries or difficulties (for example you do not have access to the Internet or you require special seating (due to visual impairment, wheelchair access or you have a newborn in a pram) please contact Meredith, Jackie or Karen in the General Office **before 4pm on Monday 2nd September** and they will assist with assigning appropriate seating for you.

Please also note that several past students have already volunteered to assist with canteen and seating duties for both nights, hence we will be unable to accommodate anyone else at this time. Past students are most welcome to attend by purchasing a ticket.

We look forward to providing you with another spectacular Amsleigh Park Production.

Amsleigh Park Staff
