

Let start Designing! - Year 3/4 Incursion

We are excited for our students to apply their knowledge about design, technology and forces from our Inquiry learning this term. Students will be given the challenge of designing an arcade game with criteria that they must include. Students will move through the design process where they will, design, build, evaluate and adjust. This an interesting challenge for the students to take on and we look forward to seeing what our students create.

WHEN:	Week 8 through to Week 10 (This is a continuous project)	TIME: During Inquiry Lessons
-------	---	------------------------------

* **COST: \$8.00** - This incursion is included in the 2019 excursion/incursion levy.

Students who have not paid this levy in full must pay to attend / participate.
