

2020 WHOLE SCHOOL SWIMMING & WATER SAFETY PROGRAM

Grade Prep – Grade 4

Dear Parents,

February 10, 2020

Learning to swim is a vital life skill for all Australian children. An integral part of our Physical Education Program, our annual swimming & water safety program for all students in years Prep to 6, has been scheduled for the last two weeks of Term One. The program runs over a nine day period from Monday 16th March to Thursday 26th March at the **Doug Ellis Pool**, Monash University. Students in Grade Prep-4 will participate in nine 45 minute sessions and will be taught in small ability groupings by AUSTSWIM qualified swim instructors. (NB: There is a separate notice for Grade 5-6 students for 2020.)

The cost for the Prep-Grade 4 program this year will be \$85.00, a \$5 increase from 2019. The cost includes the bus fees, pool entry and administration. Families with eligible Centrelink Health Care or Pension cards can claim the 2020 Camps Sports and Excursion Fund. Please see our Admin staff for further details. New families and those now eligible are required to complete an application form.

Participation in a swimming program not only teaches healthy living and the swim skills necessary for enjoyable leisure time activities around water, but also teaches the necessary water safety skills that may save their own or the life of another.

Attached is an Assessment Questionnaire designed to assist the swimming teachers in grouping students. **Please return the completed questionnaire with the signed permission form to the school General Office.**

The preferred method of processing payments is BPay. Please refer to your family statement for your unique BPay details. Please ensure **any BPay payment is made prior to Monday 2nd March** to allow sufficient transfer time to our system. Credit card, cheque or cash payments should be handed in to the General Office with a signed permission form & completed questionnaire for each child. This includes payments made by BPay.

Full payment must be made before Wednesday 4th March to allow processing and booking of the buses, swim coaches, etc. **Bookings/payments after this date cannot be accepted.**

If you experience difficulty with this payment, please contact the office to discuss alternative payment arrangements.
