Principal's Report

Changes to School Procedures

At this stage there are no changes to drop off and pick up arrangements. There may be some change after the weekend, so we'll keep you posted.

No 'nuts' at Amsleigh park PS

Amsleigh Park PS has a number of students who have serious nut allergies requiring the use of an epi-pen if experiencing a reaction. For this reason we would like to remind everyone not to pack nuts or nut based products for students to eat at school. This includes peanut butter and Muesli bars that contain nuts. Students can look forward to enjoying these foods at home. We greatly appreciate if families can support us to maintain a safe environment by ensuring they do not send such foods to school.

PLEASE

**NO PEANUTS
OR
NUT PRODUCTS**

Shade Sail Grant

I'm very pleased to report we are the recipient of a Shade Grant from the Department of Health and Human Services in 2020. We entered a highly detailed submission for this grant application and we are thrilled that it has been successful. The grant of \$23,000 will enable us to construct a fantastic new shade sail over the new playground we installed last year. Winning this grant means that we do not have to raise funds for this project, so we can focus on other improvements at our school. Construction will commence in January and will be completed in time for the hotter months of February, March and April.

Grade 5-6 Camps Go Ahead

Following the greatly improved circumstances in Victoria, the Department of Education and Training have removed the ban on school camps. This change has brought great news for our Grade 5-6 students who have been invited to attend their annual school camp in the second last week of the 2020 school year. Fortunately for our students, Miss Carr had previously secured this booking with Camp Sunnystones in the event that restrictions were eased. As you might imagine our Grade 5-6s are very excited as school camps are often a great highlight of the school year. We are especially thrilled for our Grade 6s who have missed other events in 2020.

End of Year Activities

Working within the various restrictions that we are currently meeting, we are planning to undertake as many of our usual activities in a modified format. So for example, we'll still be running elections for Student Leaders for 2021 and announcing them in December. Our Grade 6s will still have a modified Graduation ceremony and can look forward to attending their Year 7 orientation day on Tuesday 8th December. All students will participate in our all-important whole school transition program, preparing them to move onto the next year level.

Prep Orientation Next Week

We are looking forward to welcoming our 52 new preps for 2021 next Wednesday. On Wednesday our newest students will visit Amsleigh Park in groups of 10 starting their all-important transition to primary school. We will be holding four transition sessions in total, one each Wednesday until the end of the year.

THE AMSLEIGH BUZZ

Last Day 2020

The last day for students in 2020 will be **Thursday 17th December**. School will finish a little earlier on this day concluding at 2.30pm. We are intending to do our traditional farewell for our Grade 6s on this day at 2.00pm pending further advice from DET. Friday 18th December is a Student Free Day. All day care will be available from Youth Leadership Victorian on Friday for any families who require it. Please contact YLV for bookings on this day.

Class Placements

We are starting the process of placing students into their new classes for 2021. With some moderate enrolment growth we are growing from 14 to 15 classes, enabling our school to offer great class sizes for all classes. Class placement for 2021 will be communicated on Tuesday 15th December, as all students will be involved in class orientation the following day with their teacher for 2021.

Class Structure 2020

Planning a fair and equitable class structure for 2021 is underway. Through this process we must decide on the number of classes required at each level, so we can provide an optimal learning environment for all. There are a number of considerations we must make when planning our class structure which include:

- Government funding – All schools are funded for the number of students enrolled and we need to staff both classroom and specialist programs
- The number of students in each year level e.g. We have 47 Grade 6s in 2021
- Class size and equity for all
- Organisation of the Curriculum

Of course the key factor in all schools will always be quality teaching, so whilst the grade structure is important, we know that it is not as important as the work our teachers do every day.

Ga Ga Pit

After many delays due to COVID 19 we are finally getting the Ga-Ga pit underway. This special play area for students will provide hours of fun and exercise for our students. Ga-Ga is a game that many of our students were introduced to at school camps, and is a bit like poison ball, but in this instance is played inside an octagonal shaped area. The game is played with a soft ball, that student's tap with their hands to try and get other players out. If the ball touches you then you are out, and the last person remaining is the winner. It's amazingly popular and the whole initiative was based on student's constant requests for us to build one. Funds for our Ga-Ga pit were provided through a special community grant provided by the Federal Government. Pictured below is the area being prepared for construction and to the right is an example of what a Gaga pit looks like.

Dates for 2021

Please note the following dates for your diary for the start of 2021.

Wednesday 27 January 2021 - Staff Resume officially for 2021 – preparation and planning day

Thursday 28 January 2021 – Students in Grade 1-6 start school for 2021

Friday 29 January 2021 - Preps start school for 2021

And finally...

There are now only 4 school weeks to go for 2020, and we are very busy all across the school. We are looking forward to finishing off this very challenging year on a positive note.

School Uniform Parent Survey

Thank you to our families who completed the School Council's School Uniform Survey, earlier this term. It was great to have a strong number of responses (over 160) to gauge our community's satisfaction levels of the current school uniform requirements and policy. Our School Council undertook this research as part of the regular review of the school uniform policy.

The results of the survey showed that 95% of families found that the current school uniform met the needs of their child on a typical day, and that overall, 93% of families were generally satisfied with the current uniform and requirements.

Noting these results, School Council have opted not to make any changes to the uniform policy at this time.

There were some good suggestions about uniform shop, quality of uniforms etc... and these will be considered as we go forward into 2021.

Thanks for your feedback on this, we appreciate the time you gave to help influence the policy review.

CORONAVIRUS (COVID-19) RESTRICTIONS REMAIN IN PLACE

If you are unwell, please stay at home.

The greatest risk of transmission of coronavirus (COVID-19) is between adults. Please follow these physical distancing measures:

- avoid gathering in a group inside or around the school

- keep 1.5m between yourself and other adults

- avoid handshakes and hugs

- wash your hands regularly.

FROM THE SCHOOL OFFICE...

Family Account Information

Thank you to the families that have paid fees and returned paperwork to the office. We really appreciate your promptness. If you have any queries regarding your family account, please contact the office.

Family account statements with 2021 Fees have been issued. You may notice two different types of credit notes listed. Regular credit notes can be applied to any outstanding invoices, including outstanding 2020 Essential Education Item fees. CSEF credit notes can only be allocated to invoices relating to camps, sports, excursions etc. All credit notes are shown with a negative symbol, -\$10.00.

A reminder to please complete page 5 & 6 of the 2021 Parent Payment information form and return to the general office. We need this paperwork back from every family please.

Student Book Packs – Order online from Office Corporate – details below. Remember to order before December 14 to receive free delivery to your home. Book Pack items listed with a zero quantity are "Only if required items". These items may be retained from the previous year if still in good working order. If needed, please adjust quantity from 0 to 1.

Thank you,

Karen Hogan
Business Manager

STUDENT MEDICATION

A reminder that any medication a student requires during the day should, wherever possible, be taken at home. If medication must be administered during the school day, it should be sent to the office with a written note from the parent with full instructions including dosage amount & time for the medication to be given. Any student with mild allergies must provide a Medical Action Plan, completed by the doctor, together with the medication clearly labelled. Thank you for your support.

STUDENT ABSENCES

A reminder to please notify the office, not the class teacher, of your child's absence. Notifications should be sent before 8am to amsleigh.park.ps@education.vic.gov.au or by phoning 9544 1553 & following the prompts (Dial 1) to record your child's absence. Admin staff process all absences and attendances, which alerts teachers. We appreciate your cooperation with this important daily task.

Dear APPS community,

Last week was NAIDOC Week and we have been learning about why this is an important event on our calendar. NAIDOC Week is a celebration of Aboriginal and Torres Strait Islander people. We acknowledge them for being the first to step foot on Australia. They were treated poorly and with no respect, but NAIDOC Week is a celebration that was made to finally respect the first peoples of Australia.

This year's theme of NAIDOC Week is 'Always Was, Always Will Be'. The meaning of this theme is that Australia always was and always will be the land and home for Aboriginal and Torres Strait Islander people. And that their culture always was here and will always be here too.

What NAIDOC week means to me is, to respect the first peoples of Australia. This means valuing their culture and beliefs that have always been part of Australia. So, embrace the culture and join in NAIDOC Week and learn more about the Aboriginal and Torres Strait Islander people, their stories, beliefs and culture.

Darcy R 4B

APPS community,

Today I'm writing to you about NAIDOC Week.

NAIDOC Week is when we show respect to and learn about Aboriginal and Torres Strait Islander people. They didn't have it easy and it is a great chance to learn more about what has happened.

Aboriginal and Torres Strait Islander people celebrate this week and share it with us. The theme this year means it always was their home and they were here and it always will be their home. We all need to cherish this land.

NAIDOC Week to me is a week to respect Aboriginal and Torres Strait Islander people. To embrace and learn about the culture so it will always be in my heart (and it should be in yours too).

What is covered in my daily fee?

The daily fee includes all meals the children will consume at the Centre (breakfast, morning tea, lunch, afternoon tea, late snack). We also provide nappies, wipes, hats, bed sheets, sunscreen and S-26 formula.

The only things we ask families to bring is a change of clothes, and a comforter, if your child uses one.

How will I know what my child has been doing each day?

We use an online communication platform called Storypark, where the educators upload a daily group story with photos from the day. We also use this to share observations on children's learning and encourage families to also share their own stories with our team.

With the current COVID19 pandemic, how does the Centre ensure the environment is safe and hygienic?

With all the changes that have come with the COVID19 pandemic, our Centre maintains safe and hygienic environments for children, educators and families. Our children and educators have worked together to create embedded hygiene practices, including hand-washing procedures.
