Principal's Report

Good to Be Back!

It was great to have students return to school today. I did a tour this morning and observed very settled classrooms and lots of learning underway. Nice work Amsleigh Park!

For the past few days our staff have worked very hard on a contingency plan in case we need to have a short lock down again. We all hope it will not be needed, but we are prepared just in case. Google Classroom remains our delivery portal for learning, along with the use of instructional videos and printed learning tasks for students. This plan can be implemented on short notice.

School Council Elections 2021

I'm pleased to report that our School Council elections for 2021 have now concluded. As nominations equalled vacancies, I declare that the following parents and staff are duly elected for a two year term from 2021 to 2023.

New Elected School Councillors

Saro Edge (Parent)
Komathy Padmanabhan (Parent)
Melanie Fox-Craig (Parent)
Terese Duffy (Parent)
Trish Jones (DET)

Existing School Councillors

Kylie Champion (Parent)
Ana Meyborg (Parent)
Steve Ikin (Parent)
Livio DiCamillo (Parent)
Bec Carr (DET)
Danielle Renwick (DET)
Michael Cormick (Executive Officer)

Special welcome to new members, Mrs Komathy Padmanabhan (Parent), Mrs Melanie Fox-Craig (Parent) and Miss Trish Jones (DET) who commence as new school councillors in 2021. Many thanks to all of the members of our School Council, who play a very important role in our school community. The School Council provides important oversight of our school, in areas including finance, policy, buildings & grounds and Out of Hours School Care. They have a broad decision making role in these areas, and bring important parental perspectives to discussion and policy review.

Special thanks to Mrs Marnie Morton, who is retiring after serving the past 6 years as a school councillor. We greatly appreciate her contribution to Amsleigh Park PS.

XUNO Update

The roll out of XUNO is continuing well, and we are hoping that most families have subscribed to the portal and also downloaded the XUNO Family App. We are no longer using Flexi-schools for messages, with all communications coming via XUNO email or messaging. The XUNO Family App is great for messaging, and if parents set their phone to accept notifications from XUNO you will receive them as a push notification. Please note that this is done via the phone 'settings', not in the actual App. Thanks for subscribing to XUNO, we do need at least one family member subscribed as we will send out all communications via XUNO.

Tutor Learning Initiative

The Victorian State Government has funded a large educational initiative in 2021 to support learning catch up. The Tutor Learning Initiative (TLI) is worth \$200 million across State Government Schools which is an unprecedented investment of a program on this nature. This funding is being used to employ tutor teachers to work with students who fell behind during remote learning. Typically, students participating in the TLI will have made less than 12 months of learning growth in 2020.

Our Tutor Learning Teachers are Mrs Jonga, Mrs Dimopoulos and Mrs Kennedy. It's an excellent team, and they have done a fantastic job in getting the program established. Tutoring sessions commenced on Monday 8th Feb. Students in our TLI participate in 3 x weekly sessions (Small group) with the tutor teacher, focusing on areas that were identified by their teachers in 2020. The main focus areas for tutoring are: Number, Reading and Writing, although there are also many incidental benefits, such as the development of confidence, independence, building self-esteem and persistence.

Student Representative Council / Class Captains

Sincere congratulations to our Grade 6 Class Captains, Student Representative Council (SRC) representatives and Enviro-Stars, who have been elected to this role in 2021. These students can wear their special badge with pride, as they represent both their classes and our school. All of our student leaders have a responsibility to act as a role model for all other students, both through their behaviour and learning, and I look forward to observing them in this regard across the school year.

Our SRC and Enviro-Stars both offer an important opportunity for promoting 'student voice' in our school, and we welcome their input into our school and the ideas they put forward. All ideas proposed by our student groups are given serious consideration. Many thanks to Miss Kirton and Miss Wall for coordinating the SRC, and Frau Salles who will coordinate the Enviro-Stars.

Get to Know You Interviews

Many thanks to our parents who attended the 'get to know you' interviews last week. These interviews offer a timely opportunity to reaffirm the partnership between staff and parents, and make sure everyone is united in supporting our students. These interviews also complement the handover information that teachers share about students, which is designed to ensure a continuity of learning.

Parental Communication Policy

At Amsleigh Park PS we are committed to effective communication and ensuring that appropriate opportunities exist for parents to raise any concerns and ask questions related to their child's education, wellbeing and progress. Following on from our recent 'Get to Know You' Interviews I want to remind everyone about this. Typically, parents will need to make an appointment to meet with their child's teacher, especially if the matter needs an in-depth discussion. A meeting such as this is best done at a mutually convenient time, where there is enough time to have a proper discussion. Please contact the office if you wish to make an appointment with one of our teaching staff.

Before school is usually **not** convenient to contact teachers as they are usually making final preparations for teaching. A brief message is usually Ok before school, so long as a long discussion is not required. After school is the best time and our teachers will endeavour to fit this in around our regular meetings, which are held on Mondays and Wednesdays. If anyone has any questions about this policy, which was developed and approved by the School Council, please contact me. The parent communication policy can also be accessed from our website. www.amsleigh.vic.edu.au

School Promotion

Each year we conduct a range of promotional activities so that prospective families find out about our school. Being hidden away in Oakleigh East is great, but it also means that some families do not even know we are here, even after we have placed materials at all local pre-schools and child care centres. One thing we do know is that 'word of mouth' is one of the best forms of promotion, and a positive word often brings families along for a look. If anyone asks, encourage them to come along for a tour, and they can see all the great things that are happening.

Parking Around Amsleigh Park PS

We are very fortunate to have plenty of parking around our school, and normally we have very few concerns about this. Recently however, I have been contacted by residents both in State Street and Gamble Street with complaints about parking. In this instance I usually point out to residents that the vast majority of parents are careful and considerate in their parking, but that I will put out a reminder to our school community. As residents can contact the City of Monash, please be mindful of parking according to the parking rules in the area, in case we find parking inspectors around our locality. If you are not parking correctly around the school the council will book and fine the driver.

THE AMSLEIGH BUZZ

CCTV

I want to inform our community, as a courtesy, that we have CCTV cameras all around Amsleigh Park PS. The purpose of these cameras is to provide security for our school campus out of school hours. CCTV is a very effective deterrent and helps us to ensure we are not subject to vandalism. The footage is kept for a period of two weeks, and is only accessed if there is an issue.

Developing a Mathematical Mindset – Comment

As a long time educator I have always loved Mathematics, and I have a passion for teaching in this area. I'd like to share with you some insights I have developed more recently. Recent research on Mathematics has shown the influence of parental attitudes towards Mathematics can impact on student's attitudes and confidence. I sometimes hear a parent say 'I was never any good at Maths' or even 'I hate maths' which children can quickly pick up on. Whilst this is well meaning, usually designed to provide support for the child, it can have a negative effect on their attitude. What we find is that this attitude can almost become a 'blocker' for the child, which is very hard for teachers to overcome. Learning in Mathematics can sometimes be challenging, but there is no reason why the majority of students should not be able to build skill, knowledge and confidence in this vital learning area.

As Mathematics is a Strategic Priority at Amsleigh Park, we are working on a process of continuous improvement. Many of our students do very well in this learning, and we want to make sure that all children have every opportunity to reach their learning potential. One of the important ingredients is the development of a positive mindset, through which the child has the belief that they will learn and make progress over time. Yes, learning in Mathematics will sometimes be challenging, but with persistence, they can continue to build their knowledge and skill. If your child complains that it's hard, that's OK, just encourage them to persist. And importantly avoid sending any 'negative' messages that might influence their persistence of confidence.

I hope that all children will in turn develop a Mathematical mindset that is positive.

Working Bee

We have a community working bee next Friday 26th February to undertake some clean up around the school. If you can spare some time between 3.30pm and 5.30pm we would appreciate it. If you can bring a wheel barrow and some tools, such as a broom and rake this will help. We have such a great campus but the upkeep is very challenging. Thanks in advance, we appreciate the help.

Grade 4 Classrooms get a Make Over

During the January holidays we took the opportunity to give the Grade 4 classrooms a fantastic new look that included new carpet, painting and brand new class furniture. This means that these classrooms are the same standard as the rest of the school. The kids give it a thumbs up and 9 ½ out of 10. I'll keep working on the perfect score! ☺

Before

After

Hope to see you around the School,

Michael Cormick
PRINCIPAL

Bec's Bulletin...

The Resilience Project

A reminder that tonight (Thurs 18/2/21), we have The Resilience Project's Parent Presentation evening on at Amsleigh Park at 6:30pm. If you are yet to book, please contact the school office today via phone to secure your spot. We hope to see many parents come along and enjoy a positive experience for their mental health.

Due to the 'circuit breaker' lockdown, our Resilience Project student sessions have been rescheduled to Friday 26th February. We look forward to having our students engage in these sessions next week.

PFA- Class Representatives

Keep an eye out for an email from our Parents and Friends Association in the coming weeks regarding Class Representatives for 2021. Each year, the PFA ask for volunteers to be the 'Class Representative' for each class. The Class Representative acts as a link between the school and parents, through forwarding emails regarding reminders, social events, school holiday activities, sourcing materials, seeking volunteers etc. Class Representatives do not deal with issues relating to policies or management. Having Class Representatives is a great help to the school and is a good way to get to know other parents in your child's year level. We encourage parents to consider volunteering for this role.

Anaphylaxis, Allergy and Asthma Plans

It is crucial that the school has up to date information regarding your child's asthma, severe allergy and/or anaphylaxis, so that we can effectively support and manage your child's condition if needed. Although we hope to never have to use the emergency action plans, it is essential that parents provide the school office with an updated plan each year. These plans are completed by your child's GP and then kept on record at school for use in an emergency.

If your child has asthma, severe allergy or anaphylaxis, please ensure that you have provided the school office with a current action plan. Linked to these plans, please ensure your child's asthma or allergy medication supplied to the school office is in date. Thank you for your support with this very important process. If you have any queries, please contact the school office.

School Wise Positive Behaviour Support

Our students have made a terrific start to the school year, already having been recognised with many tokens for demonstrating our expected behaviours of respect, inclusion, resilience and motivation.

Students have used their tokens to vote for a whole school reward, building on the tokens accumulated late last year and have reached their reward. Great job APPS! We look forward to seeing what you will achieve next ☺

Coffee Morning

On Thursday 4th March, we will have our first Amsleigh Park Coffee Morning for 2021! 'Barista on the Move' will be here from 8:00am selling tea, coffee and hot chocolate to parents at school drop off time. It would be great to see as many parents as possible come down for a cuppa and a catch up. It is really great to be able to invite parents back onsite, after a very long time between Coffee Mornings! A reminder that if you BYO a reusable cup, you get a

50c discount.

As part of Covid Safe practices, we'll ask parents who are onsite for greater than 15 minutes to scan our QR code and 'check in' for contact tracing purposes. We hope to see you there! ☺

DEAR PARENT

NumberWorks'nWords can help your child reach greater heights with our expert after-school Maths and English tuition.

From Prep to Year 10, no matter whether they're struggling to keep up, or bursting to race ahead, NumberWorks'nWords promises to give your child's education – and confidence – a real boost.

Over the past 30 years, NumberWorks'nWords has achieved amazing results with thousands of children just like yours, by:

- tailoring lessons according to your child's individual needs
- setting achievable goals and keeping you updated on your child's progress
- engaging your child with technology and resources developed by our own qualified experts
- using specialist, trained tutors who teach to the Australian Curriculum.

Right now NumberWorks'nWords is offering **FREE ASSESSMENTS** in Maths and English. These assessments provide a great opportunity for you to discover how your child is doing, collaborate on a plan to help them achieve their potential, and to see for yourself how effective – and enjoyable – NumberWorks'nWords specialist Maths tuition and English tuition really is.

**WITH OUR
EXPERT TUITION,
YOUR CHILDREN
CAN REACH
EVEN GREATER
HEIGHTS.**

**Call today to book your free assessment,
or to discuss any concerns you may have
about your child's progress.**

FROM THE SCHOOL OFFICE...

Family Account Information

Thank you to the families that have paid 2021 fees and returned paperwork to the office. We really appreciate your support with this process. If you have any queries regarding your family account, please contact the office.

Family account statements with 2021 Fees were issued last year. You may notice two different types of credit notes listed on your statement. Regular credit notes can be applied to any outstanding invoices, including outstanding 2020 Essential Education Item fees. CSEF credit notes can only be allocated to invoices relating to camps, sports, excursions etc. All credit notes are shown with a negative symbol, -\$10.00. There may also be an unallocated receipt amount, this is also shown as a negative. These unallocated receipts are a result of a payment being made without the relevant paperwork handed in to notify us of what is being paid for.

A reminder to please complete page 5 & 6 of the 2021 Parent Payment information form and return to the general office. **We need a Parent Payment form returned from every family to assist with the receipt allocation.** We cannot assume which fees are being paid by families when a payment comes through from BPay and this is why we ask for the paperwork to be returned when payments are made.

2021 Swimming Program – Notices regarding swimming have been sent home and family statements sent out by email. Please carefully check if you have a credit amount on your account that could be used to offset the swimming charge, this will avoid overpayments. BPay is the preferred method of payment, followed by credit/debit card. Please complete and return the swimming permission form and questionnaire no later than March 4th.

2021 Camps, Sports & Excursions Fund (CSEF) – Eligible families can now claim the 2021 CSEF allowance. New families to the school who hold an eligible Centrelink pension or health care card should collect an application form from the office. We are required to sight and make a copy of your eligible card. Existing families who did not claim last year and have recently become eligible should also collect an application form from the school office.

Families who claimed last year through our school do not need to complete an application form, the CSEF system uploads details from last year and will advise us if families are no longer eligible.

Thank you,

Karen Hogan
Business Manager

2021 Term Dates

Term 1 - Thursday 28th January - Thursday 1st April

Term 2 – Monday 19th April – Friday 25th June

Term 3 – Monday 12th July – Friday 17th September

Term 4 – Monday 4th October – Friday 17th December

APPS UNIFORM SHOP

Located in the Thelma Baily Learning & Sporting Centre

OPERATING HOURS - TERM 1 2021

Monday morning - 8:45am - 9:30am

Tuesday afternoon - 3:00pm - 3:45pm

For counter sales, please pay first at the general office - credit card /eftpos payments preferred. Note that we do not offer "Tap" payments.

Emailed orders for new Uniform items are still accepted and encouraged.

Please download & complete a copy of our uniform shop order form and send to

amsleigh.park.ps@education.vic.gov.au

Any Back orders will be filled as soon as stock is available.

In the event of incorrect sizing, please return unworn items/s with tags intact, together with a note that includes the child's name, grade and the correct size required.

A copy of the current approved uniform list/order form is available on our website
www.amsleigh.vic.edu.au

SOUTH OAKLEIGH
COLLEGE

A photograph of three students in a classroom. A male student in the foreground is looking down at a book, while a female student next to him is smiling and looking at the same book. Another male student is visible in the background, also looking at a book. They are all wearing maroon school uniforms.

ACCELERATED PROGRAM

At South Oakleigh College we are committed to providing a learning environment where every student can excel. We support individual student needs to achieve both academic and social success. The Accelerated Program is designed to challenge and extend high-achieving students. The aim of the program is to develop higher-order thinking skills so our students gain a deeper understanding of topics studied in Mathematics, English and Science. We cater for students who have displayed particular strengths in lateral thinking and problem-solving, while providing them with the opportunity to work with like-minded peers.

Selection Process for Year 6 Students

Entry into the Accelerated Program is through a selection process which assesses student aptitude in Maths, English & Science.

Important Dates for Year 6 Students

Open Night:

Thursday 29 April 2021

Doors Open at 6.00pm

Information Session: 6.30pm

Venue: South Oakleigh College

Accelerated Program Applications Due:

Friday 28 May 2021

Test Date & Cost:

Saturday 5 June 2021

Venue: South Oakleigh College Cost: \$40

Scholarship Program Closing Date:

Friday 28 May 2021

Application Process

Applications for the accelerated program are to be submitted Online through the EduTest registration link found on the South Oakleigh College website.

Accelerated Class Structure

Students are grouped in separate classes for Mathematics, English and Science. This allows students to interact with their peers without compromising their social development and friendships.

The Accelerated Mathematics, English and Science classes are blocked at the same time as mainstream classes. This provides an opportunity for high-achieving students performing exceptionally well to move across to the accelerated classes, based on the recommendation of their teacher and the results achieved in their assessments.

Opportunities in Senior School

- Access to a diverse range of VCE subjects
- Access to University Extension programs
- Extensive support to ensure health and wellbeing

Raising Resilient Kids

A Parents' Building Solutions 6-Week Online Program

Do you want to:

- Get a clear understanding of resilience and coping with life's set backs?
- Learn how to build resilience in your child?
- Learn strategies to help your child bounce back from adversity?
- Build a strong emotional connection with your child so they share more with you?

Program suitable for parents of children aged 5-12 years of age.

Join us for 6 weekly online sessions:

23 February to 30 March 2021

Time: 10:00 - 11:30 am

Bookings: 9721 3646 or

parentzone.eastern@anglicarevic.org.au

Where: Join us live online via Zoom.

Cost: Free of charge for parents and carers in Melbourne's Eastern Region.

Bookings essential.

Some useful information

We are lucky enough to have three large outdoor environments complete with sandpit, vegetable garden, undercover spaces and soft grass. All rooms spend plenty of time outside embracing the fresh air and strengthening their development.

- **Opening Hours:** 7:00am to 6:30pm
- **Parking:** Ample parking is available at the front of the service, allowing easy access to the building.
- **Fees:** \$135 per day/ \$130 per day for fulltime bookings.
- **What's provided:** Everything!!
All you need to bring is spare clothes and any comfort items your child may have.

Curriculum

Here at Guardian Oakleigh East we view children as competent and capable learners. Providing opportunities to explore, question and discover at their own pace and through their own interests.

Our Educators plan the curriculum around children's current interests, goals and in close consultation with families. Ensuring that each child is provided equal opportunities and is supported to achieve their outcomes.

We provide children access to authentic resources and encourage their engagement with the wider community.

INCURSIONS:

Monday- Yoga

Tuesday- Art

Wednesday- Language

Thursday- Clay

Friday- Music

EXCURSIONS:

Local Café's & Shops

Local Schools

What is covered in my daily fee?

The daily fee includes all meals the children will consume at the Centre (breakfast, morning tea, lunch, afternoon tea, late snack). We also provide nappies, wipes, hats, bed sheets, sunscreen and 5-26 formula.

The only things we ask families to bring is a change of clothes, and a comforter, if your child uses one.

How will I know what my child has been doing each day?

We use an online communication platform called Storypark, where the educators upload a daily group story with photos from the day. We also use this to share observations on children's learning and encourage families to also share their own stories with our team.

With the current COVID19 pandemic, how does the Centre ensure the environment is safe and hygienic?

With all the changes that have come with the COVID19 pandemic, our Centre maintains safe and hygienic environments for children, educators and families. Our children and educators have worked together to create embedded hygiene practices, including hand-washing procedures.
