

Dear Parents/Guardians,

As part of our Term 2 Inquiry, students will get the chance to observe the incredible African predators and prey up close at the Werribee Open Range Zoo. Students will analyse and investigate what it takes in order for these animals to survive. In *Predator Prey*, a focused learning session conducted by Zoo educators, students will learn how to group animals based on their diet and discover how animals rely on their senses, each other and their environment to survive. Students will explore the vast zoo on Safari and participate in educational sessions aligning to our Inquiry. It is going to be an awesome day!

WHEN:	Friday May 21, 2021	TIME: <u>Arrive at school 8:00am for departure at 8:15am sharp</u> Return Between 3:30 – 3:45pm
