# GRADE 1 & 2 EXCURSION TO CREATIVE SPARX

Dear Parents/Guardians,

Within our Inquiry 'How do toys function" the Grade 1 & 2 students have been exploring different toys while considering **their shape, size, materials and the forces that moves them.** To further this learning, we will visit Creative Sparx, where the students will expand on these concepts with the opportunity to experiment with a variety of materials to make their own catapult.

**Please see the Department of Education and Training Contract Tracing Information over the page.**

<b>WHEN:</b>	Wednesday 11 August 2021 Students should be at school by 8:45am on this day	<b>TIME:</b> G1 Depart: <b>9:15am</b> Return: <b>11:45am</b> G2 Depart: <b>12pm</b> Return: <b>2:30pm</b>

## **\*NEW\* Contact tracing**

***Some excursion venues are required to collect contact details and are responsible for managing record keeping for contact-tracing in line with current public health directives.***

Most venues are required to use electronic record keeping that connects with an Application Programming Interface (API) linked provider or a digital system provided by Services Victoria.

The Department of Health has ***strongly recommended*** that a contact number for each individual student is provided. A school phone number alone is not considered sufficient. Providing contact details for individual students will expedite contact tracing so that individuals can be contacted by the Department of Health if required.

**Parents/carers/guardians are advised that, when required, the school will be providing excursion venues with contact details for students in line with current health directives. The phone number on school file for the student will be provided as the nominated contact number.**

Venues will be collecting student names and contact phone numbers for a legitimate purpose and are subject to Victorian privacy laws so will handle the information securely and only retain it for the required 28-day period.
