## From the Principal Team

### Welcome to 2022

We would like to welcome everyone in our school community for 2022. Special welcome to all new families joining us for the first time, we hope you are enjoying being in our wonderful school community so far.

A big welcome to our new teachers, Miss Madison Maley, Mrs Nadine Kwong, Mr Marcus Embury and returning teachers, Mrs DeFazio, Mrs Jonga and Mrs Dimopoulos, for 2022. We also have Mrs Wendy Ward, a preservice teacher, in Grade 2B in Term 1. Welcome Wendy.

Despite the current circumstances our students have made a terrific start to this school year, and as I walked around the school this week I was pleased to see how settled the classrooms are. There is a sense of calm across the school and that's very pleasing.

After another challenging year I hope January was a time for some rest and relaxation. Amsleigh Park is a wonderful school with a great staff, great students and a terrific and supportive school community, so we have all we need to flourish in 2022.

### Our Thanks

We want to thank all families sincerely for their support with rapid antigen testing of students. Undertaking this consistent screening will help identify any cases before they come to school. Please note that if a child has symptoms they should not come to school, even if they have a negative result on the test. We are awaiting a further delivery of tests, which will be sent home with students when received. Rapid testing is not compulsory and if you don't wish to participate, please let us know and we will not send home any test kits.

### No Nuts at Amsleigh Park

At Amsleigh Park PS we have several students who are allergic to nuts and might experience a serious anaphylactic reaction if exposed. Therefore, we ask that parents do not send nuts or nut based products to school, including peanut butter and Nutella. We appreciate your support as this can be a life-threatening condition. Our staff are trained in responding to anaphylaxis, which includes using an Epi-pen.

### Get to Know You Interviews

We have set aside very important time for 'Get to Know You Interviews' on Thursday 17<sup>th</sup> February. These meetings provide a timely opportunity for our teaching staff to form an effective partnership with each child's family. Working in partnership and having consistent expectations between home and school leads to better outcomes for our students. The Interviews, undertaken using WebEx video conferencing, are strictly 10 minutes. If families need a longer time then a follow up time should be organised. The bookings for interviews are all done using XUNO and a notice will be distributed shortly with details.

**PLEASE**

**NO PEANUTS  
OR  
NUT PRODUCTS**

## Learning to Learn

Currently, all our classes are participating in our 'Learning to Learn' program. We do this at the start of each year to support our students to settle into their new classes, get to know their classmates/teacher and establish clear expectations and a productive classroom tone for the year. It's a very important time, and it's vital that everyone develops the right mindset towards school.

Recently, I reminded students about our school values, Respect, Integrity, Inclusion, Motivation and Resilience. Following our school values is essential and we expect that students, staff and parents will adhere to them. Additionally, I made it very clear that students should also play in a friendly and inclusive manner, and that bullying, teasing and other such behaviours are not welcome at Amsleigh Park PS.

For the record our students are overwhelmingly fantastic, and this is well supported by having a consistent expectation for all. We know and understand that kids will still have their moments, and that is to be expected, as its part of learning for life. Our aim is to be fair and consistent, following the principles of School Wide Positive Behaviour Support and teaching children the skills they need to be happy and successful at school.

## Prep 2022

Special welcome to our 54 new preps who commenced school on Monday. We have 3 Prep classes this year and we are all looking forward to getting to know our new students and their families. Welcome also to the students who have joined us at other year levels, we hope you are all settling in well and enjoying making new friends.

## Developing a Partnership with Amsleigh Park Families in 2022

Our teaching and support staff are looking forward to a productive partnership with you to ensure all students can achieve their best. We recognise that to be successful in school, our children need support from both home and school. We know a strong partnership with you will make a great difference in your child's education. As partners, we share the responsibility for our students' success and want you to know that we will do our very best to carry out our responsibilities. We ask that you guide and support your child's learning by ensuring that he/she:

- 1) Attends school daily and arrives on time ready for the day's learning program
- 2) Completes all homework given by teachers
- 3) Reads daily to develop a love for reading and to improve literacy skills
- 4) Shares school experiences with you so that you are aware of his/her school life.

This partnership is one of the very important components to a successful and happy school life.

## Arriving at School on-time

Thank-you to the many families who ensure their child arrives on time to school every day. Punctuality is an important life skill and a great habit to form early in life. Students ideally should arrive at school around 8.45am, which allows enough time to enjoy a quick catch up with friends before the preparation bell at 8.52am. At 8.45am, a teacher is on 'yard duty' and therefore supervision is provided from this time onwards. We are asking that children do not arrive at school earlier than this time unless they remain in the care of an adult until 8.45am to ensure they are supervised adequately.

## School Administration

Our fantastic office team, Karen, Meredith and Jackie, have been very busy at school since 17<sup>th</sup> January getting things organised so we have a smooth start to the year. Many thanks to them for their dedication to our school. Office hours are 8.30am – 4.15pm, and you can make contact with us during this time. A voice mail option is provided out of those times to leave messages for us.

Please remember that you can call the office on 9544 1553 for uniform orders and other non-urgent matters rather than come to the office in person.

## Annual Swimming Program 2022

Schools are allowed to once again provide a swimming program for students, and therefore we'll be running our annual swimming program in the last two weeks of Term 1. After another summer of record drownings in Australia, it's vital that we continue to build childrens water safety skills. It might be a lifesaver in the future. A notice will go out in the next week asking parents who will be attending swimming.

## The Annual School Picnic

Unfortunately, we are not able to have the school picnic at this time. It's disappointing, but there is no way we can run this event in a COVID safe way at present. It may however be possible to run this event later in the term. We'll keep you posted.

*From the Department of Education and Training*

## **Annual Privacy Collection Notice Reminder for 2022**

The Department of Education asks that we remind parents about the collection of personal information. Our school collects, uses, discloses and stores student and parent personal information for standard school functions or where permitted by law, as stated in the Schools' Privacy Policy.

Please take time to remind yourself of our school's collection notice, found on our website <https://amsleigh.vic.edu.au/wp-content/uploads/2022/02/Schools-Privacy-Notice-2022.pdf>

For more information about privacy, refer to: Schools' Privacy Policy — information for parents at the following link: <https://www.education.vic.gov.au/Pages/schoolsprivacypolicy.aspx> This information is also available in nine community languages.

## **Student Insurance – Reminder from DET**

Parents are reminded that the Department of Education and Training (DET) does not offer any form of 'student accident insurance'. If families are concerned about this they are advised to make their own arrangements. Ambulance cover could be one consideration as the school will not hesitate to call an ambulance if we are concerned for a child's wellbeing.

## **Personal Goods brought to school at the 'Owners' risk**

The Department of Education and Training (DET) does not hold insurance for personal property brought to schools. All schools are requested to remind students and parents/guardians of this at the beginning of each academic year and to discourage parents/students from bringing any unnecessary or particularly valuable items to school. Please avoid bringing these items as it can be most upsetting for all concerned if items go missing or are damaged. Anyone who needs a mobile phone needs to hand it in to the office each day.

## **Camps Sports and Excursions Fund (CSEF)**

The Camps, Sports and Excursions Fund helps eligible families to cover the costs of school trips, camps and sporting activities.

If you have a valid means-tested concession card, such as a Veterans Affairs Gold Card, Centrelink Health Care Card or Pensioner Concession Card, or are a temporary foster parent, you may be eligible. There is also a special consideration category for asylum seeker and refugee families.

Payment amounts this year are \$125 for eligible primary school students. Payments are made direct to the school to use towards expenses relating to camps, sporting activities and excursions for the benefit of your child.

If you applied for CSEF through our school last year, you do not need to complete an application form this year, unless there has been a change in your family circumstances.

If you would like to apply for the first time, please contact the school office on 9544 1553 and ask for an application form. A copy of your eligible card will also be required to submit your application.

Find out more about the program and eligibility, on the Department of Education and Training's Camps, Sports and Excursions Fund web page.

Check with the school office if you are unsure, and please return completed forms to the school office as soon as possible.

## **School Improvements in 2021**

We have been quite successful in securing another grant to construct a new shade sail for our new playground (\$25,000). This will be installed over the Mandala that is part of the Inclusion Garden.

## **And Finally...**

It's a great privilege to lead such a wonderful school and we are looking forward to supporting all of our students in their learning and development in 2022. Helping each student to achieve their potential in a safe and supportive environment is our most important goal, and we look forward to working with our fantastic teaching and support staff to make this happen.

We invite parents and carers to seek our help if you have concerns for your child's learning and development. You can make contact by calling us on 9544 1553 or by emailing the office and marking it attention to Michael or Bec.

As your school leadership team we are here to help everyone in the Amsleigh Park Primary School Community. We pride ourselves on making sure that we lead Amsleigh Park in a way that is fair, supportive and welcoming. We look forward to seeing you around the school.

## Messages From Miss Carr

### Welcome Back!

Happy New Year and welcome back to Amsleigh Park! A special welcome to our new families in 2022. I hope everyone had a terrific summer break and are excited for the year ahead! I look forward to working with all students and families this year as we support all students to reach their full potential.

### Prep Students

It has been wonderful to see our Prep children transitioning to Primary School over the past week. On yard duty this morning, it was a pleasure to see how the confidence has grown within our students, with our Preps enjoying a play before school and happily waving goodbye to parents when it was time to begin school.

If you are interested in getting more information about helping your Prep child, the website below (see address below) has some excellent information. <https://www.education.vic.gov.au/parents/going-to-school/Pages/tips-starting-school.aspx>

### Reading Nights

Nightly reading not only develops a child's reading skills, but also their writing and spelling skills; as well as growing a love of reading over time. Last week at assembly, I encouraged all students to keep up their reading every night. It is expected that all children reach a minimum of 200 nights of reading this year as part of their homework and to ensure their reading skills continue to develop. I look forward to celebrating the first '50 reading nights' certificates being awarded at assembly toward the end of February. It was excellent to hear about all the reading that has already happened this year and over the holidays!

### Traffic Safety

It is extremely important for student and community safety, that drivers observe all traffic rules and signage around schools to ensure our families stay safe. We thank you for your support with this, as we're sure all families would agree, the safety of our children is of utmost importance. In particular, adhering to the one-way street rules, in part of State Street, as well as the 40km speed zone around school drop off and pick up times. Additionally, the council often patrol the 2 minute drop off zone, as well as the other parking restrictions in State Street, so we urge all families to adhere to these regulations. Thanks for your support with this.

### School Birthdays

Celebrating a birthday on a school day is a lot of fun, and we know that students often like to share a little treat with their class. All treats need to be individually wrapped, so they can be shared safely with the class. A Freddo Frog is a great example of a quick and easy treat to share. Please note we are unable to share large birthday cakes, as this is not considered COVID safe.

## Respectful school communities start with respectful behaviour

Parents, carers, staff and students can help keep our school community safe, supportive and respectful.

Good relationships are based on:

Open and honest communication

Trust and respect

Working together

Fair and reasonable expectations by all

These behaviours are not okay in our school community:

- ⊗ Threats
- ⊗ Violence
- ⊗ Rudeness
- ⊗ Harassment
- ⊗ Discriminatory and derogatory comments
- ⊗ Aggression
- ⊗ Intimidation
- ⊗ Threatening gestures

This includes in-person, over-the-phone, email, text message, social media and online.

For more information ask your school about the **Respectful Behaviours within the School Community Policy**.

## FROM THE SCHOOL OFFICE ADMIN TEAM.....

### Family Account Information

Thanks to the families that have paid 2022 Parent Contributions.

Please ensure that a **completed Payment Advice is sent to the office** so invoices can be processed, and payments allocated correctly.

A copy of the 2022 Parent Contributions letter and Student Book Pack Ordering Information is available on our website. [www.amsleigh.vic.edu.au](http://www.amsleigh.vic.edu.au)

### Student Medications

A reminder that a Medical Action Plan, completed by a doctor, must be provided for any student medication (eg. Ventolin, Epi Pens, severe allergy medication) stored at the school office. We cannot store or administer any medication without an Action Plan containing instructions from a doctor. This does not include occasional antibiotics. Wherever possible, parents should request antibiotic prescriptions that can be taken at home, ie Antibiotics that are required 3 times per day can be taken at home in the morning, on return from school and again at bedtime. For students that do require antibiotics at school, a parent must complete a medication authority form when handing medication into the office. It is recommended that students with hayfever etc. take their medication at home before school. All medication must be stored securely at the office for the safety of all students.

### Absences / Late Arrivals

A reminder that all absences should be reported to the General Office. Admin staff process all attendance data, including late arrivals and early exits. Teachers are notified of the absence/late arrival during this process. Absences should be be advised using Xuno, email or phoning the school and selecting "1" when prompted to leave an absence message. **Students arriving late to school must be first signed in at the office by a parent before going to class.** Parents should complete the sign in register, fill out a "Late Slip" and hand this to their child who will proceed on their own to their classroom and give the late slip to the teacher.

### Contacting The School

When contacting classroom teachers, or responding to their emails via Xuno, remember to double check the 'To' address. Many emails meant for classroom teachers are arriving in the Amsleigh Park PS inbox, along with many other daily external emails. Replying to the school inbox may delay your communication being received by the classroom teacher in a timely manner. When responding to a teacher's email, refer to their email address that appears within their message and copy & paste this address into the address field.

Thank you,

## Information for families

Since the beginning of 2021, Amsleigh Park commenced using Xuno as our main communication tool with families, including newsletter distribution, absence notifications, student reports, communication with your child's teacher, messages and reminders; and coming soon, permission forms and online payments.

Xuno is a web-based school management software that has a website portal for use in a browser and an App, 'Xuno Family' for use on smart phones or tablets.

It is easy to use and is a vital tool to keep our parents informed about their child/ren's school life and all things happening at Amsleigh Park.

Bookings for "Get to Know You" & Parent Teacher interviews are also managed through Xuno. Parents can use Xuno to notify the school of any address/contact detail changes, absences, late arrivals etc.

For new families - On enrolment, you should have received a welcome email from Xuno (please check your junk folder if not received in your inbox), with information on how to create your Xuno account. Please follow the instructions and links in the email, to create a Xuno account and password in your browser.

As Xuno is our main communication tool, it is important that all families are signed up so they are aware of school information and events.

Please contact the office if you require a Xuno welcome email to be resent.

Thank you,

Amsleigh Admin Team

## FINANCIAL ASSISTANCE INFORMATION FOR PARENTS

Every Victorian child should have access to the world of learning opportunities that exist beyond the classroom. The Camps, Sports and Excursions Fund helps ensure that no student will miss out on the opportunity to join their classmates for important, educational and fun activities. It is part of making Victoria the Education State and the Government's commitment to breaking the link between a student's background and their outcomes.

### CAMPS, SPORTS & EXCURSIONS FUND (CSEF)

School camps provide children with inspiring experiences in the great outdoors. Excursions encourage a deeper understanding of how the world works while sports teach teamwork, discipline and leadership. All are a part of a healthy curriculum.

CSEF is provided by the Victorian Government to assist eligible families to cover the costs of school trips, camps and sporting activities.

If you hold a valid means-tested concession card or are a temporary foster parent, you may be eligible for CSEF. A special consideration category also exists for asylum seeker and refugee families. The allowance is paid to the school to use towards expenses relating to camps, excursions or sporting activities for the benefit of your child.

The annual CSEF amount per student is:

- \$125 for primary school students
- \$225 for secondary school students

### MORE INFORMATION

For more information about CSEF visit:
