From the Principal Team

Farewell Meredith

Our wonderfully caring and friendly office staff member, Meredith Duhau, has decided to finish up at Amsleigh Park PS after 14 years of service to our community. Many students and parents will be familiar with her big smile and friendly demeanour when visiting our general office. Meredith has been a wonderful support to all in our community having started originally as an Integration Aide, before taking up a role in our administration. Ever the positive person, Meredith's kindness, compassion and care are some of her personal qualities that stand out. I know I speak for many when I say she will be missed in our school, and I want to say a sincere thanks to her on behalf of the whole school community. Meredith tells me she is looking forward to spending more on some of her other interests such as making wonderful scented candles and of course spending more time at home.

Slime Run Fun

Who would have thought that a bucket of slime and some water pistols could provide so much fun, but the proof was there last week on our first ever slime run. Following on from the highly popular colour run, this event took it to a whole new level, and the excitement for our students, parents and staff was off the charts.

With a special visitor, Monty Monster, lots of fun inflatables, obstacles and the slime run itself the whole course was a fantastic success. The local Fire Rescue team also came down to support the event giving the course some added fun. The kids gave the whole event a big thumbs up and their enjoyment was obvious in their excitement and smiles.

I want to say many thanks to the Parents and Friends Association for running this event, and also extend thanks to all the volunteer helpers on the day. The support for the event at Amsleigh Park is greatly appreciated and valued. Special thanks to the staff who also got right into the spirit of things. It does bring great fun to the event when the staff are onboard, and I want to highlight that our staff go well above expectations, and this is one of the things that makes our school such a great school.

There was also some icing on this cake, as the event also combined as a major fundraiser. As of Friday last week the amount of money raised after all costs are paid is over \$15,000. This is simply astounding and it's the largest amount of money we have raised through one event in many years. Many thanks to the generosity of all extended family, friends and parents all chipping in as sponsors. The kids have also earned lots of individual prizes, which will be processed and delivered in due course. The Slime run will be one of the great highlights of 2022! And just to bring back memories of the wonderful moment!

Swimming Thanks

Our annual swimming program is ticking along nicely and students are doing a great job. Going to the pool every day is a great way to build swimming skills in a short period of time, just like being on a summer holiday. Many thanks to our volunteer helpers who are going to the pool to assist, we greatly appreciate the help.

Working Bee Success

As the old saying goes, 'more hands make light work,' and this was definitely the case at our working bee on Saturday last weekend. Around 40 adults and lots of kids came along on Saturday afternoon to support the event and powered through a huge number of tasks. After a two-year gap in working bees, our grounds needed a lot of TLC and they are now looking so much better as a result. The garden beds around the entry to the after-care building are looking great, and once established, the new plantings will give the area a lift.

I want to thank the organisers of this new working bee initiative, Laura Harrison and Helena Salles, who along with the PFA have all combined to make it a huge success. Thanks to the many families who also came along to help on the day and provided Utes, tools and lots of elbow grease. Special thanks to Kerian at the Bakers Delight in Oakleigh Central, for also generously donating the bread for our sausage sizzle, much appreciated. Over the long term we are hoping to continue to make a range of further improvements to our grounds, but with such extensive grounds it's going to take time to achieve the result we would like.

150 Years of Education in Victoria

This Year we are celebrating 150 years since the start of State Government Education in Victoria, and in Term 2 this will be the big feature of Education Week. Here's a few facts about this significant event in the history of State education in Victoria.

- The Education Act of 1872 was the first of its kind in the world.
- It was the first act of its kind in the Australian colonies of the time.
- Under the act, Education was free and compulsory, so the whole community would benefit.
- All children aged 6-15 years had to attend school unless they had a reasonable excuse.
- Education was secular, which meant there was no control by any church.
- In the last 150 years, a lot has changed. But public education remains a vital part of the Victorian community.
- Victoria's oldest school - which is still in operation today - is Bacchus Marsh Primary School. It was built on the traditional Country of the Wada Wurrung people and opened in 1850. Europeans first arrived on the Country of the Wurundjeri Woi Wurrung and Bunurong peoples 15 years earlier in 1835. This area is now known as greater Melbourne.
- In 1872 483 schools were established, and this has now grown to over over 1500 Government schools. It's a great school system and I look forward to highlighting this further in Term 2.

School Council Executive

Our school council have now elected executive positions for 2022. Thank you very much to the following parents who are fulfilling executive roles on our School Council.

School Council President – **Ana Meyborg**

School Council Vice President – **Kylie Champion**

School Council Treasurer – **Steve Ikin**

We greatly appreciate your valued contribution to our School Council, and volunteering on behalf of all parents in our community to perform this role.

Parking Inspectors

Just a reminder that the City of Monash will often be sending parking inspectors to the area around our school to make sure drivers are adhering to parking rules. Dropping off in a non-standing zone attracts quite a hefty fine so please be very careful. Our School Council is currently working on a proposal to increase the amount of Kiss and Go (2 Min) parking on State Street, which could help to ease congestion in this area. The proposal is to have an extra four bays of Kiss and Go parking out front of the school. This parking is for quick drop off and pick up but please keep in mind you must stay in your car or you might be fined.

The Smile Squad is Coming

The Victorian State Government has funded a FREE dental service for all government primary school children. We will be participating in this program later in 2022.

What is Smile Squad?

Smile Squad is the Victorian Government's school dental program. Smile Squad will offer free dental care to all Victorian primary and secondary government school students. This initiative is led by the Department of Health (DH) and Dental Health Services Victoria (DHSV), with input from the Department of Education and Training (DET). Smile Squad services are provided by community dental agencies. Regular dental checks can prevent or address dental health issues before they become serious. Many students do not see a dentist regularly and have poor dental health.

What does Smile Squad include?

All services below will be available free of charge to all Victorian government school students. Annual oral health examination. Each school will be visited by Smile Squad who will provide a free oral health check-up to each student.

- Services provided: examination, x-rays when required, oral health and dietary advice, coaching and preventive interventions, including application of fluoride varnish. Follow-up treatment. Free follow-up treatment will be provided to all students who need it.
- Services provided: scale and clean, fissure sealants, root canals, restorations (fillings), extractions, and all other treatment required. Smile squad does not include orthodontics, e.g., teeth braces.

STEM Research Survey

I sent out an invitation to families of Grade 3-6 student to participate in a special research survey investigating trends in the study of STEM (Science – Technology-Engineering-Maths) subjects. The research is being conducted by a PHD candidate at Monash University in conjunction with the Education and Engineering faculties. It's not compulsory but it is important that we participate in research projects that grow the body of knowledge in this area. May thanks in advance to anyone who wants to take up the opportunity, please see the email sent out for all details. If you have any trouble with the link in the email here's one you can also follow: [Online Survey Software](#) | [Qualtrics Survey Solutions](#) . If you have any questions, please let me know.

A word from the General Office

We have been short staffed in the office recently as staff need to isolate at home, and we ask for your patience and support. As luck would have it, it's also an extremely busy time with our swimming program in full swing. We appreciate your support.

And finally...

I was so proud to see Minju in the Ad for Ashwood High School in this week's edition of the newsletter. It's wonderful to hear about the success of our students as they move through their secondary years. Minju is not alone in her achievements, and we hear of many stories of success from our past students each year.

Family Account Information

Thank you to the families that have paid 2022 Parent Contributions. Please ensure **a completed Payment Advice Form is sent to the office** so invoices can be processed, and payments allocated correctly.

A copy of the 2022 Parent Contributions letter & payment advice form is available on our website
www.amsleigh.vic.edu.au

Student Medications

A reminder that a Medical Action Plan, completed by a doctor, must be provided for any student medication (eg. Ventolin, Epi Pens, severe allergy medication) stored at the school office. We cannot store or administer any medication without an Action Plan containing instructions from a doctor. This does not include occasional antibiotics. Wherever possible, parents should request antibiotic prescriptions that can be taken at home, ie Antibiotics that are required 3 times per day can be taken at home in the morning, on return from school and again at bedtime. For students that do require antibiotics at school, a parent must complete a medication authority form when handing medication into the office. It is recommended that students with hayfever etc. take their medication at home before school. All medication must be stored securely at the office for the safety of all students.

Absences / Late Arrivals

A reminder that all absences should be reported via Xuno. This ensures that Admin staff, who process all attendance data, including late arrivals and early exits are receiving the information in the first instance. Teachers are notified of the absence/late arrival during this process. If you wish to pass on any further information to teachers, please send them an additional email. If unable to report via Xuno, absences can be advised by emailing the General Office or phoning the school and selecting "1" when prompted to leave an absence message. **Students arriving late to school must be first signed in at the office by a parent before going to class.** Parents should complete the sign in register, fill out a "Late Slip" and hand this to their child who will proceed on their own to their classroom and give the late slip to the teacher.

Contacting The School – Check the email address you are replying to

When contacting classroom teachers, or responding to their emails via Xuno, remember to double check the 'To' address. Many emails meant for classroom teachers are arriving in the Amsleigh Park PS inbox, along with many other daily external emails. Replying to the school inbox may delay your communication being received by the classroom teacher in a timely manner. When responding to a teacher's email, refer to their email address that appears within their message and copy & paste that address into the address field.

FINANCIAL ASSISTANCE INFORMATION FOR PARENTS

Every Victorian child should have access to the world of learning opportunities that exist beyond the classroom. The Camps, Sports and Excursions Fund helps ensure that no student will miss out on the opportunity to join their classmates for important, educational and fun activities. It is part of making Victoria the Education State and the Government's commitment to breaking the link between a student's background and their outcomes.

CAMPS, SPORTS & EXCURSIONS FUND (CSEF)

School camps provide children with inspiring experiences in the great outdoors. Excursions encourage a deeper understanding of how the world works while sports teach teamwork, discipline and leadership. All are a part of a healthy curriculum.

CSEF is provided by the Victorian Government to assist eligible families to cover the costs of school trips, camps and sporting activities.

If you hold a valid means-tested concession card or are a temporary foster parent, you may be eligible for CSEF. A special consideration category also exists for asylum seeker and refugee families. The allowance is paid to the school to use towards expenses relating to camps, excursions or sporting activities for the benefit of your child.

The annual CSEF amount per student is:

- \$125 for primary school students
- \$225 for secondary school students

MORE INFORMATION

For more information about CSEF visit:

<https://www.education.vic.gov.au/about/programs/Pages/csef.aspx>

HOW TO APPLY

New applicants should contact the school office to obtain a CSEF application form or download from the website below.

If you applied for CSEF at your child's school last year, you do not need to complete an application form this year unless there has been a change in your family circumstances.

You only need to complete an application form if any of the following changes have occurred:

- **new student enrolments;** your child has started or changed schools this year.
- **changed family circumstances;** such as a change of custody, change of name, concession card number, or new siblings commencing this year.

Check with the school office if you are unsure.

Mother's & Special People's Day STALL

Each student will have the opportunity to purchase some gifts from our market stall during the day.

Gifts will range from \$1 to \$10 in price.

Students wishing to participate should bring to school:
a small amount of money, preferably in coins, in a envelope clearly marked with their name
and
a small bag to carry their item/s home in

Students will be taken as a class during school time to shop at the stall located in the Thelma Bailey Centre.

Proceeds from the stall will assist fundraising for upgrades to some school outdoor areas.

We would also love some volunteers on the day to help run the stall. Please email apps.parents@gmail.com if you can help.
