Principal Team Report

Grade 6 Graduation 2022

I believe that everyone involved in our Grade 6 graduation in 2022 would have greatly enjoyed this year's stellar event. Organised by our Grade 6 teachers, Mrs Arvanitis and Mr Embury, with great support from the Grade 5 teachers, Mrs Jonga and Miss Kirton, this event was an enjoyable night of celebration and reflection. The formal ceremony was beautifully presented by our Grade 6s who shared their memorable moments and sang with plenty of emotion. Our Grade 6s acknowledged everyone involved in their school life that began in 2016. How quickly time goes, and with the passing of this time, it is wonderful to see how these young children have matured into warm and caring young people. The end of the year for Grade 6s always comes with the mixed emotions of both excitement but also some sadness as they realise their time at Amsleigh Park is nearly done. Looking at this group I can see they are ready for their next challenge, and we wish them every happiness and success as they commence their secondary years. We will certainly miss them all.

On behalf of our students, I want to thank Mrs Arvo and Mr Embury, with support from many parents and staff, for organising such a great event. It was truly a special occasion and will be a memorable one for all. Special thanks to our Grade 5 parents who kicked off a new tradition in 2022 of helping set up and serve the graduation dinner. Many schools have this tradition, and it works well as there are just so many things to organise with an event such as this. Thanks again to everyone, we appreciate all your help.

Congratulations to Miss Barker

In 2022 the Department of Education formed the new 'Academy of Teaching' and invited expressions of interest to be in the Teaching Excellence Program. I'm pleased to say that our Learning Specialist, Miss Khalia Barker, was accepted into this program and recently graduated as an alumni of the Academy. This is a special honour for Miss Barker. During her time at the Academy Miss Barker worked with other talented educators on building expertise in literacy teaching. It is our good fortune that Miss Barker can now share her learnings with us, and we are proud to have an Alumni of the Academy on our staff. Sincere congratulations to Miss Barker from us all.

It's time to say thank-you....

Our Fantastic Assistant Principal

Working as a Principal class team with Miss Carr is great and I would like to think we lead and manage the school well. Miss Carr is a very gifted educator with a dedication that is admired by all who know her. The consummate relationship builder, Miss Carr is a person of great integrity and passion, who is respected by students and staff. During a time of great challenge, such as 2022, it's great to have someone with the qualities that she demonstrates every day. I want to thank Miss Carr not only for her great support of myself, but for the generous contribution she makes to Amsleigh Park PS and all our students, staff, parents, and carers. It very much appreciated; we are most fortunate to have you at APPS.

Thank
YOU

Teaching and Support Staff

I feel privileged to be the principal of a school that has such a wonderful staff. Our teaching and support staff are extremely dedicated to our students, always showing great care and compassion. Their attention to detail is fantastic, and they always go that 'extra mile' in supporting our students and our school. Our staff are committed to continuously improving all aspects of learning and education at our school, and they work tirelessly to ensure that all students reach their full learning potential. Our staff also includes a highly effective and experienced teacher-leader team that includes our Learning Specialist, Miss Barker, Professional Learning Community Leaders, Miss Renwick, Mrs Arvanitis and Mr Arundale, Wellbeing Leader, Miss Tapper, Specialist Leader, Mrs Kennedy and Numeracy Leader, Miss Brown. Together our teacher leaders make sure we continue to meet the standards we have set for our students. We are indeed most fortunate to have a talented and committed staff.

Administration Team 2022

Thank You

Business Manager, Karen Hogan and our Admin team, Jackie Fox-Pollard and Ali Wright-Smith have had a very busy year. Managing a range of changes with careful planning and dedication, I want to highlight how important our admin team is to Amsleigh Park PS. As the first point of contact for parents and a key support for our students, our admin team is always helpful, caring, and thorough, with an attention to detail. On behalf of our community, I want to say sincere thanks to Karen, Jackie and Ali for their continuing hard work and dedication to our school. We really appreciate it!

Student Leaders 2022

The tone of the school is often influenced by the student leaders in Grade 6 and this year's group have done a fantastic job, acting as great role models for all other students. They have been excellent ambassadors for our school and when given their chance have set a great example and very high standard of student leadership for all others to follow! Special thanks to School Captains, April and Darcy. Well done to all our Grade 6s for being an excellent group and for wonderful buddies to their Prep friends.

thank you!

Our Wonderful Library

Our school library is a special space we are all very proud of. It's an inviting space, generous in size and nicely furnished and so important in building positive reading habits. We don't just want to teach children to read at school, we also want to instil in them a love of literature and reading for pleasure. Our library book collection continues to grow steadily as our Library technician, Martin, gets new books into circulation. In 2022 we have started a new graphic novel section, which is very popular with our students. It includes books such as Tom Gates, Diary of a Wimpy Kid, the Treehouse series, and many other titles. And this will only continue to grow in the future.

Borrowing is now finished for 2022 and we are now asking that all children please return books ASAP so we can do a stock take and clean-up of the library. I want to say a special thanks to Martin for his dedication to our library and for bringing great enthusiasm and fun to the role.

Our of School Hours Care

Thank
You

Youth Leadership Victoria are a unique organisation as they provide out of hours care for students as a not-for-profit entity. This means they are focussed on service rather than profits, often providing enhanced opportunities for our students. YLV are always highly supportive of our school and will make sure care is available on all pupil-free days and during school holidays, which is vital for working parents/carers. Sincere thanks to Rita, Aisha and the whole team at YLV, we appreciate your partnership with our school.

The Uniform Shop

Amsleigh Park maintains an on-site uniform shop through the good will of staff and parents. Without the support of our parent coordinator, Libby Jumas and her band of helpers we simply would not be able to run our shop. I want to highlight how important our uniform shop is to our whole school community. As a not-for-profit shop we keep the price of uniforms to a wholesale level, with the convenience of having a shop on-site. In this age of outsourcing, many schools no longer provide this kind of service, so it does set us apart. It might not always seem like a big deal, but I can assure you it's much better than having to go to the retail shops. I want to thank Libby and her helpers, Heather and Angela for their generosity in running our uniform shop in 2022,

we are very grateful to you.

School Council 2022

School Governance is an important function that happens behind the scenes. With oversight for the Child Safe Standards, finances, policies, facilities and out of school hours care, our council plays a vital role to make sure we operate according to the Education Act. I want to say a sincere thanks to all our councillors who give generously of their time to school governance, with special thanks to President, Ana Meyborg, Treasurer, Steve Ikin and Vice President, Kylie Champion. Thanks for being part of a cohesive partnership where all members are totally focussed on the common good of the school. A job very well done on behalf of our school community.

*Thank
You*

Our wonderful Parents and Friends Association

All the best schools have a vibrant and supportive parents and friends group working behind the scenes to organise community events. This year we have had some great fun at school with events that included the colour run, school disco, Trivia night, easter raffle, Father's Day stall, Mother's Day stall, election day cake stall and more. Whilst some of these events were combined with fund raising, it was not the sole purpose. Our primary aim is to provide an opportunity to be connected to our school and provide fun events for our students, staff and parents/carers. At Amsleigh Park we have a wonderful PFA and I want to say how much we appreciate everything they have done for us in 2022, so our great thanks to you all. Special mention to Caz Hayes and Suzi Ikin, who remain the driving force behind the scenes.

Parents and Carers

There is no doubt that the best schools have a supportive group of parents and carers behind them. This partnership is essential for each student and for the successful operation of Amsleigh Park. Having been at our school for a good while I know that we have a special community, based on mutual respect, and dedicated to making sure our students get a chance to be their best. Parent and carers also need to go that extra mile and we greatly appreciate that our parents and carers work with us so positively. Amsleigh Park has a friendly and welcoming culture, and this is a credit to our whole school community and a great asset. On behalf of all students and staff I say sincere and grateful thanks to our parents and carers, we appreciate everything you do. Special thanks for some of the delicious treats we receive from time to time, who knew the way to a teachers heart was through their taste buds!

Thanks and more thanks....

Each Wednesday and Friday our SRC, supported by parents, Megan, Daniela, and Letizia sell Zooper Doopers to our students. Our students love this treat and it's great for the SRC to have this enterprise as well, so thanks a million.

Big thanks to Suzi who helps to distribute the Book Club orders each month. It's one of those things that just happens quietly behind the scenes and brings joy to the excited recipients.

In a school environment there are always so many people to thank and acknowledge, and we hope that we have covered everyone. There are so many things that happen, both big and small, and some might go unnoticed. We hope that you get the personal satisfaction of knowing that you made a difference for our students and staff, after all that's what we are all here for.

THE AMSLEIGH BUZZ

Final Assembly for 2022

Our final assembly for 2022 will be held on Friday 16th December at 2.30pm. At this assembly we will be announcing our house and school captains for 2023, giving out Grade 6 awards, saying thank-you and doing the final Kiwanis Award for 2022. As this is our final assembly, it will be longer than our normal weekly assembly and will be held under the sports pavilion.

Grade 6 Final Farewell

We will undertake a final farewell for our Grade 6 students on Tuesday 20 December at 1.00pm. Please add it to your diaries. Our Grade 6s will walk down our traditional isle of honour to symbolize the completion of their primary school years. As they move down the aisle all our students clap and cheer for them. It's a lovely tribute to our Grade 6s and often is an emotional moment for everyone in attendance. We'll see you under the sports pavilion.

Class Orientation – Wednesday 14th December

Our transition program for 2022 culminates with class orientation on Wednesday 14th December. Our Prep-Grade 5 students will spend time with their new class teacher for 2023, helping the students with the move onto the next year level. Our Grade 6s also have their Year 7 orientation on Tuesday 13th Dec and we wish them the best of luck for this day.

Reading Nights for 2022 and 2023

Big congratulations to the many students who completed their school goal of 200 reading nights in 2022, it's been a bumper year of success. This year we had more students complete 300 nights than ever before and that's an awesome outcome. I ran out of Pancake Parlour vouchers for the first time this year, and even though I procured some extra's those who completed the goal first got this sweet reward. Reading nights can be counted from Jan 1, 2023 so keep reading during the holidays.

Our regards for the holidays...

We would like to wish you every happiness during the festive season and holidays that follow. Be safe and enjoy time with family and friends. Let's hope for some sunshine so we can enjoy some long, lazy summer days of relaxation and fun.

GREETINGS

FROM THE SCHOOL OFFICE ADMIN TEAM.....

2023 Parent Contributions – Payments now accepted via Xuno

Information regarding the 2023 Parent Contributions was emailed to parents this week together with a letter from Mr Cormick. Great news is that parent payments can now be made via the Xuno App. We greatly appreciate and thank you for your financial support of our school.

Student Medications

A reminder that a Medical Action Plan, completed by a doctor, must be provided for any student medication (eg. Ventolin, Epi Pens, severe allergy medication) stored at the school office. **We cannot store or administer any medication without an Action Plan containing instructions from a doctor.** Parents are required to provide up to date Action Plans and inform the school office of any changes to a student's medical condition / action plan.

This does not however, include occasional antibiotics. Wherever possible, parents should request antibiotic prescriptions that can be taken at home, ie Antibiotics that are required 3 times per day can be taken at home in the morning, on return from school and again at bedtime. For students that do require antibiotics at school, a parent must complete a medication authority form when handing medication into the office. All medication must be stored securely at the office for the safety of all students.

It is recommended that students with hayfever etc. take their medication at home before school.

Absences / Late Arrivals

A reminder that all absences should be reported via Xuno. This ensures that Admin staff, who process all attendance data, including late arrivals and early exits are receiving the information in the first instance. Teachers are notified of the absence/late arrival during this process. If you wish to pass on any further information to teachers, please send them an additional email. If unable to report via Xuno, absences can be advised by emailing the General Office or phoning the school and selecting "1" when prompted to leave an absence message. **Students arriving late to school must be first signed in at the office by a parent before going to class.** Parents should complete the sign in register, fill out a "Late Slip" and hand this to their child who will proceed on their own to their classroom and give the late slip to the teacher.

School Emails – Check the email address you are sending / replying to

When contacting classroom teachers, or responding to their emails via Xuno, remember to double check the 'To' address.

Many emails meant for classroom teachers are arriving in the Amsleigh Park PS inbox, along with a huge number of other daily external emails. Replying to the school inbox may delay your communication being received by the classroom teacher in a timely manner and creates extra work for Admin staff.

When responding to a teacher's email, please refer to their email address that appears within their message and copy & paste that address into the address field.

Karen Hogan
Business Manager

The office will be closed from 11am on Tuesday 20th December 2022
and re open on January 30 2023

Seasons Greetings to all families!

PS. We have a new eftPos terminal in the General Office, "Tap" payments now accepted, yay! ☺

Xuno Information for families

Amsleigh Park PS uses Xuno as our main communication tool with families, including newsletter distribution, absence notifications, student reports, communication with your child's teacher, messages and reminders; and commencing in 2023, online permission forms and payments.

Xuno is a web-based school management software that has a website portal for use in a browser and an App, 'Xuno Family' for use on smart phones or tablets.

It is easy to use and is a vital tool to keep our parents informed about their child/ren's school life and all things happening at Amsleigh Park.

Parents should use Xuno to notify the school of any absences, late arrivals etc. Bookings for "Get to Know You" & Parent Teacher interviews are also managed through Xuno.

Parents can also check and update their family contact details, student medical conditions and emergency contacts. It is critical that we have up to date medical & contact details for all students, so please regularly check your details carefully and update if necessary.

For new families - On enrolment, you should have received a welcome email from Xuno (please check your junk folder if not received in your inbox), with information on how to create your Xuno account. Please follow the instructions and links in the email to create a Xuno account and password in your browser.

As Xuno is our main communication tool, it is important that all families are signed up so they are aware of our school information and events. Please contact the office if you require a Xuno welcome email to be resent.

Thank you 😊
