Welcome Back for Term 2

A warm welcome back to all for Term 2, I hope that you enjoyed a great school holiday, and some of the glorious weather in the second week I feel most fortunate that I was able to spend extended time with my family and we enjoyed some time away riding the Great Victorian Rail Trail. Getting outdoors is a great way to recharge the batteries and we hope that our students enjoyed getting out in the fresh air too!

In Term 2 we can look forward to many great school events such as: Education Week, Grade 3-4 Camp, Grade 5-6 Camp, Cross Country, the Mother's Day Stall, Winter Sport and School Aerobics competitions. Most of our classes will also be attending and participating in some great incursions and excursions. I am looking forward to a busy and productive term of learning!

Triennial School Review

We will be participating in our school review in Term 2 undertaking an in-depth evaluation of our school Strategic Plan and the many other areas that go into operating as a government primary school. We participate in this major review every four years so it's a great opportunity to both celebrate the good work we have done and then plan for the next 4 years. During this review we will be seeking feedback from parents and carers in a range of areas with more information to follow.

The review panel is made up of an independent reviewer appointed by the Department of Education, our Senior adviser from the region (SEIL), two challenge partners from outside our school (Principals from other schools), School Council President, Principal class team and nominated staff. Students also have an opportunity to give feedback about their learning and school life and there will be focus groups for parents.

Following the review we will receive an in-depth report about our school and then use this to write a new Strategic Plan 2023-2026. Look out for more information about this review and opportunities to get involved.

Easter Raffle

A very sincere thank-you to the whole Amsleigh Park PS school community for your support of our Easter Raffle in Term 1. We had 35 prizes on offer, and this generated lots of excitement for our students.

Swimming Program

Our swimming program is done for 2023. Many thanks to the parents who helped during the program, your support of this vital program is greatly appreciated. We have now received student reports from the Doug Ellis Pool and will send them home with students.

The Book Fair

We are looking forward to hosting our Book Fair for 2023 commencing on Monday 22nd May until Wed 24th May. Held in our wonderful school library this event is always a popular one and we have many families visit to stock up their home libraries. The fair is open before school from 8.15am – 8.45am and after school from 3.30pm-4.00pm.

Open Morning 2023

In 2023 we are holding an Open Morning on Wednesday 10th May from 9.30am to 11.30am to promote the school to prospective parents. The target group are families for children in 3 or 4 year old kindergarten in 2023. On the day we will have student leaders doing some tours of our school. It's important that we continue to promote our school effectively, and make sure that everyone in our local community knows where we are located.

If you have friends or neighbours who might be interested, please encourage them to come along. Existing families with children in pre-school are also welcome to come along too. As I have said before our best promotion is 'word of mouth' between parents, so we are ever reliant on our community to help out. We are also happy to run tours at other times for anyone who cannot make it on this day.

School Maintenance

Amsleigh Park PS has a great campus for our students and the whole community to enjoy. One of the challenges of having such a big campus is the ongoing maintenance required to keep it in good shape. Rarely a week goes by where we are not engaging a contractor in maintenance work around the campus. During the school holidays we had important 'tree work' around the school completed, removing trees or undertaking significant pruning. Our trees are audited annually, and we continue to monitor them regularly. Connecting our new covered walkway to the storm water system was also undertaken during this time. It makes quite a bit of difference being able to get across our yard during wet weather.

School Uniform Reminders

Sun Smart ends at the start of May, but please be aware of the weather, which can be variable at this time of year. Hopefully we will still get some sunny days, and if so then a sun smart hat is a wise choice. The UV rays can still be just as strong as in summer.

As we head into the colder months lost property becomes a big challenge, with students often misplacing their jackets or windcheaters. Having these items of clothing clearly labelled is vital, as they can quickly be returned to their owner. We are sometimes surprised to see near new jackets in the lost property box without being labelled.

For girls who prefer to wear a school dress they must wear navy leggings rather than track pants under the dress. Wet weather jackets are OK, but they are not a replacement for a bomber jacket or windcheater. Thanks in advance for assisting us to meet our uniform policy. We believe it's a fair and practical policy that offer lots of choices, without having unrealistic expectations. This policy is well supported by our non-profit uniform shop that is run for the benefit of everyone in our school community. Many schools no longer offer a uniform shop on-site and we are grateful to Libby Jumas who generously gives her time to provide this community service. It also means that our uniforms are a good deal cheaper, as we sell them at the wholesale price we pay for them.

School Camps 2023

During Term 2 our 5-6s and 3-4s will have the opportunity to attend their annual school camp for 2023. Our Camping program is a fantastic opportunity to build independence and confidence in a supported environment away from home. Our students develop many fond memories of these kind of events which are a real highlight of school life.

Winter is Coming and So is the Flu Season

As we enter the colder months of the year, it is important to remind families that whilst the restrictive days of COVID are over, there are many things we can still do to prevent the transmission of illness such as COVID/Flu/Coughs/Colds.

- 1) Stay home if unwell.
- 2) Ventilation (Air purifiers on in school)
- 3) Vaccinate
- 4) Wash hands thoroughly after going to the toilet.
- 5) Sneeze into elbow
- 6) Sanitize hands on entry to buildings.
- 7) Mask wearing

Our combined efforts to implement these above-mentioned strategies will go a long way to ensuring the overall health of all students, staff, and parents.

THE AMSLEIGH BUZZ

From Miss Carr...

Year 6-7 Transition 2023-2024

The state wide Victorian Government School Year 6-7 Transition process has commenced, with all year 6 students receiving their Transition Information Packs this week. This pack included the 'Application for Year 7 Placement 2024' form, which all students, including those attending an independent school in 2024, must **return by Friday 12th May**. Please ensure you have returned this form by the due date so your child's form may be sent off to the relevant secondary school in a timely manner.

If you would like your child to attend an Independent Secondary School, please contact them directly about the application and enrolment process, as they work with a different process than Government Secondary Schools.

If you are yet to decide on the secondary school you wish your child to attend, we encourage families to attend the Open Days and/or Nights of many secondary schools in the area to see the broad array of educational opportunities they may offer your child. Some of our local Secondary Schools have already had their open night for this year and some are scheduled for the upcoming weeks, however we encourage you to contact any schools you are interest in for a tour.

If Year 6 families have any queries about this process, please contact me at school and I'll be happy to answer your questions.

Reading Nights

It has been wonderful to see our students' nightly reading celebrated at assembly each week in the awarding of 'reading nights' certificates. Nightly reading not only develops a child's reading skills, but also their writing and spelling skills, as well as growing a love of reading over time. Congratulations to all our students who kept up their reading over the school holidays. We look forward to awarding our first 100 nights certificates this week at assembly!

Sunsmart

A reminder to families that as per our Sunsmart policy, students must wear their broad brim hats from the 1st of September to the 1st May each year. Students are also encouraged to wear broad spectrum sunscreen and sunglasses to protect themselves from UV rays. Please remind your child to have their hat at school every day, to ensure they are able to be out in the sun playing at break times.

Education Week at Amsleigh Park PS

As part of Education Week celebrations in 2023 we are holding a special '**Open Night**' for the Amsleigh Park PS community. This event will be held on **Wed 10th May from 5.00pm – 6.00pm** and is a great opportunity for parents and carers to have a walk around our school with their child/ren and look at all our wonderful learning spaces. We have not been able to do this kind of thing for the past few years and we look forward to this event. Please note this event is not to be confused with the Open Morning on the same day for prospective families looking for a school for their child in 2024 which is on the same day.

We will have a special 'Amsleigh Park Passport' competition with the challenge to visit all learning spaces and collect a stamp. All completed passports will go into a special draw for some prizes.

ASSISTANT PRINCIPAL

It was a cracking morning for our House X-Country run today. Well done to all our students, a great effort all around!

Thanks to parents and carers for helping out and Miss Hayes for getting it all organised.

Our spectators also enjoyed their time on the hill!

FROM THE SCHOOL OFFICE ADMIN TEAM.....

Family Account Information

Thanks to the families that have paid 2023 Parent Contributions.

Please ensure that a **completed Payment Advice Form is sent to the office** so invoices can be processed, and payments allocated correctly.

Copies of the 2023 Parent Contributions letter and Payment Advice forms were sent out by email and are also available from the school office or on our website. www.amsleigh.vic.edu.au

Student Medications

A reminder that a Medical Action Plan, completed by a doctor, must be provided for any student medication (eg. Ventolin, Epi Pens, severe allergy medication) stored at the school office. **We cannot store or administer any medication without an Action Plan containing instructions from a doctor.** Parents are required to provide up to date Action Plans and inform the school office of any changes to a student's medical condition / action plan.

This does not however, include occasional antibiotics. Wherever possible, parents should request antibiotic prescriptions that can be taken at home, ie Antibiotics that are required 3 times per day can be taken at home in the morning, on return from school and again at bedtime. For students that do require antibiotics at school, a parent must complete a medication authority form when handing medication into the office. All medication must be stored securely at the office for the safety of all students.

It is recommended that students with hayfever etc. take their medication at home before school.

Absences / Late Arrivals

A reminder that all absences should be reported via Xuno. This ensures that Admin staff, who process all attendance data, including late arrivals and early exits are receiving the information in the first instance. Teachers are notified of the absence/late arrival during this process. If you wish to pass on any further information to teachers, please send them an additional email. If unable to report via Xuno, absences can be advised by emailing the General Office or phoning the school and selecting "1" when prompted to leave an absence message. **Students arriving late to school must be first signed in at the office by a parent before going to class.** Parents should complete the sign in register, fill out a "Late Slip" and hand this to their child who will proceed on their own to their classroom and give the late slip to the teacher.

School Emails – Check the email address you are sending / replying to

When contacting classroom teachers, or responding to their emails via Xuno, remember to double check the 'To' address.

Many emails meant for classroom teachers are arriving in the Amsleigh Park PS inbox, along with a huge number of other daily external emails. Replying to the school inbox may delay your communication being received by the classroom teacher in a timely manner and creates extra work for Admin staff.

When responding to a teacher's email, please refer to their email address that appears within their message and copy & paste that address into the address field.

Thank you,

Karen Hogan

UNIFORM SHOP – 2nd HAND UNIFORMS & LOST PROPERTY

Thank you to the families that donate quality used uniform items back to the school. Please ensure that items are clean and have had any name labels/naming removed prior to dropping off the items. Second hand uniform items are only available to purchase during the Uniform Shop opening hours. We cannot take orders for second hand items, however requests for items to assist families experiencing financial hardship should be made at the General Office.

As stock relies on donations from parents, and changes regularly, there is no guarantee on availability of items. **Stock of second hand items is currently very low, if you have any items that you are happy to donate back to the school, please drop them into the general office. Thank you**

LOST PROPERTY – Sadly, there are many items in our lost property area in the canteen foyer. Named items are returned to class rooms by our wonderful volunteer helpers. Un-named items will be disposed of at the end of each term if not collected. **Please ensure all of your child's belongings are clearly named and regularly check the Lost Property area if you are missing any items.**

Information for families

Since the beginning of 2021, Amsleigh Park commenced using Xuno as our main communication tool with families, including newsletter distribution, absence notifications, student reports, communication with your child's teacher, messages and reminders, permission forms and online payments.

Xuno is a web-based school management program that has a website portal for use in a browser and an App, 'Xuno Family' for use on smart phones or tablets.

It is easy to use and is a vital tool to keep our parents informed about their child/ren's school life and all things happening at Amsleigh Park.

Bookings for "Get to Know You" & Parent Teacher interviews are also managed through Xuno. Parents can use Xuno to notify the school of any address/contact detail changes, absences, late arrivals, upcoming family holidays etc.

For new families - On enrolment, you should have received a welcome email from Xuno (please check your junk folder if not received in your inbox), with information on how to create your Xuno account. Please follow the instructions and links in the email, to create a Xuno account and password in your browser.

As Xuno is our main communication tool, it is important that all families are signed up so they are aware of school information and events.

Please contact the office if you require a Xuno welcome email to be resent.

Thank you,

Amsleigh Admin Team

RECYCLE, EARN & PLAY

**Our school* is taking part in the
Wonder Recycling Rewards campaign this term.**

Help us collect bread bags so we can earn points
to redeem on new RHSports equipment.

It's simple! All you need to do is keep your empty
bread bags and send them to school* with your kids!
We will then place them in Wonder's pink collection
box and post them off to be recycled. The more we
collect the more points our school* earns!

Collections close 7th July.

Tip for collecting:

Use one empty bread bag
to collect a bunch of other bags.

Did you know?

Last year, schools collected over
10 tonnes of soft plastic, that's the
weight of an elephant!

LET'S GET COLLECTING!

* Includes early learning centres and pre-schools.
