### The School Review

Over the past two weeks we have been engaged in our Triennial School Review completing the validation day and the fieldwork days. This comprehensive review is conducted by an independent person appointed by the Department of Education. The review looks deeply into a range of school operations including the school 'Strategic Plan 2019-2023'. Despite a challenging period for schools, we continue to do very well in meeting the goals and targets of the Strategic Plan.

The fieldwork day included a parent forum, student forums and meetings with teachers and support staff. Fieldwork is conducted by the reviewer who is gathering information about the school from a range of different perspectives. The reviewer then synthesizes this information together with the school's data sets and other evaluations to produce a report for our school. Her findings will then be used to develop a new strategic plan.

In her preliminary report to our school leadership group the reviewer provided a range of excellent feedback about our successes and areas we would work on in future. In her words we are a high performing school and now it's about adding further enhancements.

### Safety Week at APPS

Each term we have a special safety focus during week 5 that includes the Child Safety Standards and Occupational Health and Safety. The Child Safety standards has many varied components, and one essential aspect is empowering students with their own personal safety. Through the Daniel Morcombe Personal Safety Curriculum our students are taught to

recognise when they are not safe, react to stay safe and report any incidences or worries they have to a trusted adult. This learning is built up over time and introduces age-appropriate scenarios to discuss and explore as children build their understanding of personal safety.

The Child Safety Standards also focus on building community awareness about child abuse and taking a stand to protect children. Whilst it might be an uncomfortable topic in a primary school, we cannot be complacent when it comes to child Safety. Every child has the right to be safe and protected from abuse. Our school policies make our position very clear on this and can be accessed using the following link.

<https://amsleigh.vic.edu.au/governance/> Scroll to the bottom.

On Wednesday we also did an emergency drill so that in the unlikely event of a real emergency we would be prepared. This time around we did a 'shelter in place' during lunchtime. In this instance all students and staff proceed to the gym and sit with their class as we take shelter together. Our students did well and through these drills we are better prepared for a real emergency.

### Curriculum Day Date

Please be aware that Monday 19<sup>th</sup> June is a Curriculum Day for Amsleigh Park PS. All day care will be available with Youth Leadership Victoria. This day will be used as a term planning day for teachers to plan the learning and curriculum for Term 3.

## Our School Leaders visit to the Shrine

It was a pleasure to take our student leaders to visit the Shrine of Remembrance this week. We enjoyed a tour with a special volunteer who took us back in time to the history of the First World War. Our students were highly engaged in this tour and loved the opportunity to dress up in some hats and jackets from the Australian military. The Shrine is a very special place, and I would encourage families to visit as there are many things to learn about. It is also important that we continue to remember those who made great sacrifice to preserve our way of life. The Rotary Club of Waverley kindly sponsored this visit and we appreciate this opportunity to build our student's general knowledge and also build a culture of respect and remembrance for the future.

## The Book Fair

Our wonderful library has been extremely busy this week with the annual 'Book Fair' held from Monday to Wednesday. Thanks to those families who visited to add to their home libraries. Children love having their own books and often treasure titles they have chosen for themselves and read them many times over. The aim for us is to foster an enjoyment of reading that can lead to a lifetime of fun and learning. Sincere thanks to Library Technician, Martin and our teaching and support staff who ran the fair this week. It's brings a lot of excitement into the school day to have a special event such as this.

## Working Bee Thanks

Our hard-working team of parents, carers and students took on the weather last Friday night to complete a good clean up around the garden near the Art room. Thanks to the families who came along to help even with the weather conditions cold and miserable. Shout out to Laura Harrison and Justin Scott, who organise the working bee program, we really appreciate it.

## The Annual Report for 2022

We have completed the annual general meeting for 2022 and the report is now posted on our school website for anyone who would like to read it. There is a lot to celebrate in our annual report as shown by the range of data published. The annual report format is set by the Department of Education and all schools report on the same data sets. As you will see we compare favourably.

The link to our website follows: [https://amsleigh.vic.edu.au/wp-content/uploads/2023/05/arc\\_2022\\_5428.pdf](https://amsleigh.vic.edu.au/wp-content/uploads/2023/05/arc_2022_5428.pdf)

## Excursions and Bus Costs

We would like to inform parents and carers that the cost of hiring buses for excursions and sports has increased significantly in the past 12 months. You may have noticed this already in 2023. It does concern us to see these increases and we always shop around for good value across the range of companies we normally use. Rest assured there is no compromise on the quality of the buses we hire which are all seat belted coaches. When we organise sport or excursions we only charge what it costs our school which is normally the bus fare the price of the event or venue being visited. If a child did not attend an excursion or event due to illness and where we have not incurred costs, we will refund that money. This is decided on a case-by-case basis as detailed in our refunds policy. This can be found on our website:

## Reconciliation Week

Next week is National Reconciliation Week 2023 (27<sup>th</sup> May - 3<sup>rd</sup> June). The theme for this year is 'Be a voice for generations.' During the week our classes are encouraged to explore the topic to further build cultural understanding and promote cultural safety for indigenous children at Amsleigh Park PS.

## FROM THE SCHOOL OFFICE ADMIN TEAM.....

### Family Account Information

Thanks to the families that have paid 2023 Parent Contributions.

Please ensure that a **completed Payment Advice Form is sent to the office** so invoices can be processed, and payments allocated correctly.

Copies of the 2023 Parent Contributions letter and Payment Advice forms were sent out by email and are also available from the school office or on our website. [www.amsleigh.vic.edu.au](http://www.amsleigh.vic.edu.au)

### Student Medications

A reminder that a Medical Action Plan, completed by a doctor, must be provided for any student medication (eg. Ventolin, Epi Pens, severe allergy medication) stored at the school office. **We cannot store or administer any medication without an Action Plan containing instructions from a doctor.** Parents are required to provide up to date Action Plans and inform the school office of any changes to a student's medical condition / action plan.

This does not however, include occasional antibiotics. Wherever possible, parents should request antibiotic prescriptions that can be taken at home, ie Antibiotics that are required 3 times per day can be taken at home in the morning, on return from school and again at bedtime. For students that do require antibiotics at school, a parent must complete a medication authority form when handing medication into the office. All medication must be stored securely at the office for the safety of all students.

It is recommended that students with hayfever etc. take their medication at home before school.

### Absences / Late Arrivals

**A reminder that all absences should be reported via Xuno.** This ensures that Admin staff, who process all attendance data, including late arrivals and early exits are receiving the information in the first instance. Teachers are notified of the absence/late arrival during this process. If you wish to pass on any further information to teachers, please send them an additional email. If unable to report via Xuno, absences can be advised by emailing the General Office or phoning the school and selecting "1" when prompted to leave an absence message. **Students arriving late to school must be first signed in at the office by a parent before going to class.** Parents should complete the sign in register, fill out a "Late Slip" and hand this to their child who will proceed on their own to their classroom and give the late slip to the teacher.

### School Emails – Check the email address you are sending / replying to

When contacting classroom teachers, or responding to their emails via Xuno, remember to double check the **'To'** address.

Many emails meant for classroom teachers are arriving in the Amsleigh Park PS inbox, along with a huge number of other daily external emails. Replying to the school inbox may delay your communication being received by the classroom teacher in a timely manner and creates extra work for Admin staff.

When responding to a teacher's email, please refer to their email address that appears within their message and copy & paste that address into the address field.

Thank you,

Karen Hogan  
Business Manager

## Information for families

Since the beginning of 2021, Amsleigh Park commenced using Xuno as our main communication tool with families, including newsletter distribution, absence notifications, student reports, communication with your child's teacher, messages and reminders, permission forms and online payments.

Xuno is a web-based school management program that has a website portal for use in a browser and an App, 'Xuno Family' for use on smart phones or tablets.

It is easy to use and is a vital tool to keep our parents informed about their child/ren's school life and all things happening at Amsleigh Park.

Bookings for "Get to Know You" & Parent Teacher interviews are also managed through Xuno. Parents can use Xuno to notify the school of any address/contact detail changes, absences, late arrivals, upcoming family holidays etc.

For new families - On enrolment, you should have received a welcome email from Xuno (please check your junk folder if not received in your inbox), with information on how to create your Xuno account. Please follow the instructions and links in the email, to create a Xuno account and password in your browser.

**As Xuno is our main communication tool, it is important that all families are signed up so they are aware of school information and events.**

Please contact the office if you require a Xuno welcome email to be resent.

Thank you,

Amsleigh Admin Team
