### 100 Days of Prep

It's been a big week for our preppies who celebrated their 100th day of school. On Wednesday they enjoyed dressing up as '100 year olds' and they looked fantastic as you can see in the photos below. Many thanks to parents who went to a lot of trouble to help with this dress up experience. On Thursday we all enjoyed watching our preps at their 100 days of school celebration night, with parents and friends along to cheer them on. A hearty congratulations to our wonderful preps! It's so great to watch you learn and grow in your first year of school.

### Well Done Enviro-stars

Our champions of sustainability, the Enviro-Stars, are working hard to make a difference at Amsleigh Park PS. Each week the class reps support their grades to collect compost and encourage others to bring nude food lunches. Over the past few years each successive group has taken up the challenge and built upon the good work of the year before. For example, some years ago the Enviro Stars introduced us to idea of bringing nude food one day a week, and now many students and staff bring it every day. In 2023 we celebrate the class who has brought the most nude food each Friday at assembly. We are also looking forward to being part of a FOGO trial so that the waste we produce goes to the right place and can be used for a purpose. Well done and congratulation to our enviro champions and thanks to staff, Mrs Bianco and Frau Salles, with great support from the PFA, for working with this group.

### School Production Ticketing – Special Requirements

Ticket sales for this year's school production are being organised with information to come out within the next week. Prior to the tickets going on sale we would like to know about any person who may have special requirements for the show such as, wheel chair access and seating or disabled parking spots. Please email the school and let us know as soon as possible. [amsleigh.park.ps@education.vic.gov.au](mailto:amsleigh.park.ps@education.vic.gov.au)

### Working Bee – this Saturday

We have received 20 cubic metres of mulch to top up the 3-6 playgrounds and this will be the focus of the working bee on Saturday. Our PFA are hoping to get a good group along to help move the mulch, which is a job that is best with lots of helpers. If you can spare an hour it would be greatly appreciated. Many thanks to Laura Harrison and the PFA for their great support in organising the working bee program for Amsleigh Park.

## 2023 Parent / Caregiver / Guardian Opinion Survey

Our school is conducting a survey to find out what parents / caregivers / guardians think of our school. The Parent / Caregiver / Guardian Opinion Survey is an annual survey offered by the Department of Education that is designed to assist schools in gaining an understanding of families' perceptions of school climate, student behaviour, and student engagement. The survey is optional, but we encourage all families to participate. Our school will use the survey results to help inform and direct future school planning and improvement strategies.

In 2023 all families are invited to participate in the survey. The Parent / Caregiver / Guardian Opinion Survey will be open from Monday 7 August to Friday 8 September 2023.

The survey will be conducted online, only takes 20 minutes to complete, and can be accessed at any convenient time within the survey period on desktop computers, laptops, tablets or smartphones. The online survey will be available in English and 10 other languages including Arabic, Greek, Hakha Chin, Hindi, Japanese, Punjabi, Simplified Chinese, Somali, Turkish, and Vietnamese.

The results of the survey are analysed by staff and the school council who look for trends that might need addressing in the community. For example, the survey might indicate that parents and carers would like more information about an area of the school and we can then address this in the newsletter or other communications.

All families will be invited to participate in the survey and an email will be sent on Friday with a link to the survey and the school's PIN number. Families should only complete the survey once.

### Book Week

We will be celebrating 'Book Week' from the 16<sup>th</sup> – 25<sup>th</sup> August with a whole range of events and activities to get involved in. Please see the flyer attached for more information. It's great to see our Student Representative Council getting involved in the event with a great initiative to undertake a Book Swap and Character dress up day to support the Indigenous Literacy Foundation. Our students can also look forward to a special visit by author and illustrator, Nicky Johnston who will talk about how she does her work. Adding this to a Pyjama day at school, it's an action packed time to celebrate the wonderful world of books.

### The Sports Pavillion

Our fantastic sports pavilion has now been in use for 12 months and continue to be a very valuable asset to our school and the local community. With a hot summer expected later this year having this kind of facility will provide additional shaded areas for children to play. Over the past 12 months we have added 900m<sup>2</sup> of new shade to the school through new sails, the sports pavilion and covered walkway. We now have many options for students and families looking for a shady spot to play or relax. You may have noticed the sails over the 3-6 playground are currently taken down as we need new ones, and rest assured they will be in place before the hot weather arrives.

### Library and Information Service Week

This week the important role that Libraries play in learning and recreation is being celebrated through Library and Information Service Week. We are fortunate to have a great library at Amsleigh Park that offers all our students a rich array of fiction and non-fiction books to borrow and enjoy. As children progress through their school life the library also becomes an important source of information related to learning and research.

### Safe to School

Our school crossing provider has asked that we remind all parents, carers and children about using the school crossings safely. We are fortunate that we have crossing on both State and Dublin Street, so our students can use a supervised crossing at a busy time of day. There are also crossing supervisors at the main intersections on Huntingdale Road. Please see the information handout included with this newsletter.

## Resilience, Rights and Respectful Relationships

In 2023, Resilience, Rights and Respectful Relationships education is being taught as part of the Victorian curriculum. At Amsleigh Park, we all want our students to have an education that gives them the best start to a happy, healthy, and prosperous life. This approach can lead to positive change in students' academic outcomes, their wellbeing, classroom behaviour, and students' relationships with one another, their teachers and families. The Resilience, Rights and Respectful Relationships program is one way we aim to provide this for our students.

Resilience, Rights and Respectful Relationships ('The Rs'), takes a whole-school approach, recognising that schools are a place of learning, a workplace and a key part of local communities. It embeds a culture of respect and equality across our entire school community, from our classrooms to staffrooms, sporting fields, and community events.

In the classroom, students will learn problem-solving skills, to develop empathy, support their own wellbeing and build healthy relationships with others. The initiative will also provide resources to best support children and staff who are affected by family violence. The Resilience, Rights and Respectful Relationships program was born after the Royal Commission into family violence. Sadly, the prevalence of family violence and impact on children continues to be of great concern. It was a recommendation from the Royal Commission that all schools teach Resilience, Rights and Respectful Relationships Education through a Whole School Approach, to support students to recognise and regulate emotions, develop empathy for others and establish and build a framework for positive relationships.

The Resilience, Rights and Respectful Relationships teaching and learning materials have been developed to support schools to deliver the curriculum and are mandated to be taught in all Victorian government schools. At Amsleigh Park, we have begun with a focus on three of the eight program topics, with

- Emotional Literacy: This helps students develop the ability to be aware of, understand and use vocabulary about the emotional states of themselves and others with competence.
- Personal Strengths: Students develop a vocabulary to help them recognise and understand various strengths and positive qualities in themselves and others. They identify the strengths they admire in others and those they need to draw on to engage with the challenges and opportunities that life presents.
- Positive Coping: Students develop language around coping, critically reflect on their coping strategies and extend their repertoire of positive coping strategies.

Over the rest of this year and into future years, we will further implement this program.

To learn more about The Rs program, we **invite all parents and carers to an information session at Amsleigh Park on Wednesday 11<sup>th</sup> October at 6pm.** Department of Education Health and Wellbeing staff will facilitate this, along with Amsleigh Park staff. We encourage all parents and carers to come along.

Further information about Respectful Relationships is available on the Department of Education and Training website: <https://www.vic.gov.au/respectful-relationships>

### Curriculum Days 2023

We have two remaining curriculum days left for 2023. The next day will be on Thursday 7<sup>th</sup> September. Our teaching and support staff will be learning about the teaching of Mathematics on this day. In Term 4 we will have a final curriculum day on Wednesday 15<sup>th</sup> November for the purpose of assessment and reporting. All day care will be available for any families who require it with Youth Leadership Victoria. Please see YLV staff for bookings.

## FROM THE SCHOOL OFFICE ADMIN TEAM.....

### Family Account Information

Thanks to the families that have paid 2023 Parent Contributions.

Please ensure that a **completed Payment Advice Form is sent to the office** so invoices can be processed, and payments allocated correctly.

Copies of the 2023 Parent Contributions letter and Payment Advice forms were sent out by email and are also available from the school office or on our website. [www.amsleigh.vic.edu.au](http://www.amsleigh.vic.edu.au)

### Student Medications

A reminder that a Medical Action Plan, completed by a doctor, must be provided for any student medication (eg. Ventolin, Epi Pens, severe allergy medication) stored at the school office. **We cannot store or administer any medication without an Action Plan containing instructions from a doctor.** Parents are required to provide up to date Action Plans and inform the school office of any changes to a student's medical condition / action plan.

This does not however, include occasional antibiotics. Wherever possible, parents should request antibiotic prescriptions that can be taken at home, ie Antibiotics that are required 3 times per day can be taken at home in the morning, on return from school and again at bedtime. For students that do require antibiotics at school, a parent must complete a medication authority form when handing medication into the office. All medication must be stored securely at the office for the safety of all students.

It is recommended that students with hayfever etc. take their medication at home before school.

### Absences / Late Arrivals

**A reminder that all absences should be reported via Xuno.** This ensures that Admin staff, who process all attendance data, including late arrivals and early exits are receiving the information in the first instance. Teachers are notified of the absence/late arrival during this process. If you wish to pass on any further information to teachers, please send them an additional email. If unable to report via Xuno, absences can be advised by emailing the General Office or phoning the school and selecting "1" when prompted to leave an absence message. **Students arriving late to school must be first signed in at the office by a parent before going to class.** Parents should complete the sign in register, fill out a "Late Slip" and hand this to their child who will proceed on their own to their classroom and give the late slip to the teacher.

### School Emails – Check the email address you are sending / replying to

When contacting classroom teachers, or responding to their emails via Xuno, remember to double check the **'To'** address.

Many emails meant for classroom teachers are arriving in the Amsleigh Park PS inbox, along with a huge number of other daily external emails. Replying to the school inbox may delay your communication being received by the classroom teacher in a timely manner and creates extra work for Admin staff.

When responding to a teacher's email, please refer to their email address that appears within their message and copy & paste that address into the address field.

Thank you,

Karen Hogan  
Business Manager

Happy  
Birthdays!

## Information for families

Since the beginning of 2021, Amsleigh Park commenced using Xuno as our main communication tool with families, including newsletter distribution, absence notifications, student reports, communication with your child's teacher, messages and reminders, permission forms and online payments.

Xuno is a web-based school management program that has a website portal for use in a browser and an App, 'Xuno Family' for use on smart phones or tablets.

It is easy to use and is a vital tool to keep our parents informed about their child/ren's school life and all things happening at Amsleigh Park.

Bookings for "Get to Know You" & Parent Teacher interviews are also managed through Xuno. Parents can use Xuno to notify the school of any address/contact detail changes, absences, late arrivals, upcoming family holidays etc.

For new families - On enrolment, you should have received a welcome email from Xuno (please check your junk folder if not received in your inbox), with information on how to create your Xuno account. Please follow the instructions and links in the email, to create a Xuno account and password in your browser.

**As Xuno is our main communication tool, it is important that all families are signed up so they are aware of school information and events.**

Please contact the office if you require a Xuno welcome email to be resent.

Thank you,

Amsleigh Admin Team
