- Your booklists are customisable, with an added incentive to order the full pack early. **This discount equates to \$11.30 inc GST which includes free home delivery and packing fee.**
- Home delivery is free for all full orders placed before 11pm on December 4. **Full packs ordered after December 4 will incur a \$6.95 delivery fee but will continue to receive the packing discount. If not ordering full packs, a packing fee of \$4.35 and home delivery fee of \$6.95 will apply.**
- To keep cardboard packaging to a minimum, if you order 2 or more packs in the same transaction, they will be picked together. You will need to reference your pick list and emailed invoice for the separation of pack contents.
- Grade 1 to Grade 6 have optional extra's, so that if you have misplaced or broken an item from the current year (such as headphones or the My Personal Dictionary) you can re-purchase them for next year.

We encourage early orders to be placed so that your home deliveries can arrive before Christmas and late fees can be avoided.

For any issues with your sign up, or delivery issues, please contact Office Corporate directly at info@booklistorders.com.au and advise which school you are creating an account for or your web order number.
