

How to enrol at Amsleigh Park Primary School

Victorian government school enrolments for Foundation (Prep) for the 2025 school year will open on Monday 15 April 2024, the start of Term 2.

This year, our school will use an online system for new enrolments. All Victorian government primary schools in the Inner East and Outer East areas of the North East Victoria Region are using this online system.

The online system will be available for parents and carers who are applying to enrol their child in Foundation (Prep) for 2025. The online application can be completed on laptops, PC's and mobile phones. The online system will also allow you to upload documented proof of residential address.

Families are asked to submit online enrolment applications before Friday 26 July 2024. The link to apply online for a place at Amsleigh Park Primary School will be available from the beginning of Term 2 (April 15). Prior to April 15, you can indicate your interest in enrolling in our school by leaving your contact details including email address, with our school office, and we will email the link to you when the system becomes available.

It is important to note that the Victorian government school placement policy is followed by all government schools. You can view the placement policy here: <https://www2.education.vic.gov.au/pal/enrolment/guidance/placement-policy>. Your chances of being offered a place in a school you apply for are not advantaged or disadvantaged by using the online enrolment system.
