## Principal Team Report

### Term 1 Reflection

I want to start by saying a sincere thank-you to everyone in the Amsleigh Park PS community for making Term 1 such a wonderful time of learning for our students. Through the great partnership between our teaching/support staff and parents/carers, our students have enjoyed a successful and productive term. Our classes have settled into excellent routines and there is an obvious engagement that is observable in each class. Many thanks to our fantastic teaching and support staff who have done an outstanding job to create their class communities and set up our students for a productive year of learning. I feel very privileged to be the leader of such as talented and committed staff. During Term 1 our students have enjoyed many learning opportunities all starting with our 'learning to learn' program. It's during this time that our teachers establish the expectations for their class so that time can be spent productively on learning and personal development. In 2024 we had a special focus on building a 'growth mindset' so that our students would know that it takes effort and perseverance to be a successful learner. Sometimes it is hard to get children to step outside their comfort zone and having a growth mindset is a great message that encourages them to keep persisting when learning is challenging.

Getting together as a community is very important for building connections and the Foundation Fiesta, Twilight Sports night, working bee and coffee morning were all great opportunities to do so. We thank all families who came along to enjoy these events and supporting our community building. Special thanks to our parents and friends who provided a lot of support along the way for these events, it is greatly appreciated.

Camps, sports, incursions, excursions and swimming added plenty of variety to Term 1 and gave students opportunities to showcase some of their talents. Our 5/6s went to Camp Sunnystones and had a great time, enjoying a special opportunity to camp out in tents. Many thanks to the teaching and support staff who worked with Miss Carr to make this such a wonderful experience.

Wrapping up for Term 1, I want to say thanks to the community for supporting and upholding our school values of respect, inclusion and integrity. Upholding these values gives our community a solid foundation on which to build connections and enables the development of a harmonious and caring environment.

### Thanks to Charmian

One of our wonderful education support team, Mrs Charmian Lonnen, is finishing up at APPS at the end of this term. Charmian has been at our school since joining us in 2014 and has made a great contribution to our school. Supporting many individuals and groups, Charmian has provided outstanding care to many, and she will be greatly missed by all our staff and students. We will miss her patience, kindness and dedication to helping those children who need it most. Charmian is going to be focussing on her other great passion, the teaching of singing, and we wish her every success and happiness in this endeavour. On behalf of everyone at APPS I would like to say a heartfelt thanks to Charmian, we will all miss her greatly.

## Swimming Thanks

Our great thanks to all the parents and carers who have been supporting the swimming program in 2024. We appreciate your assistance with our students and enabling us to provide this important program. We sometimes get asked why we do an intensive program like this and one of the main reasons is that it is known to be better if students get a chance to practice their skills every day. Their skills develop over a short period of time and can then be built upon each year. Going weekly works ok but is not as good as the intensive programs. Thanks to our teaching and support staff who also support swimming by making sure our students get to their lessons safely and participate to the best of their ability. It's not that nice being at a humid pool every day so their commitment is appreciated.

## OSHC Fees

Users of the OSHC service with Youth Leadership Victoria should note that any enquires about fees and charges can now be directed to coordinator, Aisha, rather than contacting their head office. This should help as Aisha can then investigate any questions or queries families may have. Having their service is of vital importance to our community and we are appreciative to have a 'non-profit' provider as their costs are significantly cheaper than many other services. Whilst YLV do not aim to make a profit they must cover their costs. Please help us to maintain the service by keeping up with the payment of fees and ensure they do not need to be increased. After the Childcare Benefit, (CCB) attending this service can be very cheap for families.

**Please note that parents and carers must ensure to register their child for the CCB with Centrelink to access reduced costs.** Any issues with this can only be resolved by Centrelink as YLV have no ability to help with any matters related to CCB. If a child is not registered for CCB or there are any issues with it at Centrelink the family will be charged the full cost.

## Well Done Riaan!

We have a budding young golf pro in our midst with Riaan from Grade 1 heading to the US Kids Golf World Championship in August 2024. I've seen Riaan hit a golf ball and he gives it a good crack. Any golfers out there will know that it's a challenging game, so to see talent at this young age is very impressive. We would like to wish Riaan all the best for his preparations and the tournament.

## The Easter Raffle

Thanks to the many families who have donated an Easter treat to our annual raffle prizes. Our PFA have been working in the school this week making up many delicious baskets so we will have 61 great prizes for students to share with their families. Raffle tickets have been distributed so, as the old saying goes, 'got to be in it to win it!' The Easter Raffle will be drawn on Thursday 28<sup>th</sup> April at our special assembly starting at 2.45pm. I think this is a school record for the number of prizes.

## School Council Executive

Our school council have now elected executive positions for 2024. Thank you very much to the following parents who are fulfilling executive roles on our School Council.

School Council President – Ana Meyborg

School Council Vice President – Kylie Champion

School Council Treasurer – Steve Ikin

We greatly appreciate your valued contribution to our School Council, and volunteering on behalf of all parents in our community to perform this role.

## Staff Car Park Concerns

We have mentioned in quite a few previous newsletters that parents and students should not walk through the staff car park of Oakleigh Street. The message however is not being followed by some families who persist despite our requests. It might not seem like a big deal, but it does compromise safety as we do have staff arriving at all different times during the morning. Please use the pedestrian access, which is just a very small detour to maximise our safety routines.

## Happy Holidays

We wish everyone a safe and happy holiday. We look forward to seeing you all on Monday 15<sup>th</sup> April for another exciting term of learning and fun!

*Until next time,*

## FROM THE SCHOOL OFFICE ADMIN TEAM.....

### Family Account Information

Thank you to the families that have paid 2024 Parent Contributions. We appreciate your support of our school.

A copy of the 2024 Parent Contributions Information letter is available on our website. [www.amsleigh.vic.edu.au](http://www.amsleigh.vic.edu.au)

### Student Medications

A reminder that a Medical Action Plan, completed by a doctor, must be provided for any student medication (eg. Ventolin, Epi Pens, severe allergy medication) stored at the school office.

**We cannot store or administer any medication without an Action Plan containing instructions from a doctor.**

Parents are required to provide up to date Action Plans and inform the school office of any changes to a student's medical condition / action plan.

This does not however, include occasional antibiotics. Wherever possible, parents should request antibiotic prescriptions that can be taken at home, ie Antibiotics that are required 3 times per day can be taken at home in the morning, on return from school and again at bedtime. For students that do require antibiotics at school, a parent must complete a medication authority form when handing medication into the office.

**All medication must be stored securely at the office for the safety of all students.**

It is recommended that students with hayfever etc. take their medication at home before school.

### Absences / Late Arrivals

**A reminder that all absences should be reported via Xuno.** This ensures that Admin staff, who process all attendance data, including late arrivals and early exits, are receiving the attendance information in the first instance. Teachers are notified of the absence/late arrival during this process. If you wish to pass on any further information to teachers, please send them an additional email. If unable to report via Xuno, absences can also be advised by emailing the General Office or phoning the school and selecting "1" when prompted to leave an absence message.

**Students arriving late to school must be first signed in at the office by a parent before going to class.**

Parents should complete the sign in register, fill out a "Late Slip" and hand this to their child who will proceed on their own to their classroom and give the late slip to the teacher.

### School Emails – Check the email address you are sending / replying to

When contacting classroom teachers, or responding to their emails via Xuno, remember to double check the 'To' address.

Many emails meant for classroom teachers are arriving in the Amsleigh Park PS inbox, along with a huge number of other daily external emails.

Replying to the school inbox may delay your communication being received by the classroom teacher in a timely manner and creates extra work for Admin staff.

When responding to a teacher's email, please refer to their email address that appears within their message and copy & paste that address into the address field.

Thank you,

Karen Hogan  
Business Manager

## Information for families

Amsleigh Park uses Xuno as our main communication tool with families, including newsletter distribution, absence notifications, student reports, communication with your child's teacher, messages and reminders, event approvals and online payments.

Xuno is a web-based school management program that has a website portal for use in a browser and an App, 'Xuno Family' for use on smart phones or tablets.

It is easy to use and is a vital tool to keep our parents informed about their child/ren's school life and all things happening at Amsleigh Park.

Bookings for "Get to Know You" & Parent Teacher interviews are also managed through Xuno.

Parents can use Xuno to notify the school of any address/contact detail changes, absences, late arrivals, upcoming family holidays etc.

For new families - On enrolment, you should have received a welcome email from Xuno (please check your junk folder if not received in your inbox), with information on how to create your Xuno account. Please follow the instructions and links in the email to create a Xuno account and password.

**As Xuno is our main communication tool, it is important that all families are signed up so they are aware of school information and events and can easily inform the school of their child's absences and contact detail changes.**

Please contact the office if you require a Xuno welcome email to be resent or a password reset.

Thank you,

Amsleigh Admin Team

## FINANCIAL ASSISTANCE INFORMATION FOR PARENTS

Every Victorian child should have access to the world of learning opportunities that exist beyond the classroom. The Camps, Sports and Excursions Fund helps ensure that no student will miss out on the opportunity to join their classmates for important, educational and fun activities. It is part of making Victoria the Education State and the Government's commitment to breaking the link between a student's background and their outcomes.

### CAMPS, SPORTS & EXCURSIONS FUND (CSEF)

School camps provide children with inspiring experiences in the great outdoors. Excursions encourage a deeper understanding of how the world works while sports teach teamwork, discipline and leadership. All are a part of a healthy curriculum.

CSEF is provided by the Victorian Government to assist eligible families to cover the costs of school trips, camps and sporting activities.

If you hold a valid means-tested concession card or are a temporary foster parent, you may be eligible for CSEF. A special consideration category also exists for asylum seeker and refugee families. The allowance is paid to the school to use towards expenses relating to camps, excursions or sporting activities for the benefit of your child.

The annual CSEF amount per student is:

- \$150 for primary school students
- \$250 for secondary school students

### MORE INFORMATION

For more information about CSEF visit:

<https://www.education.vic.gov.au/about/programs/Pages/csef.aspx>

### HOW TO APPLY

New applicants should contact the school office to obtain a CSEF application form.

If you applied for CSEF at your child's school last year, you do not need to complete an application form this year unless there has been a change in your family circumstances.

You only need to complete an application form if any of the following changes have occurred:

- **new student enrolments;** your child has started or changed schools this year.
- **changed family circumstances;** such as a change of custody, change of name, concession card number, or new siblings commencing this year.

Check with the school office if you are unsure.

## PROGRESSIVE EDUCATION NEEDS NUTURING WITH COMPASSION

We know from our observations, insights, data and research that the education needs of our young people has changed during and after the pandemic. It is well reported that students reading, writing and numeracy has declined with gaps in expected learning; mental health issues are skyrocketing; family challenges are more prevalent resulting in attendance and behaviour concerns; and identity and connection for the young is waning.

Targeted curriculum, assessment and pedagogy will engage and provide necessary skills for life. Importantly, it will be a place for boys to grow spiritually, academically, socially and physically.

Our Mannix Years 7 and 8 precinct campus is a response to the challenges to provide a safe and welcoming home dedicated to a 12-14-year-old needs and stage of development.

It will be an environment where there will be hope and optimism to ensure every boy develops his identity and purpose.

McIlldowie Partner architects have worked in partnership with the College to develop an exciting Master Plan and Stage 1 Year 7 and 8 Precinct.

This new precinct will allow our Charter to be lived out and developments that will improve learning and teaching and wellbeing for our students.

## Who We Are and What We Do!

Oakleigh Occasional Care is a co-operative which provides childcare to the parents in the Monash Municipality.

Babies and Pre-schoolers are cared for in a friendly environment while parents have time to shop, work, keep an appointment, or just be alone. It is also a good place to make friends and to become aware of the services provided in the community.

We are a "non-profit" organisation. The Monash City Council provides us with our premises for each centre; we meet all other expenses by a low cost, yet competitive fee structure.

The children are cared for by our trained Childcare Professionals. Our staff plan a program of learning experiences, based on their observations of the children and their knowledge of designing a "Multi-aged Program", from babies to school aged.

The program is designed to foster the children's development in an environment that is safe and secure.

Please feel free to visit any of our centres and have a friendly chat with the Program Leader or the parents utilising this fantastic Community Service. Enrol Now...
