## Principal Team Report

### Welcome Josef Chehouri

We are pleased to introduce our new German Language Assistant, Mr Josef Chehouri, to the Amsleigh park PS school community. Josef has travelled all the way from Germany to take up this position. He is from Nordhorn in the German State of Lower Saxony, which is close to the Netherlands. Josef is studying to be a teacher at the Goethe University Frankfurt with majors in Business Administration/Economics and English. Taking up this great opportunity to work as a Language Assistant will be a big support to his future teaching career in Germany. Josef will be working at Amsleigh Park on Monday and Tuesday and then Brentwood Secondary College on Wednesday and Thursday. We are very fortunate to have this great resource, and students in German classes get the added benefit of having an extra language speaker to support their language learning.

### The Mother's Day Stall

Our wonderful PFA are once again running the Mother's Day Stall at Amsleigh Park, so our students will have the opportunity to purchase their own gift for mum. It's very important that children are empowered to make their choice of a gift. They feel very proud of their choice of gift and enjoy the thought of being able to give this to mum on that special moment. On behalf of everyone at Amsleigh Park I want to say sincere thanks to the PFA and the many helpers who will come along on the day to help with the stall.

### Department of Health Alert

A health alert has been issued by the Victorian Department of Health about the danger of consuming potentially poisonous mushrooms, particularly death cap mushrooms and yellow staining mushrooms. These mushrooms commonly grow in both metropolitan Melbourne and regional Victoria. You can view images of the 2 poisonous mushrooms on the Better Health Channel's Mushroom poisoning webpage.

<https://www.betterhealth.vic.gov.au/health/healthyliving/fungi-poisoning>

The toxin in death cap mushrooms remains even after cooking, peeling or drying. If ingested, poisoning can cause nausea, stomach cramps and/or long-term liver damage resulting in death. Yellow staining mushrooms look like field mushrooms commonly found in supermarkets but can be harmful if consumed. Symptoms experienced after consumption include nausea, stomach cramps, vomiting and diarrhoea. Please remind your children, as will we at school, to not pick or eat wild mushrooms. Please let them know about the dangers of these mushrooms and reinforce to them not to touch any mushrooms they find.

### Class Newsletters

Over the next week or so you will receive the Term 2 class newsletter from the teaching team at your child's year level. Our teaching teams write a detailed newsletter each term with information about the learning focus for the term and other events planned. These newsletters are a 'must read' if you wish to stay informed about what your child is doing at school. Our teaching staff put a great deal of effort into the production of this newsletter in order that all parents and carers have access to this information, and we hope that you find this helpful.

## Foundation Enrolment 2025

Applications for enrolment at Amsleigh Park are now open so if you have a child starting school in 2025 now is the time to put in your application. The process has changed from previous years and now all families must apply online, even if you are an existing member of our school community. It's a easy process and the office can provide further information for anyone who needs it. Please go to the 'Vic Students' portal to get started: <http://students.educationapps.vic.gov.au/s/>

## Using our School Grounds After School

We are happy for families and students to use the Amsleigh Park grounds after school and on weekends. As highly valuable open green space it's a great place to enjoy some outdoor recreation. To access the school grounds on weekends you should enter via the front gates near after school care building as most of the other gates will be locked. Many schools lock their grounds up on weekends out of concern that they will be vandalised, but we have opted to keep them open rather than waste this great space. If you do happen to notice anyone up to no good please let us know or call the police if it looks serious. During the school week we ask that students do not return to school until after 4.00pm so there is no confusion for the yard duty teacher who will be looking for any students who have not been collected.

From Miss Carr....

## Medications at school

From time to time, students will need to take medication at school, such as antibiotics, drops etc... when they are unwell. Other students will need regular medication as part of managing their health and wellbeing and our school is happy to support these needs.

A reminder to all families that all types of medication (including health supplements etc...) must be registered at the office, for an adult to administer, or supervise the administration of.

It is not appropriate for a student to have on their person, any medication or health supplement, for safety reasons. The only exception to this, is when a doctor has advised us, as part of an asthma plan, that a student is to carry a reliever on them, in addition to their asthma medication kept in the school office. Thanks for your help with this, ensuring our students stay safe and well.

## Pancake Parlour Partnership

We have joined with Pancake Parlour, as a school reward partner.

The Pancake Parlour have generously supplied us with some reward vouchers, which we'll use to celebrate students reaching 300 reading nights, toward the end of the year!

As part of our partnership, each time an Amsleigh Park family goes to the Pancake Parlour, our school will earn points. For every 1000 points gained, we'll be given more vouchers to award to our students and families.

Thanks to the Pancake Parlour!

## Year 6-7 Transition 2024-2025

An important reminder to our Year 6 families, that the 'Application for Year 7 Placement 2025' form, which all students, including those attending an independent school in 2025, must complete, is due back next Friday 10th May. Please ensure you have returned this form by the due date so your child's form may be sent off to the relevant secondary school in a timely manner.

If Year 6 families have any queries about this process, please contact Trish Jones [patricia.jones@education.vic.gov.au](mailto:patricia.jones@education.vic.gov.au) and she'll be happy to answer your questions.

Until next time,

**Michael Cormick**  
Principal

**Bec Carr**  
Assistant Principal

## FROM THE SCHOOL OFFICE ADMIN TEAM.....

### Family Account Information

Thank you to the families that have paid 2024 Parent Contributions. We appreciate your support of our school.

A copy of the 2024 Parent Contributions Information letter is available on our website. [www.amsleigh.vic.edu.au](http://www.amsleigh.vic.edu.au)

### Student Medications

A reminder that a Medical Action Plan, completed by a doctor, must be provided for any student medication (eg. Ventolin, Epi Pens, severe allergy medication) stored at the school office.

**We cannot store or administer any medication without an Action Plan containing instructions from a doctor.**

Parents are required to provide up to date Action Plans and inform the school office of any changes to a student's medical condition / action plan.

This does not however, include occasional antibiotics. Wherever possible, parents should request antibiotic prescriptions that can be taken at home, ie Antibiotics that are required 3 times per day can be taken at home in the morning, on return from school and again at bedtime. For students that do require antibiotics at school, a parent must complete a medication authority form when handing medication into the office.

**All medication must be stored securely at the office for the safety of all students.**

It is recommended that students with hayfever etc. take their medication at home before school.

### Absences / Late Arrivals

**A reminder that all absences should be reported via Xuno.** This ensures that Admin staff, who process all attendance data, including late arrivals and early exits, are receiving the attendance information in the first instance. Teachers are notified of the absence/late arrival during this process. If you wish to pass on any further information to teachers, please send them an additional email. If unable to report via Xuno, absences can also be advised by emailing the General Office or phoning the school and selecting "1" when prompted to leave an absence message.

**Students arriving late to school must be first signed in at the office by a parent before going to class.**

Parents should complete the sign in register, fill out a "Late Slip" and hand this to their child who will proceed on their own to their classroom and give the late slip to the teacher.

### School Emails – Check the email address you are sending / replying to

When contacting classroom teachers, or responding to their emails via Xuno, remember to double check the 'To' address.

Many emails meant for classroom teachers are arriving in the Amsleigh Park PS inbox, along with a huge number of other daily external emails.

Replying to the school inbox may delay your communication being received by the classroom teacher in a timely manner and creates extra work for Admin staff.

When responding to a teacher's email, please refer to their email address that appears within their message and copy & paste that address into the address field.

Thank you,

Karen Hogan  
Business Manager

## Information for families

Amsleigh Park uses Xuno as our main communication tool with families, including newsletter distribution, absence notifications, student reports, communication with your child's teacher, messages and reminders, event approvals and online payments.

Xuno is a web-based school management program that has a website portal for use in a browser and an App, 'Xuno Family' for use on smart phones or tablets.

It is easy to use and is a vital tool to keep our parents informed about their child/ren's school life and all things happening at Amsleigh Park.

Bookings for "Get to Know You" & Parent Teacher interviews are also managed through Xuno.

Parents can use Xuno to notify the school of any address/contact detail changes, absences, late arrivals, upcoming family holidays etc.

For new families - On enrolment, you should have received a welcome email from Xuno (please check your junk folder if not received in your inbox), with information on how to create your Xuno account. Please follow the instructions and links in the email to create a Xuno account and password.

**As Xuno is our main communication tool, it is important that all families are signed up so they are aware of school information and events and can easily inform the school of their child's absences and contact detail changes.**

Please contact the office if you require a Xuno welcome email to be resent or a password reset.

Thank you,

Amsleigh Admin Team

## FINANCIAL ASSISTANCE INFORMATION FOR PARENTS

Every Victorian child should have access to the world of learning opportunities that exist beyond the classroom. The Camps, Sports and Excursions Fund helps ensure that no student will miss out on the opportunity to join their classmates for important, educational and fun activities. It is part of making Victoria the Education State and the Government's commitment to breaking the link between a student's background and their outcomes.

### CAMPS, SPORTS & EXCURSIONS FUND (CSEF)

School camps provide children with inspiring experiences in the great outdoors. Excursions encourage a deeper understanding of how the world works while sports teach teamwork, discipline and leadership. All are a part of a healthy curriculum.

CSEF is provided by the Victorian Government to assist eligible families to cover the costs of school trips, camps and sporting activities.

If you hold a valid means-tested concession card or are a temporary foster parent, you may be eligible for CSEF. A special consideration category also exists for asylum seeker and refugee families. The allowance is paid to the school to use towards expenses relating to camps, excursions or sporting activities for the benefit of your child.

The annual CSEF amount per student is:

- \$150 for primary school students
- \$250 for secondary school students

### MORE INFORMATION

For more information about CSEF visit:

<https://www.education.vic.gov.au/about/programs/Pages/csef.aspx>

### HOW TO APPLY

New applicants should contact the school office to obtain a CSEF application form.

If you applied for CSEF at your child's school last year, you do not need to complete an application form this year unless there has been a change in your family circumstances.

You only need to complete an application form if any of the following changes have occurred:

- new student enrolments; your child has started or changed schools this year.
- changed family circumstances; such as a change of custody, change of name, concession card number, or new siblings commencing this year.

Check with the school office if you are unsure.
