## Principal Team Report

### PFA Update

On page 2 we have included an update from our Parents and Friends Association, who are always very busy behind the scenes organising special events for our students and school community. The generous support provided by our PFA is greatly appreciated by one and all and adds so much to our students experience of school life. Our teacher and support staff also value all the things PFA organise or support to enrich school life. We cannot thank our PFA enough and offer them '3 cheers' from us all! See over for a detailed update from the PFA.

### STEM Video Challenge

Mrs Dimopoulous and a group of keen users of technology have been busy with a special STEM video game creation project during Term 2. The Australian STEM Video Game Challenge seeks to:

- **ENGAGE** students in STEM subjects
- **ENABLE** students to develop real-world skills
- **EMPOWER** more students to choose STEM careers.

Mrs Dimopoulous reports that our students have some great ideas, and they are all doing well in this project. One group have created a game where the character woke up and there were no stars in the sky, so they go to NASA to find the stars. Another created a game where they must be the rocket and avoid the space rock to collect stars. Many thanks to Mrs Dimopoulos who initiated this project and well done to those children who have chosen to take part. I'm looking forward to seeing their ideas and creations as they develop.

### Tutor Learning and Intervention

There has been some recent press coverage about the use of Government funding for the Tutor Learning Initiative. This program has been in place for four years and schools have been provided with extra funds that we use to employ teaching staff to provide learning support and intervention for children. The press coverage suggests that this money has been spent well in about 30% of schools and I'm pleased to say Amsleigh Park PS is one of them. In a recent review with the regional leaders, we were congratulated for the scope and implementation of our intervention program, and this is a great credit to the teaching staff and leaders who have been involved. Currently Mrs DeFazio, Mrs Martin, Mrs Kennedy, Mrs Dimopoulous and Melissa Winters are all part of the team providing this valuable support to students, working along with Miss Carr to ensure we make the most of this opportunity. Previously Mrs Jonga was also part of the team who set up the initial program in 2022. At present this program is funded for 2025 and we are ever hopeful that it might continue as it has proven to be an invaluable support for our students.

### Teachers Duty of Care

From 8.52am every morning students come into class to prepare for the school day and teachers assume duty of care for their students. At this time teachers need to be focused on students and support them to get ready for the day. We hope you will understand that this means they are generally not able to talk to parents or carers other than to take onboard a quick message. We do want to be accessible, but it needs to be balanced out with the teacher's duty of care to their students. If you need to talk to the teacher about a concern this is important, this is best done at a time when the teacher can give you their full attention. If the concern is urgent, you could also come and talk to Miss Carr or myself and we will normally be able to assist as an initial step.

## PFA HALF YEAR UPDATE

We have reached halfway through 2024 and the PFA has already completed so much in 6 months. A massive thank you to all of the wonderful volunteers that have supported us to bring the following events to fruition:

- Sports Night canteen
- Easter Raffle
- Hot Cross Bun Drive
- Mother's Day Stall
- Student Disco
- Post-Storm Working Bee

We can also confirm the following fun activities are in the pipeline for the second half of this year:

- Father's Day Stall
- Production Raffles
- Production Canteen
- Parents Trivia Night
- Students Colour & Slime Run
- Halloween Trick and Treating

Of course you will also see the continuation of our Working Bees, online Wine Fundraiser and the very successful and much-loved Birthday Buckets.

While the primary focus of the PFA is to run parent and student events to bring our community together, at times we do make a profit from some of these events, and it is our absolute pleasure to have been able to support the school with funds raised to enable the purchase of the following items in 2024:

- A second new BBQ for sausage sizzles
- 5 new picnic tables in the outdoor area adjacent to the Art room
- New sports uniforms for our Grade 5/6 sports gala teams
- New sports equipment
- A set of ukeleles for Music
- A picnic area with synthetic turf and picnic tables outside the Grade 2 classrooms

The support does not end there with funds also being committed to a new digital community noticeboard to display near the STEM room, further additions to IT equipment, in-classroom reading resources for teachers and plenty more.

The PFA appreciate all your support with our many activities throughout the year and if you think you would also like to contribute to the PFA and make a positive difference for our community, we would love to see you at one of our meetings publicised over Xuno each month.

## Get Your Move On

With holidays next week our students have a chance to recharge and enjoy and change of pace. It might be colder outside right now but this is no reason for children not to get out in the fresh air. The trick is to get children rugged up a bit and embrace the fresh air. Winter sunshine can also be quite pleasant and have a wonderful rejuvenating effect. Spending time out in the fresh air is invigorating and also encourages children to be physically active. Current thinking is that at a minimum, children need to be active for 15 minutes about 4 times each day to build their fitness and wellbeing. The more time you spend on keeping fit, the healthier you will be and be more likely to enjoy being outdoors. The Victorian Government are promoting activity for children due to a decrease in exercising outdoors, encouraging children to 'get your move on.' The school holidays present an ideal time to get out and about, hope you make the most of it.

## Thanks PFA!

A huge thank you to our PFA for putting on a fantastic event last week! The student disco was well-attended and great fun for students and parents alike! We are very lucky to have a group of such hardworking parents and carers who commit their time and effort to put on these events for our community and also raise funds to continue to improve our school. Thanks also to all of the other parent volunteers that helped run the disco; we really couldn't have these events without your help. A sincere thanks to all involved!

## Year 6-7 Transition Update

All families of year 6 students in Victoria (who have applied for enrolment at a State Secondary School) will be advised in writing on Wednesday 17th July of their offer of placement for year 7, 2025. Please feel free to contact Trish Jones or myself with any queries relating to year 6-7 transition.

## Childhood Anxiety

We are often asked by parents and carers about how they can best support their child/ren with their worries, or anxious feelings. One thing to note is that all children are likely to experience these feelings at some point, and this is typical of all people. If you feel these worries are happening more often or impacting negatively on your child, a visit to the GP can be a great way to start the conversation about their mental health as GPs can provide referrals to the appropriate supports. We have included a flyer in this newsletter, promoting a clinic through Swinburn University, offering a program for primary children aged 6-11, and their parents/carers on how to manage childhood anxiety. We encourage those families interested to utilise the self-referred program to help support their child/ren.

## Thanks for a Great Term!

Looking back at the past eleven weeks I can see we have really had a fantastic term of learning, community engagement and fun. Some of the highlights:

- Our 3-4s enjoyed a stimulating Science incursion with Professor Bunsen
- Our PFA ran another wonderful Mother's Day stall in May
- Our Grade 5-6s had a great learning experience at Scienceworks
- All our students enjoyed the 'Fun with Maths' incursion
- We had two fantastic performance assemblies
- Our Grade 1-2s had an awesome day at the Melbourne Zoo
- Our Foundies had a great time with cultural dance infusion
- Our students participated in House Cross Country and District Cross Country.
- We celebrated Education Week with a focus on STEM
- We had a fantastic Book Fair
- We ran a highly successful camp for Grade 3/4s to Lady Northcote
- Grade 5/6s enjoyed Winter Sport and a great Gala day
- Our Aerobics teams did well at the State Competition
- Our PFA organised a great Kids Disco
- Mid-Year Reports were distributed and parent-teacher interviews undertaken

Phew, what an awesome term, and these are just some of the highlights!

## Our student Leaders

I want to highlight the great job our Student Leaders are doing in 2024. It's an important opportunity to develop their leadership skills and act as a role model for other students. Our leaders are also responsible for several daily tasks, such as the bike sheds and recycling, undertaking them with diligence and commitment. Well done and congratulations to our Grade 6 Student Leadership team, keep up the good work!

## Happy Holidays

We would like to wish everyone a wonderful holiday filled with lots of fun times. Stay safe out there, remember your ABC, relax and enjoy! See you in Term 3. We can't wait to see what our students will achieve in the semester to come!

Until next time,

**Michael Cormick**  
Principal

**Bec Carr**

## FROM THE SCHOOL OFFICE ADMIN TEAM.....

### Family Account Information

Thank you to the families that have paid 2024 Parent Contributions. We appreciate your support of our school.

A copy of the 2024 Parent Contributions Information letter is available on our website. [www.amsleigh.vic.edu.au](http://www.amsleigh.vic.edu.au)

### Student Medications

A reminder that a Medical Action Plan, completed by a doctor, must be provided for any student medication (eg. Ventolin, Epi Pens, severe allergy medication) stored at the school office.

**We cannot store or administer any medication without an Action Plan containing instructions from a doctor.**

Parents are required to provide up to date Action Plans and inform the school office of any changes to a student's medical condition / action plan.

This does not however, include occasional antibiotics. Wherever possible, parents should request antibiotic prescriptions that can be taken at home, ie Antibiotics that are required 3 times per day can be taken at home in the morning, on return from school and again at bedtime. For students that do require antibiotics at school, a parent must complete a medication authority form when handing medication into the office.

**All medication, including over the counter types, must be stored securely at the office for the safety of all students.**

It is recommended that students with hayfever etc. take their medication at home before school.

### Absences / Late Arrivals

**A reminder that all absences should be reported via Xuno.** This ensures that Admin staff, who process all attendance data, including late arrivals and early exits, are receiving the attendance information in the first instance. Teachers are notified of the absence/late arrival during this process. If you wish to pass on any further information to teachers, please send them an additional email. If unable to report via Xuno, absences can also be advised by emailing the General Office or phoning the school and selecting "1" when prompted to leave an absence message.

**Students arriving late to school must be first signed in at the office by a parent before going to class.**

Parents should complete the sign in register, fill out a "Late Slip" and hand this to their child who will proceed on their own to their classroom and give the late slip to the teacher.

### School Emails – Check the email address you are sending / replying to

When contacting classroom teachers, or responding to their emails via Xuno, remember to double check the 'To' address.

Many emails meant for classroom teachers are arriving in the Amsleigh Park PS inbox, along with a huge number of other daily external emails.

Replying to the school inbox may delay your communication being received by the classroom teacher in a timely manner and creates extra work for Admin staff.

When responding to a teacher's email, please refer to their email address that appears within their message and copy & paste that address into the address field.

Thank you,

Karen Hogan  
Business Manager

## UNIFORM SHOP – 2<sup>nd</sup> HAND UNIFORMS & LOST PROPERTY

Thank you to the families that donate quality used uniform items back to the school. Please ensure that items are clean and have had any name labels/naming removed prior to dropping off the items. Second hand uniform items are only available to purchase during the Uniform Shop opening hours. We cannot take orders for second hand items, however requests for items to assist families experiencing financial hardship should be made at the General Office.

As stock relies on donations from parents, and changes regularly, there is no guarantee on availability of items.

**LOST PROPERTY** - Sadly, there are many items in our lost property area in the canteen foyer. Named items are returned to class rooms by our wonderful volunteer helpers. Un-named items will be disposed of at the end of each term if not collected. **Please ensure all of your child's belongings are clearly named and you regularly check the Lost Property area if you are missing any items. If you could also please check that your child is in fact wearing their own hat/jacket/jumper as these can sometimes be mistakenly picked up and worn by unawares by students.**

Thank you,

Admin Team

## Information for families

**June 2024 – We have a number of families with incomplete or incorrect contact and/or emergency contact details**

**PLEASE CHECK YOUR FAMILY DETAILS IN XUNO & UPDATE IF NECESSARY.**

**Thank you 😊**

Amsleigh Park uses Xuno as our main communication tool with families, including newsletter distribution, absence notifications, student reports, communication with your child's teacher, messages and reminders, event approvals and online payments.

Xuno is a web-based school management program that has a website portal for use in a browser and an App, 'Xuno Family' for use on smart phones or tablets.

It is easy to use and is a vital tool to keep our parents informed about their child/ren's school life and all things happening at Amsleigh Park.

Bookings for "Get to Know You" & Parent Teacher interviews are also managed through Xuno.

Parents can use Xuno to notify the school of any address/contact detail changes, absences, late arrivals, upcoming family holidays etc.

For new families - On enrolment, you should have received a welcome email from Xuno (please check your junk folder if not received in your inbox), with information on how to create your Xuno account. Please follow the instructions and links in the email to create a Xuno account and password.

**As Xuno is our main communication tool, it is important that all families are signed up so they are aware of school information and events and can easily inform the school of their child's absences and contact detail changes.**

Please contact the office if you require a Xuno welcome email to be resent or a password reset.

Thank you,

## Victorian Premiers' Reading Challenge 2024

The Victorian Premiers' Reading Challenge is now open and Amsleigh Park Primary School is excited to be participating. The PRC application offers a range of exciting features including:

- access to a library catalogue (including book images and blurbs)
- a modern user-friendly interface
- rewarding students with badges as challenge milestones are achieved
- the option for students to mark books as a favourite, give them a star rating or complete a book review

The Challenge is open to all Victorian children from birth to Year 10 in recognition of the importance of reading for literacy development. It is not a competition; but a personal challenge for children to read a set number of books by Friday 6<sup>th</sup> September. Many of these books are available at our school library or can be found at local libraries and online.

To read the Premier's letter to parents, view the booklist and for more information about the Victorian Premiers' Reading Challenge, visit: [www.education.vic.gov.au/prc](http://www.education.vic.gov.au/prc)

Children from Prep to Year 2 are encouraged to read or 'experience' 30 books with their parents and teachers. Children from Year 3 to Year 10 are challenged to read 15 books. All children who meet the Challenge will receive a certificate of achievement signed by the Victorian Premier and former Premiers. In addition, the class with the highest percentage of students completed in F – 2, 3 – 4 and 5 – 6 will have a donut day celebration

All students have been activated to participate within the PRC. If you wish to participate with your child, please find your log in details below:

## ONE STEP AT A TIME PROGRAM: PARENT SUPPORT FOR CHILDHOOD ANXIETY

### Swinburne Psychology Clinic

Parents / guardians:

Do you have a primary school-aged child experiencing symptoms of anxiety?

Clinicians at Swinburne University have developed a program to help parents manage childhood anxiety in children aged 6-11 years.

Does your child experience any of the following?

- Difficulties sleeping at night due to worries
- Fears and phobias
- Difficulty separating from you or worrying about parental safety
- Trouble sleeping alone in their bed
- Fear of the dark
- Scared of lifts, trains, and people
- Fear of dogs and other animals
- Excessive worry and constant reassurance seeking
- Fear of germs and other health problems

The One Step at a Time Program involves:

- Comprehensive psychological assessment of your child's anxiety
- Seven sessions of online counselling through video conferencing
- Parent-focused cognitive behavioral therapy (CBT) skills to help you manage and support your child's anxiety
- Two combined parent-child sessions
- Reflective parenting strategies
- Access to a website with self-help materials to supplement therapy.

### Cost

\$20 per session/assessment.

Treatment consists of seven therapy sessions plus one assessment session.

### Contact us

Referrals and enquiries can be made by contacting the Swinburne Psychology Clinic at:
