Principal Team Report

100 Days of Foundation

It's been a big week for our Foundies who celebrated their 100th day of school this week. On Wednesday they enjoyed dressing up 'brightly' as they are all now 100 days brighter. Our Foundies looked fantastic as you can see in the photos below. Many thanks to Parents and Carers who went to a lot of trouble to help with this dress up experience. On Thursday we all enjoyed watching our Foundies at their 100 days of school celebration night, with parents and friends along to cheer them on. A hearty congratulations to our wonderful Foundies! It's so great to watch you learn and grow in your first year of school.

STEM Challenge

Thirteen of our budding digital designers have been keenly participating in the STEM video games challenge for 2024. Their brief was to design and then create a video game focused on the theme, Stars, using a digital platform. Working in teams or individually, our students have been using Scratch, which is a programming platform. Through this project they were required to build their skills and apply them to create their functioning video game. It involved lots of testing, receiving feedback and improving, which is characteristic of this kind of software engineering. The designs are done and submitted, and they have now progressed through stage one of the judging process. We are super excited for our designers and a big congratulations to them for their efforts. As this is an optional project, we commend them for taking on this extra challenge and dedicating their own time to make it work. I want to make a special acknowledgement to our ICT specialist teacher, Mrs Lauren Dimopoulos, who initiated this project for these students. Many thanks on behalf of us all.

35 Years of Service

Miss Jenny Brown and I attended a special ceremony last week to receive acknowledgements for 35 years of service to the Department of Education. I want to congratulate Miss Brown's for her service to education and her dedication to Amsleigh Park PS since 1994. It's a great achievement.

Personally, I am immensely proud to work for the Victorian Department of Education and I have been fortunate to work at Amsleigh Park now since 2013. Having worked in four exceptional schools throughout my career I count myself lucky, but there is no doubt that Amsleigh Park is top of the list for me. We are a great school in a great system!

The Uniform Shop

For the past few years, we have been very fortunate to have Libby Jumas looking after the Amsleigh Park PS uniform shop, along with Angela Xypolias and other helpers. We are most indebted to Libby for her generosity in running the shop on behalf of our whole school community, providing an invaluable service to all families and ensuring that uniforms are available quickly and easily. Having a volunteer run our uniform shop also means that we can keep it as a non-profit entity and our uniforms are sold at the wholesale price that we pay for them. This is a big saving for all families and otherwise they would be 30-40% more expensive. Having a shop onsite is convenient and there are not many schools who can maintain this kind of service.

Libby is now in her final year as a parent at Amsleigh Park and therefore we are now on the lookout for someone to take over this vitally important role. If anyone would like to know more about it, please get in touch with me at school.

NCCD 2024 - Nationally Consistent Collection of Data on School Students with Disability

Every year, all schools in Australia participate in the Nationally Consistent Collection of Data on School Students with Disability (NCCD). The NCCD process requires schools to identify information already available in the school about supports provided to students with disability. These relate to legislative requirements under the Disability Discrimination Act 1992 and the Disability Standards for Education 2005, in line with the NCCD guidelines (2019).

Information provided about students to the Australian Government for the NCCD includes:

- year of schooling
- category of disability: physical, cognitive, sensory or social/emotional
- level of adjustment provided: support provided within quality differentiated teaching practice, supplementary, substantial or extensive.

The NCCD provides state and federal governments with the information they need to plan more broadly for the support of students with disability.

The NCCD has no direct impact on your child and your child will not be involved in any testing process. The school will provide data to the Australian Government in such a way that no individual student will be able to be identified – the privacy and confidentiality of all students is ensured. All information is protected by privacy laws that regulate the collection, storage and disclosure of personal information.

If you have any questions about the NCCD, please contact Michael or Bec at school.

School Production Ticketing –Special Requirements

Ticket sales for this year's school production are being organised with information to come out within the next week. Prior to the tickets going on sale, we would like to know about any person who may have special requirements for the show such as, wheelchair access and seating or disabled parking spots. Please email the school and let us know as soon as possible. amsleigh.park.ps@education.vic.gov.au

2024 Parent / Caregiver / Guardian Opinion Survey

Our school is conducting a survey to find out what parents / caregivers / guardians think of our school. The Parent / Caregiver / Guardian Opinion Survey is an annual survey offered by the Department of Education that is designed to assist schools in gaining an understanding of families' perceptions of school climate, student behaviour, and student engagement. The survey is optional, but we encourage all families to participate. Our school will use the survey results to help inform and direct future school planning and improvement strategies.

In 2024 all families are invited to participate in the survey. The Parent / Caregiver / Guardian Opinion Survey will be open from Monday 29th July to Friday 30th August 2024.

The survey will be conducted online, only takes 20 minutes to complete, and can be accessed at any convenient time within the survey period on desktop computers, laptops, tablets or smartphones. The online survey will be available in English and 10 other languages including Arabic, Greek, Hakha Chin, Hindi, Japanese, Punjabi, Simplified Chinese, Somali, Turkish, and Vietnamese.

The results of the survey are analysed by staff and the school council who look for trends that might need addressing in the community. For example, the survey might indicate that parents and carers would like more information about an area of the school, and we can then address this in the newsletter or other communications.

THE AMSLEIGH BUZZ

All families will be invited to participate in the survey and an email was sent on Tuesday with a link to the survey and the school's PIN number. Families should only complete the survey once.

Curriculum Days 2024

We have two remaining curriculum days left for 2024. The next day will be on Thursday 12th September. Our teaching and support staff will be learning about the new Statewide Disability and Inclusion model on this day. In Term 4 we will have a final curriculum day on Thursday 21st November for the purpose of assessment and reporting. All day care will be available for any families who require it with Youth Leadership Victoria. Please see YLV staff for bookings.

Solar System at Amsleigh Park PS

A few months ago, we had a large 24kw solar power system installed on the roof of our gymnasium. Reducing our carbon footprint is important and through this system we hope to generate a lot of our own electricity. Since getting our system a few months ago we have generated about 4.3mwh of electricity. This is enough to power an electric car to drive for 3600kms, toast about 90000 slices of bread or power the average home for about 1.2 months. Let's not forget we are talking about the winter months when we are not expecting to generate huge amounts, so it is looking very promising for the warmer months of the year. This amount of electricity is worth about \$1200 so that's also the start of some savings in this area for the school. Thanks our school council for having the vision to support this important project, which will ultimately lead to our school saving money in future, whilst also making a positive contribution to protecting our environment.

Foundation Enrolments for 2025

We are currently working through the timeline for enrolling Foundation students for 2025. This year, along with all schools in the Inner East, we moved to an online system for applications, and we have now sent out all of our offers of a place. These families now need to accept the place in the next couple of weeks and we will then have a firm idea of our total number of Foundation classes in 2025.

Enrolment and school promotion is always a busy space and we work hard to showcase our school to the local community. As always 'word of mouth' recommendations from other families are always the most powerful promotion for schools so please pass on our details to any new families in the area. In some instances families are not aware of the school as we are so nicely tucked away in the middle of Oakleigh East.

The Olympics....

Australia has a proud history as a sporting nation, and I think most would agree we perform very well given our population. Comparative to other nations we are right up there and seem to have a love of sports of all kinds. One of the things I feel very proud of is that we have many athletes competing in so many sporting disciplines, and our competitors give it their all. They strive to be and do their best and have the courage and perseverance to work hard to achieve their goals. Just competing at an elite level is such an amazing feat and win-lose or draw they should rightfully feel very proud of themselves.

The great thing about sports is that there are so many of them, and just about anyone could find a sport to try out. Think about Archery, BMX riding, Equestrian as some examples of sports most of us only think about when the Olympics rolls around every four years. My point here is that participating in sport is a great thing, and something I would encourage all children to do. It can open a world of fun, camaraderie and teamwork for anyone willing to give it a go. You don't need to be the best; you just need to have a go.

Until next time,

Michael Cormick
Principal

Bec Carr
Assistant Principal

FROM THE SCHOOL OFFICE ADMIN TEAM.....

Family Account Information

Thank you to the families that have paid 2024 Parent Contributions. We appreciate your support of our school.

A copy of the 2024 Parent Contributions Information letter is available on our website. www.amsleigh.vic.edu.au

Student Medications

A reminder that a Medical Action Plan, completed by a doctor, must be provided for any student medication (eg. Ventolin, Epi Pens, severe allergy medication) stored at the school office.

We cannot store or administer any medication without an Action Plan containing instructions from a doctor.

Parents are required to provide up to date Action Plans and inform the school office of any changes to a student's medical condition / action plan.

This does not however, include occasional antibiotics. Wherever possible, parents should request antibiotic prescriptions that can be taken at home, ie Antibiotics that are required 3 times per day can be taken at home in the morning, on return from school and again at bedtime. For students that do require antibiotics at school, a parent must complete a medication authority form when handing medication into the office.

All medication, including over the counter types, must be stored securely at the office for the safety of all students.

It is recommended that students with hay fever etc. take their medication at home before school.

Absences / Late Arrivals

A reminder that all absences should be reported via Xuno. This ensures that Admin staff, who process all attendance data, including late arrivals and early exits, are receiving the attendance information in the first instance. Teachers are notified of the absence/late arrival during this process. If you wish to pass on any further information to teachers, please send them an additional email. If unable to report via Xuno, absences can also be advised by emailing the General Office or phoning the school and selecting "1" when prompted to leave an absence message.

Students arriving late to school must be first signed in at the office by a parent before going to class.

Parents should complete the sign in register, fill out a "Late Slip" and hand this to their child who will proceed on their own to their classroom and give the late slip to the teacher.

School Emails – Check the email address you are sending / replying to

When contacting classroom teachers, or responding to their emails via Xuno, remember to double check the 'To' address.

Many emails meant for classroom teachers are arriving in the Amsleigh Park PS inbox, along with a huge number of other daily external emails.

Replying to the school inbox may delay your communication being received by the classroom teacher in a timely manner and creates extra work for Admin staff.

When responding to a teacher's email, please refer to their email address that appears within their message and copy & paste that address into the address field.

Thank you,

Karen Hogan
Business Manager

APPS UNIFORM SHOP

Located in the Thelma Baily Learning & Sporting Centre

OPERATING HOURS – TERM 3 2024
Tuesday afternoons 3:00pm – 3:45pm

Pay by Credit/Debit Card at the Uniform Shop

Orders for new Uniform items can be emailed to the general office if unable to attend in person on Tuesday afternoons – credit/debit card payments only

Please download & complete a copy of our uniform shop order form and send as a PDF to amsleigh.park.ps@education.vic.gov.au

Any Back orders will be filled as soon as stock is available.

In the event of incorrect sizing, please return unworn items/s with tags intact, together with the original packing slip that includes the child's name, grade and the correct size required.

A copy of the current approved uniform list/order form is available on our website www.amsleigh.vic.edu.au

Libby Jumas
Uniform Shop Co-Ordinator

UNIFORM SHOP – 2nd HAND UNIFORMS & LOST PROPERTY

Thank you to the families that donate quality used uniform items back to the school. Please ensure that items are clean and have had any name labels/naming removed prior to dropping off the items. Second hand uniform items are only available to purchase during the Uniform Shop opening hours. We cannot take orders for second hand items, however requests for items to assist families experiencing financial hardship should be made at the General Office.

As stock relies on donations from parents, and changes regularly, there is no guarantee on availability of items.

LOST PROPERTY - Sadly, there are many items in our lost property area in the canteen foyer. Named items are returned to class rooms by our wonderful volunteer helpers. Un-named items will be disposed of at the end of each term if not collected. **Please ensure all of your childs belongings are clearly named and you regularly check the Lost Property area if you are missing any items. If you could also please check that your child is in fact wearing their own hat/jacket/jumper as these can sometimes be mistakenly picked up and worn unknowingly by students.**

Thank you,

Admin Team

Orders are usually completed within one week (excepting unavoidable delays from the supplier). Any items not available at time of order will be placed on back order and provided as soon as possible.

Information for families

August 2024 – We still have a number of families with incomplete or incorrect contact and/or emergency contact details

PLEASE CHECK YOUR FAMILY DETAILS IN XUNO & UPDATE IF NECESSARY.

Thank you 😊

Amsleigh Park uses Xuno as our main communication tool with families, including newsletter distribution, absence notifications, student reports, communication with your child's teacher, messages and reminders, event approvals and online payments.

Xuno is a web-based school management program that has a website portal for use in a browser and an App, 'Xuno Family' for use on smart phones or tablets.

It is easy to use and is a vital tool to keep our parents informed about their child/ren's school life and all things happening at Amsleigh Park.

Bookings for "Get to Know You" & Parent Teacher interviews are also managed through Xuno.

Parents can use Xuno to notify the school of any address/contact detail changes, absences, late arrivals, upcoming family holidays etc.

For new families - On enrolment, you should have received a welcome email from Xuno (please check your junk folder if not received in your inbox), with information on how to create your Xuno account. Please follow the instructions and links in the email to create a Xuno account and password.

As Xuno is our main communication tool, it is important that all families are signed up so they are aware of school information and events and can easily inform the school of their child's absences and contact detail changes.

Please contact the office if you require a Xuno welcome email to be resent or a password reset.

Thank you,

Amsleigh Admin Team

Monday 22nd April

Certificates and Prizes

Certificate of Participation signed by current and former Premiers.
First student in each class to complete will receive a badge.
**Class with the highest percentage complete in F - 2, 3 - 4 and 5
- 6 will have a donut day celebration!**

SEE MISS BARKER FOR QUESTIONS OR QUERIES

Victorian Premiers' Reading Challenge 2024

The Victorian Premiers' Reading Challenge is now open and Amsleigh Park Primary School is excited to be participating. The PRC application offers a range of exciting features including:

- access to a library catalogue (including book images and blurbs)
- a modern user-friendly interface
- rewarding students with badges as challenge milestones are achieved
- the option for students to mark books as a favourite, give them a star rating or complete a book review

The Challenge is open to all Victorian children from birth to Year 10 in recognition of the importance of reading for literacy development. It is not a competition; but a personal challenge for children to read a set number of books by Friday 6th September. Many of these books are available at our school library or can be found at local libraries and online.

To read the Premier's letter to parents, view the booklist and for more information about the Victorian Premiers' Reading Challenge, visit: www.education.vic.gov.au/prc

Children from Prep to Year 2 are encouraged to read or 'experience' 30 books with their parents and teachers. Children from Year 3 to Year 10 are challenged to read 15 books. All children who meet the Challenge will receive a certificate of achievement signed by the Victorian Premier and former Premiers. In addition, the class with the highest percentage of students completed in F – 2, 3 – 4 and 5 – 6 will have a donut day celebration

All students have been activated to participate within the PRC. If you wish to participate with your child, please find your log in details below:

Name: «Name»

Class: «ClassName»

Username: «UserName»

Password: «Password»

If you have any questions, please contact the Amsleigh Park Primary School Premiers' Reading Challenge Coordinators, Prep – 2: Khalia Barker (FC) or 3 to 6: Lisa Jonga (6A).

YEAR 7 & 8 PRECINCT UPDATE

INFORMATION EVENING FOR FUTURE FAMILIES

The evening offers prospective parents a valuable opportunity to gain a deep understanding of Salesian's core values and specialised boys' only balanced approach.

Meet our College Principal Mr Mark Ashmore, students and Assistant Principals across all College areas and learn more about how we guide our boys to achieve their full potential in a safe and inclusive learning environment.

We will also provide an update on our exciting new Years 7 & 8 precinct campus

which will offer state of the art state of the art facilities dedicated to a 12-14 year-old needs and stage of development.

With targeted curriculum, assessment and pedagogy to engage and provide necessary skills for life. Importantly, it will be a place for boys to grow spiritually, academically, socially and physically.

Register your attendance for our upcoming 2024 Information Evening for Future Families on Monday 5 August 2024 via the link:
