## **Principal Team Report**

### **Amsleigh Dynamos win a Silver Medal**

We are so proud to say that our aerobics team, the Amsleigh Dynamos, enjoyed a successful and fun competition at the school aerobics Nationals Championships last Sunday 11<sup>th</sup> August in Adelaide. A huge congratulations to the 'Dynamos' on their performance where they came 2<sup>nd</sup> from a tight field and were awarded silver medals! The team have trained hard over the year to build upon their aerobics skills and work as a team to present a polished routine that was highly competitive at a National level.

Winning a silver medal this team completed a personal best in a very strong competition. With months of training, the team was well prepared for the event by our dedicated coaches, Miss Hayes and Miss Carr. Aerobics is a demanding sport that requires teamwork, coordination, fitness, strength and flair and I commend our team and coaches for their hard work and commitment. We are super proud of them for all their persistence, growth and achievements! The students enjoyed sharing their nationals experience with the school at assembly this week.

Thanks to the wonderful parent support crew who were part of the Nationals trip. We really appreciate the effort that this takes, and hope you also enjoyed the experience. Big thanks to the coaches, who give a lot of their own time to this program. Training before and after school a couple of times a week takes a lot of time and dedication, and we are fortunate to have Miss Hayes and Miss Carr at our school. And finally, thanks to our team, Charlotte B, Lilly H, Hayley R, Alia S, Olivia B, Liadin T and Addy M. Thanks for all the effort you have put into representing Amsleigh Park at this competition, we are super proud of you, and offer you all congratulations.

### **Safety Week**

A reminder to parents and children during Safety week, about safety at pick up and drop off times. It is concerning to see some students and parents enter the school via the vehicle gates at Oakleigh Street and walk through the staff carpark to access the portable classrooms, or to walk toward the Junior Learning Centre. If dropping off or picking up at Oakleigh Street, please remind your children of the need to use the pedestrian gate and walk outside of the yellow line, to avoid the traffic areas. Thanks for your help with keeping our school community safe.

Also, during safety week, classes will be completing the Daniel Morecombe personal safety lessons and learning about recognising, reacting and reporting when they feel unsafe. Families can continue this discussion at home if they'd like. See the flyer on page 3 of this newsletter.

## **Congratulations Riaan**

We were thrilled to hear this week that one of our Grade 1s, Riaan, had a wonderful golf tournament in the US recently. Riaan is a future golf star and has been playing golf for a few years already, building his skills in what is a very challenging sport. He qualified to compete in the US Kids Golf World Championships, competing with junior golfers from all over the World. Riaan set a goal to finish in the top 20 and narrowly missed this (1 shot) coming 22<sup>nd</sup> out of 76 competitors. This tournament was held in Pinehurst in North Carolina in very hot conditions, so Riaan had to be resilient to play in 39-degree temperatures in the afternoons. On behalf of everyone at Amsleigh Park PS I want to say congratulations to Riaan for competing and doing so well, we are very proud of you.

## **John Monash Science School Visits**

I'm pleased to be taking a group of 12 Grade 6 students to a special program at the John Monash Science School at Monash University. Participating in the 'Big Science-Little Scientists' and 'Mini Mathematicians' programs this group enjoyed a wonderful first visit.

For those who don't know, John Monash Science School, is a select entry government high school starting in Year 10. Located at Monash University, this school caters to students who have a passion for science and mathematics, offering a pathway to further studies at university level.

It was my pleasure to take these students to the program and I can see they all enjoyed the investigations and experiments. Hopefully some of them might one day choose to attend this school and broaden their educational horizons. We have a further two visits across Term 3 and 4.

## **Book Week – Next Week**

We are looking forward to Book Week starting next week. The theme for this year is 'Reading is Magic' highlighting the wonderful world of books and the possibilities for learning and enjoyment. At APPS we have a big focus on teaching our students to read with accuracy and fluency through the explicit teaching of phonics. Along with that we aim for our students to enjoy reading and choose to read for a variety of reasons. During our celebrations of book week, we are looking forward to a special visit on Monday by illustrator, Cher Rhll Ng, who illustrated the wonderful picture story book, 'Be Careful Xiao Xin'. On Thursday we are also having the ever-popular pyjama day linking up the idea of reading in bed. It's going to be a fun week of celebrations.

## FROM THE SCHOOL OFFICE ADMIN TEAM.....

### Family Account Information

Thank you to the families that have paid 2024 Parent Contributions. We appreciate your support of our school.

A copy of the 2024 Parent Contributions Information letter is available on our website. [www.amsleigh.vic.edu.au](http://www.amsleigh.vic.edu.au)

### Student Medications

A reminder that a Medical Action Plan, completed by a doctor, must be provided for any student medication (e.g. Ventolin, Epi Pens, severe allergy medication) stored at the school office.

**We cannot store or administer any medication without an Action Plan containing instructions from a doctor.**

Parents are required to provide up to date Action Plans and inform the school office of any changes to a student's medical condition / action plan.

This does not however, include occasional antibiotics. Wherever possible, parents should request antibiotic prescriptions that can be taken at home, ie Antibiotics that are required 3 times per day can be taken at home in the morning, on return from school and again at bedtime. For students that do require antibiotics at school, a parent must complete a medication authority form when handing medication into the office.

**All medication, including over the counter types, must be stored securely at the office for the safety of all students.**

**It is recommended that students with hay fever etc. take their medication at home before school.**

### Absences / Late Arrivals

**A reminder that all absences should be reported via Xuno.** This ensures that Admin staff, who process all attendance data, including late arrivals and early exits, are receiving the attendance information in the first instance. Teachers are notified of the absence/late arrival during this process. If you wish to pass on any further information to teachers, please send them an additional email. If unable to report via Xuno, absences can also be advised by emailing the General Office or phoning the school and selecting "1" when prompted to leave an absence message.

**Students arriving late to school must be first signed in at the office by a parent before going to class.**

Parents should complete the sign in register, fill out a "Late Slip" and hand this to their child who will proceed on their own to their classroom and give the late slip to the teacher.

### School Emails – Check the email address you are sending / replying to

When contacting classroom teachers, or responding to their emails via Xuno, remember to double check the 'To' address.

Many emails meant for classroom teachers are arriving in the Amsleigh Park PS inbox, along with a huge number of other daily external emails.

Replying to the school inbox may delay your communication being received by the classroom teacher in a timely manner and creates extra work for Admin staff.

When responding to a teacher's email, please refer to their email address that appears within their message and copy & paste that address into the address field.

Thank you,

Karen Hogan  
Business Manager

## UNIFORM SHOP – 2<sup>nd</sup> HAND UNIFORMS & LOST PROPERTY

Thank you to the families that donate quality used uniform items back to the school. Please ensure that items are clean and have had any name labels/naming removed prior to dropping off the items. Second hand uniform items are only available to purchase during the Uniform Shop opening hours. We cannot take orders for second hand items, however requests for items to assist families experiencing financial hardship should be made at the General Office.

As stock relies on donations from parents, and changes regularly, there is no guarantee on availability of items.

**LOST PROPERTY** - Sadly, there are many items in our lost property area in the canteen foyer. Named items are returned to class rooms by our wonderful volunteer helpers. Un-named items will be disposed of at the end of each term if not collected. **Please ensure all of your childs belongings are clearly named and you regularly check the Lost Property area if you are missing any items. If you could also please check that your child is in fact wearing their own hat/jacket/jumper as these can sometimes be mistakenly picked up and worn unknowingly by students.**

Thank you,

Admin Team

## Information for families

**August 2024 – We still have a number of families with incomplete or incorrect contact and/or emergency contact details**

**PLEASE CHECK YOUR FAMILY DETAILS IN XUNO & UPDATE IF NECESSARY.**

**Thank you**

Amsleigh Park uses Xuno as our main communication tool with families, including newsletter distribution, absence notifications, student reports, communication with your child's teacher, messages and reminders, event approvals and online payments.

Xuno is a web-based school management program that has a website portal for use in a browser and an App, 'Xuno Family' for use on smart phones or tablets.

It is easy to use and is a vital tool to keep our parents informed about their child/ren's school life and all things happening at Amsleigh Park.

Bookings for "Get to Know You" & Parent Teacher interviews are also managed through Xuno.

Parents can use Xuno to notify the school of any address/contact detail changes, absences, late arrivals, upcoming family holidays etc.

For new families - On enrolment, you should have received a welcome email from Xuno (please check your junk folder if not received in your inbox), with information on how to create your Xuno account. Please follow the instructions and links in the email to create a Xuno account and password.

**As Xuno is our main communication tool, it is important that all families are signed up so they are aware of school information and events and can easily inform the school of their child's absences and contact detail changes.**

Please contact the office if you require a Xuno welcome email to be resent or a password reset.

Thank you,

Amsleigh Admin Team

## Victorian Premiers' Reading Challenge 2024

The Victorian Premiers' Reading Challenge is now open and Amsleigh Park Primary School is excited to be participating. The PRC application offers a range of exciting features including:

- access to a library catalogue (including book images and blurbs)
- a modern user-friendly interface
- rewarding students with badges as challenge milestones are achieved
- the option for students to mark books as a favourite, give them a star rating or complete a book review

The Challenge is open to all Victorian children from birth to Year 10 in recognition of the importance of reading for literacy development. It is not a competition; but a personal challenge for children to read a set number of books by Friday 6<sup>th</sup> September. Many of these books are available at our school library or can be found at local libraries and online.

To read the Premier's letter to parents, view the booklist and for more information about the Victorian Premiers' Reading Challenge, visit: [www.education.vic.gov.au/prc](http://www.education.vic.gov.au/prc)

Children from Prep to Year 2 are encouraged to read or 'experience' 30 books with their parents and teachers. Children from Year 3 to Year 10 are challenged to read 15 books. All children who meet the Challenge will receive a certificate of achievement signed by the Victorian Premier and former Premiers. In addition, the class with the highest percentage of students completed in F - 2, 3 - 4 and 5 - 6 will have a donut day celebration
