Principal Team Report

World Teachers Day

Friday 25th October is World Teachers Day. Let's celebrate our wonderful teachers for their skilled work in educating, inspiring and supporting our young people. The theme for 2024 is 'hats off' to teachers with the traditional doffing of a hat as a mark of respect.

As the Principal Class Team, Miss Carr and I take off our hats to all our staff. We are indeed very fortunate to work with such caring, dedicated and knowledgeable teachers, who are only too happy to go that 'extra mile' to support our students. We see this each day in the way our teachers make a difference for every individual, supporting them to be their best and do their best.

If you see a teacher on Friday, you might just say a simple thanks for everything you do and if you are wearing one, "doff your hat".

Staffing for 2025

I am sad to tell you that Mrs Lisa Jonga will be leaving Amsleigh Park PS at the end of this year. Mrs Jonga is currently teaching Grade 6 in 2024 and has previously taught across Grades 3-6. Since starting at APPS, Mrs Jonga has been commuting around 60 minutes each way to continue her teaching role at Amsleigh Park. She has now made the difficult decision and has accepted a position at Croydon Hills PS which is significantly closer to home, so it's a great outcome for her and the family. We will give Mrs Jonga a proper acknowledgement and send off towards the end of the year.

Colour Fun Run

Next Thursday 31st October we will be having our colour fun run for 2024. This event has certainly come a long way since we first got colourful and these days there is not only coloured powders, but also coloured slime and foam, just to get messy. With luck the local Fire Rescue team will also visit with one of their fire trucks, so we also get nice and wet in the process. Thanks to everyone for supporting the fund-raising component of the colour fun run, it's mainly for fun, but if we can raise some funds at the same time then it's much appreciated.

This fun event is being organised by our wonderful Parents and Friends Association. Many thanks to the PFA for all the work that goes into this behind the scenes. It's quite an effort to bring it all together and we really appreciate all the time generously given by parents and carers to make it a success.

Premiers' Reading Challenge 2024

We are super pleased to report that the PRC for 2024 was a great success with 96 Students completing it. In total they read a staggering amount of 3898 Books, so their reading fluency and accuracy was given a big boost. Well, done to those who took on this challenge, that's a great outcome. Thanks to Miss Barker who coordinated the PRC on behalf of Amsleigh Park PS.

Enrolment Census 2025

Many thanks to all families who responded to the enrolment census for 2025. What we are hoping is to get a very clear idea of any families/students who might be leaving so we have accurate numbers of students to create our class structure for 2025. Just one final reminder to families, if you are moving house, please let us know so we can get our planning right for next year.

Parental Curriculum Contributions for 2025

A heartfelt thanks to the many families who paid voluntary curriculum contributions in 2024. At this week's school council meeting we agreed to **not** increase the amount we request for voluntary contributions for 2025. This is the 2nd year in a row we have opted to maintain this amount rather than increase it.

We consider this contribution towards the cost of education a **moderate** and **vital** investment in your child's learning and providing them with the highest standards of learning. Whilst we get government funding for a standard (average) curriculum, this only provides for basic standard materials, resources and equipment for our students. We sincerely hope that we could do better than that for our students, but this will only be possible with the support of most of our community. Please consider supporting your child/ren by paying this voluntary contribution in 2025. Thank you.

Sticks and Stones Incursion

Miss Tapper has organised a wonderful incursion for our students next week. The *Sticks & Stones* performance tells the story of Toby, a young boy who faces challenges at home, school, and online. Through his experiences, Toby learns important life lessons about managing anger, being assertive, and dealing with difficult situations in a positive way. The program is designed to encourage cooperation, respect, and impulse control, complementing our school's existing student wellbeing programs. *Sticks & Stones* performance is presented by Brainstorm Productions. This event is FREE for our students and is funded by the mental health funding we receive from the State Government.

From Miss Carr...

Aerobics Spring Challenge

Congratulations to our three competitive aerobics teams, Amsleigh Zest, Dynamos and Power, on their efforts at last week's Victorian Spring Challenge event! Placing 1st, 2nd and 3rd respectively, in different aerobic categories. All teams gave their best at the competition and we're very proud of them all! We also had Hayley, Liadan and Lilly H put themselves forward to compete in the audition section, where they learnt a routine on the day and competed 'on the spot' against other auditionees! Well done! It is great to see our students' set goals and train hard to achieve them. Congratulations aerobics kids 😊

Working Bee -thank you!

A huge thanks to our PFA and other parent volunteers and students who came along to the recent Working Bee! It was a successful day with lots of Softfall mulch spread and other improvements made to our yard. We really appreciate how the volunteers help to keep the school grounds looking great! A special shout out to Laura Harrison for her coordination of this event.

The Resilience Project – 2025

We're excited to announced that Amsleigh Park will be once again partnering with The Resilience Project in 2025! The Resilience Project delivers emotionally engaging programs and provides evidence-based, practical wellbeing strategies to build resilience. The Resilience Project's school wellbeing program will form part of our Social and Emotional Learning (SEL) lessons next year. We look forward to sharing more information with parents and carers in the coming weeks.

PFA Trivia Night

Last Saturday night, the PFA held their trivia night for our parent, carer and teacher community. It was a terrific night, well attended by our community. There were lots of fun and games to be had and we are very grateful to our PFA for planning and hosting this event for us! Thanks, PFA!

STEM – Using Microbits

Thanks to families who have provided financial support to our school through the parental contributions in 2024. Without this support we would be unable to provide the high-quality learning resources we want our students to be able to access. Recently we used some of this funding to purchase new Microbits for STEM. A Microbit is a programmable device that students can use to develop their skills in coding. They are a very cool device created by BBC and our students are absolutely loving using this hardware during their STEM sessions. Want to know more:

<https://microbit.org/get-started/getting-started/introduction/>

In addition to the Microbits we have also purchased a set of the latest Lego Education Spike kits which will also be used in our STEM program. This is quite an investment but well worth it when you see what our students learn and produce using this very cool tech.

Facilities Update

One of the great things about Amsleigh Park PS is our wonderfully spacious and attractive school grounds. We are indeed fortunate to have such a great resource for all our students and staff. Keeping our grounds in good order requires regular monitoring and maintenance, which keeps our maintenance contractor, Craig, super busy. At the same time, we are always working to further improve student safety and amenity. Recently, we have completed two important projects:

- The exterior wood cladding of the Junior Learning Centre has been recoated. This both protects this exterior cladding and gives it a big lift.
- The fencing around the staff car park, entered from Oakleigh Street, has also been improved closing this area off completely from our school yard.

We are seeking a licensed gas plumber at present who can inspect, clean and service all our gas heaters. If anyone has a contact for this, please let us know.

Solar Power System

Our solar has produced 10mwh so far since it was installed. This is enough to do the following:

- Power the average home for 12 months.
- Drive an electric vehicle 58000 kilometres.
- Toast 890 000 slices of bread.
- Run an average home pool pump for 5 years.
- Run twenty modern refrigerators for a year.

It's a great feeling to know we are creating our own electricity and reducing what we take from the grid, which also reduces our environmental footprint.

Until next time,

Michael Cormick
Principal

Family Accounts

Please regularly check your Xuno account for any fees or events that require payment and or approval. A reminder that unallocated CSEF, receipts or credits note from your family account can be used to pay for events. Credit note amounts are shown with a negative symbol, **-\$10.00**. If you would like a copy of your current account statement, please email the office.

Student Medications

A reminder that a Medical Action Plan, completed by a doctor, must be provided for any student medication (e.g. Ventolin, Epi Pens, severe allergy medication) stored at the school office.

We cannot store or administer any medication without an Action Plan containing instructions from a doctor.

Parents are required to provide up to date Action Plans and inform the school office of any changes to a student's medical condition / action plan.

This does not however, include occasional antibiotics. Wherever possible, parents should request antibiotic prescriptions that can be taken at home, ie Antibiotics that are required 3 times per day can be taken at home in the morning, on return from school and again at bedtime. For students that do require antibiotics at school, a parent must complete a medication authority form when handing medication into the office.

All medication, including over the counter types, must be stored securely at the office for the safety of all students.

It is recommended that students with hay fever etc. take their medication at home before school.

Absences / Late Arrivals

A reminder that all absences should be reported via Xuno. This ensures that Admin staff, who process all attendance data, including late arrivals and early exits, are receiving the attendance information in the first instance. Teachers are notified of the absence/late arrival during this process. If you wish to pass on any further information to teachers, please send them an additional email. If unable to report via Xuno, absences can also be advised by emailing the General Office or phoning the school and selecting "1" when prompted to leave an absence message.

Students arriving late to school must be first signed in at the office by a parent before going to class.

Parents should complete the sign in register, fill out a "Late Slip" and hand this to their child who will proceed on their own to their classroom and give the late slip to the teacher.

School Emails – Check the email address you are sending / replying to

When contacting classroom teachers, or responding to their emails via Xuno, remember to double check the 'To' address.

Many emails meant for classroom teachers are arriving in the Amsleigh Park PS inbox, along with a huge number of other daily external emails.

Replying to the school inbox may delay your communication being received by the classroom teacher in a timely manner and creates extra work for Admin staff.

When responding to a teacher's email, please refer to their email address that appears within their message and copy & paste that address into the address field.

Thank you,

Karen Hogan

UNIFORM SHOP – 2nd HAND UNIFORMS & LOST PROPERTY

Thank you to the families that donate quality used uniform items back to the school. Please ensure that items are clean and have had any name labels/naming removed prior to dropping off the items. Second hand uniform items are only available to purchase during the Uniform Shop opening hours. We cannot take orders for second hand items, however requests for items to assist families experiencing financial hardship should be made at the General Office.

As stock relies on donations from parents, and changes regularly, there is no guarantee on availability of items.

LOST PROPERTY - Please ensure all of your child's belongings are clearly named and you regularly check the Lost Property area if you are missing any items. If you could also please check that your child is in fact wearing their own hat/jacket/jumper as these can sometimes be mistakenly picked up and worn unknowingly by other students. Named items are returned to class rooms by our wonderful volunteer helpers. Un-named items will be disposed of at the end of each term if not collected

Information for families

October 2024 – We still have a number of families with incomplete or incorrect contact and/or emergency contact details

PLEASE CHECK YOUR FAMILY DETAILS IN XUNO & UPDATE IF NECESSARY.

Thank you 😊

Amsleigh Park uses Xuno as our main communication tool with families, including newsletter distribution, absence notifications, student reports, communication with your child's teacher, messages and reminders, event approvals and online payments.

Xuno is a web-based school management program that has a website portal for use in a browser and an App, 'Xuno Family' for use on smart phones or tablets.

It is easy to use and is a vital tool to keep our parents informed about their child/ren's school life and all things happening at Amsleigh Park.

Bookings for "Get to Know You" & Parent Teacher interviews are also managed through Xuno.

Parents can use Xuno to notify the school of any address/contact detail changes, absences, late arrivals, upcoming family holidays etc.

For new families - On enrolment, you should have received a welcome email from Xuno (please check your junk folder if not received in your inbox), with information on how to create your Xuno account. Please follow the instructions and links in the email to create a Xuno account and password.

As Xuno is our main communication tool, it is important that all families are signed up so they are aware of school information and events and can easily inform the school of their child's absences and contact detail changes.

Please contact the office if you require a Xuno welcome email to be resent or a password reset.

Thank you,
