The Book Swap

We had an Amsleigh Park PS first this week with our Enviro-Stars organising a special book swap for students. Many families have lots of books in their home libraries and often they can sit on a shelf gathering dust, so to undertake a swap with others makes perfect sense. Books are written to be enjoyed, and the more people that get a chance to read them the better. It's also a very sustainable way to use and share books and gives them more value. Going by the feedback received, our students enjoyed this opportunity and there is certainly a strong case to make it an annual event. A lot of work went on behind the scenes to get the book swap organised and a big thanks to Mr Darlow who was the driving force behind this wonderful idea. Thanks also to the Enviro-stars themselves who implemented this wonderful idea so well and, in the process, made a strong contribution to sustainability.

Staffing Update for 2026

We have been planning for the 2026 school year for some time, and all is now in place for our classes and specialist programs.

-Ms Jenny Brown is returning to APPS after a year on leave in 2025.

-Mrs Tania Maisey has secured a position at another school and will complete her 12-month contract at the end of 2025.

-Mrs Amy Lang has secured a full-time position at another school and will finish her 12-month contract at the end of 2025.

All other staff are returning to their roles, and we continue to have excellent retention of staff.

Welcoming Mrs Katherine Keily in 2026

We look forward to welcoming Mrs Katherine Keily to Amsleigh Park PS in 2026. Mrs Keily will be taking up a teaching role at our school and brings a wealth of experience and expertise to APPS. Here's short Bio from Katherine.

"I'm excited to be joining the teaching team at Amsleigh Park PS next year. I am an experienced teacher with a strong passion for creating engaging, supportive and inclusive learning environments where every student can thrive. Over the years, I have enjoyed working with students across a range of year levels and helping them develop confidence, curiosity, and a love of learning. I'm really looking forward to getting to know the students, families and staff, and becoming an active part of this wonderful school community". Please join us in welcoming Katherine to APPS.

Performance Assemblies 2025

We hope you have been enjoying this year's performance assemblies that showcase the wonderful talents of our students. These performances have been well received by our students and staff who have greatly enjoyed them. It's also been terrific to see so many parents and carers in attendance. Sincere thanks to Mrs Kennedy for her efforts in organising these performances, which are an important part of Performing Arts. We have one final performance on Thursday 27th November at 9.00am on our special Amsleigh Park 30th Birthday student celebration day.

Welcoming our New Foundation Students

Next Wednesday 19th November we are looking forward to welcoming our new Foundation students for 2026. With more than 50 students enrolled we have organised for 3 classes and it's all looking very promising. We run our special transition program over 5 weeks so the 'Foundies' get plenty of time to become comfortable with our school environment.

School Uniform

The wearing of correct school uniform is quite strong in our community. It does make life easy for families as school uniform does not require decisions about what to wear and means there is no competition between children about clothing. It also reduces pressure on parents and carers to be buying their children the latest clothing because others at school are wearing it. We have noticed children sometimes wearing jewellery to school that is not safe such as dangling earrings or neck laces/chains. Please be mindful that children are active at school and these items can sometimes present as an injury risk during active play. We would also appreciate it if children could stick to our policy of wearing light or dark coloured shoes. We do notice children wearing Fluro or brightly coloured runners and this creates a competition between students and in the end it's not very helpful for the teachers who must manage it when they have more pressing matters.

Pending Social Media Ban

The social media ban for children under 16 years of age will come into effect on 10th December 2025. The Australian Government has made this decision out of concern that our young people are not having enough time to build the life skills or understandings required to navigate this increasingly complex and sometimes very dangerous space for children.

'For example, the pressure to respond to streams of notifications and alerts and view disappearing content has been linked to harms to health - these include reduced sleep and attention, and increased stress levels. (e-Safety Commission)'.

From 10th December the major social media platforms will need to restrict the use of their platforms to young people who are 16 years or older. The office of the e-Safety Commissioner for Australia considers this...

'as a 'delay' to providing access to social media so that young people will have more time to develop important skills and maturity. It's breathing space to build digital literacy, critical reasoning, impulse control and greater resilience.' (e-Safety Commission)

So rather than seeing it as a ban, it's better to consider this as a 'common sense' delay so that children have the opportunity develop the maturity, knowledge and social skills to enjoy the online world.

'Age-restricted platforms won't be allowed to let under-16s create or keep an account. That's because being logged into an account increases the likelihood that they'll be exposed to pressures and risks that can be hard to deal with. These come from social media platform design features that encourage them to spend more time on screens and make it more likely that they will see negative, upsetting or manipulative content. (e-Safety Commission)'

As a primary school principal, I have observed an increase in the use of social media and messaging between students over the past couple of years. Whilst it's not all bad we have seen increases in problems occurring because most students 12 years and under are a long way off having the maturity or social skills to navigate the online environment. Typically, when complaints are made to the school these situations end up needing a lot of time spent on investigating what happened and then working with students to restore friendships. Often parents and carers have not been aware of what their child was doing in this space. Instant messaging is one very good example where we see issues arise between children out of school hours. It's easy to think that kids are safe in these spaces when they are just messaging their friends but increasingly, we see disagreements arise and the use of inappropriate language and bullying behaviours. Because children often don't seek assistance or don't understand the implications, then the situations can quickly get out of control. I encourage families to make careful considerations regarding how their child/ren are accessing the online world. You might be surprised what children are being exposed to as it's easy to click on links which can take you all kinds of websites.

From Miss Carr...

Student Late arrivals / Early exits

A reminder to families that when a student is arriving late at school, they must come via the office and be signed in by a parent through our Xuno kiosk. It is important we have an accurate record of who is always on site at school, to ensure we can keep all our students safe. Similarly, if a student needs to leave early as happens from time to time, parents must sign their children out at the office. Thanks for your help with this procedure.

THE AMSLEIGH BUZZ

Assessment and Reporting

As we enter the second half of term four, your child may have let you know they have been begun undertaking some assessment tasks at school this week. As we move further into the assessment period, teachers and students are reflecting on the fantastic learning that has taken place this semester. Assessment tasks are a valuable opportunity for students to demonstrate their growth, effort and achievement.

In preparation for end-of-semester reports, teachers are gathering a range of evidence to ensure each student's progress is accurately reflected. Part of this important process involves moderation across year levels, where teachers work together to review student work samples and data, share insights, and ensure consistent assessment practices. This collaboration forms part of the focus of our upcoming Student-Free Assessment and Reporting Day, next Thursday 20th November.

Semester 2 student reports will be shared with parents and carers via Xuno, on December 15 2025.

Student Safety - Amsleigh Park Staff Carparks

There have been several families and students walking through the staff carparks when accessing or leaving the school grounds. We'd like to remind all families that the staff carparks are a pedestrian free zone. This is to ensure our school community remains safe and stay well clear of any moving vehicles on the school grounds. We thank you for your support in keeping our community safe.

Until next time...

Calling for Volunteers for the Amsleigh Park PS Breakfast Club

We run a breakfast club on Tuesday mornings to provide a nutritious breakfast for any student who would like to attend. We get a regular crew come along and it's a fun morning.

We are seeking parents who would like to help with the breakfast club on a casual basis. Even coming along to help for one week will be a great support to this program.

Please send your name to the General Office via: amsleigh.park.ps@education.vic.gov.au
Alternatively just drop in on a Tuesday morning and let the crew know you would like to assist.

All helpers/volunteers must have a valid Working With Children Check Card and provide a copy of the card to the General Office.

Thank you

FROM THE SCHOOL OFFICE ADMIN TEAM...

Student Medications

A reminder that a Medical Action Plan, completed by a doctor, must be provided for any student medication (e.g. Ventolin, Epi Pens, severe allergy medication) stored at the school office.

We cannot store or administer any medication without an Action Plan containing instructions from a doctor.

Parents are responsible to ensure up to date Action Plans and medications are provided to the school and must inform the school office of any changes to a student's medical condition / action plan.

All other medication must have a medication authority form completed by a parent at the Office.

All medication, including over the counter types, must be signed in by a parent and stored securely at the office for the safety of all students.

It is recommended that students with hay fever etc. take their medication at home before school.

Absences/ Late Arrivals

A reminder that all absences should be reported via Xuno, including any family holidays.

Parents are responsible for addressing and updating their child's 'Unexplained Absences' in Xuno.

Students arriving late to school must be first signed in at the office by a parent before going to class.

School Emails - Check the email you are replying to

When contacting classroom teachers or responding to their emails via Xuno, remember to double check the 'To' address.

Many emails meant for classroom teachers are arriving in the Amsleigh Park PS inbox, along with a huge number of other daily external emails.

Replying to the school inbox may delay your communication being received by the classroom teacher in a timely manner and creates extra work for Admin staff.

Change of Details Updates

If you have any details that need to be updated – phone numbers, home address, emergency contacts, work details, etc this can all be done via Xuno.

You need to click Full Xuno > School > Students > Contact Details > Update details

It will then let you update any of your details and notifies us of any changes that have been made. Admin Staff will then update the school's data base which in turn flows through to Xuno.

Birthday Bucket Bookings / Payments

A reminder that all bookings for Birthday Buckets must be made with Admin Staff at the office, one week prior to your requested date. Please do not contact PFA members directly to make bookings as the Booking Diary is kept at the General Office. Payment by credit / debit card only can be made in person at the office or over the phone.

UNIFORM SHOP – 2nd HAND UNIFORMS & LOST PROPERTY

Thank you to the families that donate quality used uniform items back to the school.
Second hand uniform items are only available to purchase during the Uniform Shop opening hours.
We cannot take orders for second hand items, however requests for items to assist families experiencing financial hardship should be made at the General Office.

As stock relies on donations from parents, and changes regularly, there is no guarantee on availability of items. **If you have any approved uniform items that you are happy to donate back to the school, please drop them into the general office. Please do not send non uniform items back to school and ensure that donated items are clean and have had any name labels/naming removed prior to returning them to school.** Thank you.

LOST PROPERTY - Sadly, there are many items in our lost property area in the canteen foyer. Named items are returned to class rooms by our wonderful volunteer helpers. Un-named items will be disposed of at the end of each term if not collected. **Please ensure all of your child's belongings are clearly named and you regularly check the Lost Property area if you are missing any items.**

Thank you,

Admin Team

Information for families

Could we contact YOU in an emergency?

Unfortunately, we still have a number of families with incomplete or incorrect contact and/or emergency contact details.

[PLEASE CHECK YOUR FAMILY DETAILS IN XUNO & UPDATE IF NECESSARY.](#)

[Thank you](#) 😊

Amsleigh Park uses Xuno as our main communication tool with families, including newsletter distribution, absence notifications, student reports, communication with your child's teacher, messages and reminders, event approvals and online payments.

Xuno is a web-based school management program that has a website portal for use in a browser and an App, 'Xuno Family' for use on smart phones or tablets.

It is easy to use and is a vital tool to keep our parents informed about their child/ren's school life and all things happening at Amsleigh Park.

Bookings for "Get to Know You" & Parent Teacher interviews are also managed through Xuno.

Parents can use Xuno to notify the school of any address/contact detail changes, absences, late arrivals, upcoming family holidays etc.

For new families - On enrolment, you should have received a welcome email from Xuno (please check your junk folder if not received in your inbox), with information on how to create your Xuno account. Please follow the instructions and links in the email to create a Xuno account and password.

As Xuno is our main communication tool, it is important that all families are signed up so they are aware of school information and events and can easily inform the school of their child's absences and advise us of any changes to family or emergency contact details.

Please contact the office if you require a Xuno welcome email to be resent or a password reset.

Thank you,

Amsleigh Admin Team

Foundation Transition Program 2026 ENROLMENTS

Starting school is an exciting time for both students and families. We understand that with new beginnings you and your child may be experiencing mixed emotions. Our Foundation Transition Program aims to set students and families up for success as they begin their first year of school. Across the five transition sessions students will engage in both classroom and specialist learning experiences,

- Meet the Foundation teachers and Specialist teaching team
- Get to know their new classmates
- Begin to learn simple school routines and explore our teaching and learning spaces
- Engage in a range of classroom and specialist learning experiences
- Meet their Grade 6 Buddies

In the final session, Smart Start, students will be with their 2026 class and teacher.

During the first two sessions, parents are encouraged to attend information sessions covering content such as the curriculum, school procedures, supporting your child with their learning and well-being.

SESSION DATES AND TIMES:

- Session one - Wednesday 19th November 2025, 9:15am-10:30am
- Session two- Wednesday 26th November 2025, 9:15am-10:30am
- Session three- Wednesday 3rd December 2025, 9:15am-10:30am
- Session four - Wednesday 10th December 2025, 9:15am-10:30am
- Session five - Wednesday 17th December 2025, 9:15am-10:30am

NEXT GENERATION UNIFORM LAUNCHED

Salesian College Chadstone is proud to introduce our next generation uniform, created in partnership with Uniform Group, our trusted schoolwear supplier for 24 years, and renowned Australian designer Peter Morrissey. Blending contemporary style with comfort and functionality, the collection reflects our College values and supports students as they learn, grow and take on new challenges with confidence. Guided by Peter Morrissey's design expertise, the range respects timeless schoolwear traditions while embracing fresh, modern elements.

Developed through a genuine community collaboration, the design process invited input from students, staff, families and College leaders. Through workshops and fabric trials, each group contributed to shaping a uniform that balances style, comfort, and durability.

The result is a collection that feels familiar yet forward looking, authentic to who we are and ready for everyday school life. It combines practicality with style, supporting students in their learning, co-curricular activities and while reflecting the pride and identity of our College community.
