## **The Gratitude Edition for 2026**

Amsleigh Park PS hosts an exceptional school community. Working in partnership across our school we find success through our community spirit and focussing on the best interests of our students. We do not take the efforts of our many supporters for granted and want to say a sincere thank you to so many helpers in 2025. The list is long so please join with us in acknowledging the many contributions that made this year such as success.

**THANK YOU  
EVERYONE!**

### **Our Fantastic Assistant Principal, Miss Bec Carr**

**THANK YOU!**

The most heartfelt of thanks to our assistant principal, Miss Carr, a truly compassionate and talented educator who works with dedication in service to the Amsleigh Park PS community. Always generous and caring, Miss Carr is a person of great integrity who makes

an enormous difference in many aspects our school. Miss Carr is a champion of wellbeing and inclusion, making sure that all children can access education and learning. It is my great privilege to have a person of her qualities working with me in the principal class team. Miss Carr works as acting principal one day per week and I am indebted to her for this contribution to our school.

### **Our Inclusion Leader, Miss Trish Jones**

We are very fortunate to have a range of highly effective leaders in our school and Miss Jones is exceptional in her role as our inclusion leader. Bringing high levels of understanding, care and compassion to this role, Miss Jones has been instrumental in supporting the implementation of the disability and inclusion reforms at Amsleigh Park. It's complex work and our continued success is in no small part due to her contribution. Miss Jones is also the acting assistant principal once per week and we appreciate her contribution to our team.

### **Learning Specialist, Miss Khalia Barker**

**Thank You!**

Miss Barker is our champion of Literacy and works with our teaching and support staff to develop highly effective teaching in English. During 2025 Miss Barker has worked to lead our teachers in further consolidating our structured Literacy block which includes the teaching of synthetic phonics. This approach

to the teaching of reading, which we have been working on since around 2016, is now mandated across the whole state of Victoria, so we are pleased to have been an early adopter of this approach. Miss Barker is instrumental in this work, and we thank her for her amazing dedication and work ethic. Our reading results in 2025 were outstanding and Miss Barker is the driving force behind this.

**Thank  
YOU**

## Our Wonderful Teaching Staff

Our teaching staff are extremely dedicated to our students, showing great care and compassion. The work undertaken by our teachers is always a high standard and we do not take this for granted. It's inspiring to see how they are always willing to go that 'extra mile' in supporting our students and we are very fortunate to

have such a caring and committed team of educators. Our staff are committed to continuously improving all aspects of learning and education at our school, and they work tirelessly to ensure that all students reach their full learning potential. Our teaching staff also includes a highly effective and experienced teacher-leader team that includes Professional Learning Community Leaders, Mrs Arvanitis, Mrs Wade, Miss Bianco, Miss Barker, Specialist Leader, Mrs Kennedy and Numeracy Leader, Miss Renwick. Together our teacher leaders make sure we continue to meet the standards we have set for our students. We are indeed most fortunate to have a talented and committed teaching staff.

## Education Support Staff

Going about their important work in the background our Education Support team are integral to our success. ES staff work directly in support of students, and their kindness, care and support go where it is most needed. Often it is working 1-1 or with small groups of students to provide highly targeted and vitally important learning and wellbeing support. Our education support team are true heroes for our students and staff and on behalf of everyone at our school I want to thank them sincerely for their efforts.

## Administration Team

Thank You

At the heart of every great school is a great admin team and we are so fortunate to have Karen, Jade and Ali in this team. Ever smiling and helpful our Business Manager, Karen Hogan along with our Admin team, Jade Portingale and Ali Wright-Smith are the face of Amsleigh Park. As the first point of contact for parents and a key support for our students, our admin team is always helpful, caring, and thorough, with an attention to detail. On behalf of our community, I want to say sincere thanks to Karen, Jade and Ali for their continuing hard work and dedication to our school. We really appreciate it!

## Our Parents, Carers and Guardians

On behalf of our staff, I want to say a heartfelt thanks to all our parents and carers for your wonderful support of APPS in 2025. The partnership between our staff and parents/carers is worthy of celebration as it is vital we all work together in the best interests of our students. Last week we enjoyed a special breakfast together with our parents and carers to acknowledge their generous support and offer thanks to those who could make it along. If you could not make it, please accept our appreciation for your support.

Every year we say a fond farewell to many parents and carers as their children depart APPS for the final time. We would like to let you know that your connection with APPS has been valued and the ongoing partnership so important to our success. We hope that you have enjoyed being part of our school and know that your contributions have always been appreciated. Our sincere thanks and we wish you every success for the years to come.

## APPS Parents and Friends

Another champion of APPS is our Parents and Friends Association. Our PFA brings a lot of fun to our community by organising a range of events for students, parents and staff. In 2025 the PFA was once again instrumental in their support of the school production which has taken this event to a new level. The valued and generous support of the PFA also reduce teacher workload and stress as they take care of the costuming and lots of other aspects.

Our PFA encourages many connections across our school and gives parents and carers the chance to get involved in and support their child's education.

Sincere thanks to Justin Scott, PFA president and Suzi Ikin, PFA secretary, for being the executive members of the committee. Thanks to everyone who has been involved with a special shout out to Megan Gaskin and Anelise Scott who have always been generous in their support and time.

The working bee crew also deserve our thanks so a big shout out to Laura Harrison and Justin Scott, the driving force behind the community working bee program. Having a working bee is so important as it helps us to manage our wonderful but very large campus.

# THE AMSLEIGH BUZZ

## Student Leaders

We have such amazing students across our school and the student leaders for 2025 has been a shining example of this. Our student leadership group has done a fantastic job, acting as great role models for all other students. Setting a wonderful tone for our school, they have been excellent ambassadors for our school and when given the chance, they have set a great example and a very high standard of student leadership for all others to follow! A big shout out to the School Captains, Lili and Ben, who have excelled as school captains. I love the calm and confident way they go about their role. Well done to all our Grade 6's for being an excellent group and wonderful buddies to their Foundation friends.

## Our Wonderful Library

At school tours I often remark that the school library is one of my favourite spaces. There is something magical in books and our students love to visit and browse the collection. Our Library is beautifully presented, generous in size and nicely furnished and so important in building positive reading habits. Our library book collection continues to grow steadily as our expert Librarian, Martin, adds to the collection. One of the highlights for 2025 is the growth of our graphic novel collection, which is exceptional. It's a credit to Martin, who brings great enthusiasm and fun to his role. Many thanks to Martin for his ongoing dedication to our Library.

## Team Kids

In 2025 we welcomed Team Kids to APPS to provide all important out of school hours care. Team Kids have brought a new standard to APPS through their well organised model of care. Like any change it has taken time to get things running smoothly but things are now going along nicely. In 2025 we updated the kitchen in the out of school hours care building (sometimes called the Shack) and it was a great improvement. I want to thank the TK staff, Ana and Stasi, for working hard to establish this program and we look forward to our continued association in 2026.

## The Uniform Shop

Having an on-site and non-profit uniform shop is a huge advantage to our whole school community and we are indebted to Lemo Spindzos who took over this role in 2025. Without the support of our parent coordinator, Lemo, we simply would not be able to run our shop. As a not-for-profit shop we keep the price of uniforms to a wholesale level, with the convenience of having a shop on-site. In this age of outsourcing, many schools no longer provide this kind of service, so it does set us apart. It might not always seem like a big deal, but I can assure you it's much better than having to go to the retail shops where you will pay a premium for the same items. Many thanks to Lemo and the helpers who have joined her along the way, including Amy Rajpal, we appreciate your support.

## The Breakfast Club

Our newly formed breakfast club is going along beautifully and each week we have a large group of students who come along to enjoy a healthy breakfast or extra snack before school. The food is only one part of this program which is also designed to encourage students to form connections and friendships. We are very grateful to Shehara and Charis, our breakfast club coordinators, who have generously given time on Tuesday mornings to run the program. A sincere thanks to them and the volunteers who come along to assist. It's a great initiative and we really appreciate it.

## School Council

School governance is something that happens behind the scenes and it is vitally important that we have a high functioning school council to oversee this. I want to say a sincere thanks to all our councillors who give generously of their time to school governance, with special thanks to President, Ana Meyborg, Treasurer, Steve Ikin and Vice President, Kylie Champion. With oversight for the Child Safe Standards, finances, policies, facilities and out of school hours care, our council plays a vital role to make sure we operate according to the Education Act. Thanks for being part of a cohesive

partnership where all members are totally focussed on the common good of the school. A job very well done on behalf of our school community. I want to say special thanks to Ana Meyborg in 2025 who has been a school councillor for many years. As our school council president for the past 5 years Ana has been a steady

# THE AMSLEIGH BUZZ

hand in this role. The SC President has an important role to play, and Ana has been a key supporter of APPS in this role for many years. Our sincere thanks to Ana for her commitment to our school council.

## Thanks, and more thanks....

Thanks Liam and Nicky Shaw who have been looking after the Birthday buckets, along with our student helpers. They are more popular than ever.

In a school environment there are always so many people to thank and acknowledge, and we hope that we have covered everyone. There are so many things that happen, both big and small, and some might go unnoticed. We hope that you get the personal satisfaction of knowing that you made a difference for our students and staff, after all that's what we are all here for.

## From Miss Carr... Thank you!

A sincere thank you to all the parents, carers and community members who have helped with the huge variety of activities and events throughout 2025! What a lucky bunch of students we have, to have so many extracurricular opportunities offered to them each year. Many of these would not be possible without the hard work and assistance of our wonderful families. We truly value and appreciate your help and support! I have really enjoyed working with the Amsleigh community this year and I look forward to working with everyone again next year! I'd like to wish everyone a relaxing, happy and safe Christmas and New Year! See you in 2026!

## Lost Property

Please pop in at lost property in the gym foyer before the end of the year and check if any of your child's belongings are there. There is a large amount of unnamed property to be claimed.

## Allied Health – Speech and Occupational Therapy

From time to time, we are asked by families seeking services, if we know of any local Speech and/or Occupational therapists that may have availability for their children. We have been informed by local allied health clinic, Kids Connect Therapy, that they will have availability in 2026 for both Speech and Occupational Therapy. For a few days each week, Kids Connect Therapy sees children onsite here at Amsleigh Park PS. They see some children supported through NDIS funding, and others privately, or through a CDM plan from a doctor. For further information, or to make a booking, please contact

Kids Connect Therapy on 03 9807 1114.

## FROM THE SCHOOL OFFICE ADMIN TEAM...

### Student Medications

A reminder that a Medical Action Plan, completed by a doctor, must be provided for any student medication (e.g. Ventolin, Epi Pens, severe allergy medication) stored at the school office.

**We cannot store or administer any medication without an Action Plan containing instructions from a doctor.**

Parents are responsible to ensure up to date Action Plans and medications are provided to the school and must inform the school office of any changes to a student's medical condition / action plan.

All other medication must have a medication authority form completed by a parent at the Office.

**All medication, including over the counter types, must be signed in by a parent and stored securely at the office for the safety of all students.**

**It is recommended that students with hay fever etc. take their medication at home before school.**

### Absences/ Late Arrivals

**A reminder that all absences should be reported via Xuno, including any family holidays.**

Parents are responsible for addressing and updating their child's 'Unexplained Absences' in Xuno.

**Students arriving late to school must be first signed in at the office by a parent before going to class.**

### School Emails - Check the email you are replying to

When contacting classroom teachers or responding to their emails via Xuno, remember to double check the 'To' address.

Many emails meant for classroom teachers are arriving in the Amsleigh Park PS inbox, along with a huge number of other daily external emails.

Replying to the school inbox may delay your communication being received by the classroom teacher in a timely manner and creates extra work for Admin staff.

### Change of Details Updates

If you have any details that need to be updated – phone numbers, home address, emergency contacts, work details, etc this can all be done via Xuno.

You need to click Full Xuno > School > Students > Contact Details > Update details

It will then let you update any of your details and notifies us of any changes that have been made. Admin Staff will then update the school's data base which in turn flows through to Xuno.

### Birthday Bucket Bookings / Payments

**A reminder that all bookings for Birthday Buckets must be made with Admin Staff at the office, one week prior to your requested date.** Please do not contact PFA members directly to make bookings as the Booking Diary is kept at the General Office. Payment by credit / debit card only can be made in person at the office or over the phone.

## UNIFORM SHOP – 2<sup>nd</sup> HAND UNIFORMS & LOST PROPERTY

Thank you to the families that donate quality used uniform items back to the school.  
Second hand uniform items are only available to purchase during the Uniform Shop opening hours.  
We cannot take orders for second hand items, however requests for items to assist families experiencing financial hardship should be made at the General Office.

As stock relies on donations from parents, and changes regularly, there is no guarantee on availability of items. **If you have any approved uniform items that you are happy to donate back to the school, please drop them into the general office. Please do not send non uniform items back to school and ensure that donated items are clean and have had any name labels/naming removed prior to returning them to school.** Thank you.

**LOST PROPERTY** - Sadly, there are many items in our lost property area in the canteen foyer. Named items are returned to class rooms by our wonderful volunteer helpers. Un-named items will be disposed of at the end of each term if not collected. **Please ensure all of your child's belongings are clearly named and you regularly check the Lost Property area if you are missing any items.**

Thank you,

## Information for families

### Could we contact YOU in an emergency?

Unfortunately, we still have a number of families with incomplete or incorrect contact and/or emergency contact details.

**PLEASE CHECK YOUR FAMILY DETAILS IN XUNO & UPDATE IF NECESSARY.**

Thank you 😊

Amsleigh Park uses Xuno as our main communication tool with families, including newsletter distribution, absence notifications, student reports, communication with your child's teacher, messages and reminders, event approvals and online payments.

Xuno is a web-based school management program that has a website portal for use in a browser and an App, 'Xuno Family' for use on smart phones or tablets.

It is easy to use and is a vital tool to keep our parents informed about their child/ren's school life and all things happening at Amsleigh Park.

Bookings for "Get to Know You" & Parent Teacher interviews are also managed through Xuno.

Parents can use Xuno to notify the school of any address/contact detail changes, absences, late arrivals, upcoming family holidays etc.

For new families - On enrolment, you should have received a welcome email from Xuno (please check your junk folder if not received in your inbox), with information on how to create your Xuno account. Please follow the instructions and links in the email to create a Xuno account and password.

**As Xuno is our main communication tool, it is important that all families are signed up so they are aware of school information and events and can easily inform the school of their child's absences and advise us of any changes to family or emergency contact details.**

Please contact the office if you require a Xuno welcome email to be resent or a password reset.

Thank you,

Amsleigh Admin Team
