Principal Team Report

Swimming Program 2026

I hope that our students are looking forward to our swimming program which commences on Monday 23rd March. This annual program is a great opportunity to further develop swimming skills and water safety knowledge. Given that Australians participate a lot in water sports it is vital that all children learn to swim with proficiency.

Parents are welcome to attend the pool to observe sessions, but at **no** time should anyone interfere in the session or talk to instructors. In the unlikely event that anyone has a concern this should be raised with the classroom teacher or principal class team. We would also ask that **no** photos are taken at the pool, which infringes the rules of Centre and compromises student safety.

Please note that all helpers for swimming need to have a valid Working with Children Check card. This can be organised online and is a straightforward and FREE process for volunteers. If you are helping with swimming, please visit the office with your Working with Children Check Card for sighting & copying.

Some recent research highlighted that too many Australian Children are not reaching the required proficiency in swimming. The expectation is that a 12-year-old child should be able to swim 50m and float unassisted for 2 minutes. This is one of the reasons why our swimming program is so important. Thanks for supporting our students so they can meet this goal, it might just save their life one day.

Pending Industrial Action – Tuesday 24th March

There is a strong possibility of a State-wide stop work for teachers on Tuesday 24th March. Parents and carers are advised to start planning care for their child/ren on this day as we will be unable to offer care for any child impacted. If teachers choose to stop work their students will need to stay home on that day. More information to follow.

Annual General Meeting

The annual general meeting is on Monday 16th March at 6.00pm. The annual report for 2025 will be presented at this time. The Annual Report will be published onto our school website once it had been endorsed and through any quality control processes.

Driver Beware – No Standing Zones Around APPS

We are hearing about quite a few parking fines being issued by the City of Monash around schools. Our understanding is that patrols around schools are increasing more generally due to concerns about some driver behaviour. For the record we get no warning about patrols and have no influence in this regard.

One area that is a hot spot is on Dublin Street, just down from the school crossing. In this area you will find a **no standing sign**, and this means you cannot stop here to do a drop off. Even if you only stop for 30 seconds you will get booked and it is a \$200 fine. Some drivers incorrectly interpret this to mean no parking, whereas it means no standing (stopping) at any time or in the times specified on the sign. A reminder also that both staff car parks are always for staff vehicles only, with the exception being any families who have permission to use the disabled parking bay in the Oakleigh Street car park.

Kiss and Go Parking

We would like to remind everyone about the 'Kiss and Go' parking rules. These zones are there so that parents and carers can do either a quick drop off or pick up. The driver must stay with the vehicle and be ready to move on if they are in the parking bay for more than a few minutes. Traffic inspectors will not hesitate to book drivers who leave their vehicles unattended or overstay in these car parking bays. Students who are being picked up after school should move quickly to the kiss and go parking bays, so their parents or carers are not held up for too long.

Safety on our School Crossings

Having our school crossings on State Street and Dublin Street is vital in supporting us to maintain community safety. Our crossing supervisors have a very important role to play in assisting all families to arrive at school safely. We need to make sure that we support our crossing supervisors to undertake their role by following some simple and easy to understand rules:

- always use a crossing
- wait for the whistle before crossing
- always cross between the 2 white lines, remaining in front of the crossing supervisor

As we have a crossing on both Dublin Street and State Street, we strongly discourage families from crossing the road within 100m of the crossings. Walking out from behind a parked car can be dangerous as drivers may not see you or your child. There have been some near misses in the past and we all need to be aware of this important safety thinking.

The safety of our students, parents, carers and staff is paramount, and we all need to play our part by making sure all traffic rules are followed and that pedestrians use crossings. Being in a hurry is simply not a valid excuse for not being a safe driver or pedestrian.

Walking Bikes in the School Yard

We want to remind everyone about walking their Bikes in the school yard. It's great to see an increase in bike riding and we just need to make sure we do all we can to keep the yard a safe space for all. Our students are given regular reminders about this. Please keep in mind that the streets around the school are also very busy at pick up/drop off time and it might require students to walk their bikes along State or Dublin Streets until there is a clear space to ride.

NAPLAN outage

Parents or Grade 5s might have heard about a technical issue on the first day of NAPLAN testing. This was a state-wide issue and fortunately with some patience our teaching staff were able to work through it without causing too much disruption. Our Grade 5s were able to undertake this NAPLAN test of writing and we remain on track with our testing program in 2026. This issue did not impact Grade 3s at all as they were not using computers for this component of their testing.

From Miss Carr...

Illness

From time to time, children are unwell and are unavoidably absent from school. Although we would like students attending school every day where possible, it is important **to keep sick children at home**. This prevents other children becoming unwell and a bug spreading through the school. We teach the students about the importance of hand washing and personal hygiene and appreciate your support in reinforcing this at home with your child.

School Uniform

We are very lucky at Amsleigh Park to have an onsite uniform shop, run by fantastic parent volunteers, led by Lemo. Having parents undertake this role enables the school to continue to provide uniforms at a 'wholesale' price as our shop is non-profit. The uniform shop is open Wednesdays from 3-3:45pm. If you are unable to attend at these times, you can fill out an order form at the office, and the items will be delivered to your child's class when the uniform shop is next open. On the topic of uniforms, as we've visited classes this week, we were pleased to see that our students were looking smart in their uniforms. A reminder that our policy states that students should wear a light or dark coloured shoe, and this offers lots of scope in the design of shoe.

Fluorescent shoes should not be worn as part of the school uniform, and we ask for community support to meet the school policy in this regard. It really does look fantastic when our whole school is in uniform. It creates a sense of connectedness and pride in our school.

THE AMSLEIGH BUZZ

Mental Health in Primary Schools initiative

This week, we were lucky to attend two days of professional learning through the University of Melbourne and Department of Education, as part of the Mental Health in Schools initiative. Our school's Mental Health and Wellbeing Leader, Liana Bianco, as well as Inclusion Leader Trish Jones and myself (Bec Carr), were able to engage in the learning and begin planning the implementation of this work at Amsleigh Park, building on the current wellbeing supports we have in place. We are pleased to share with you the focus of the work for the Mental Health and Wellbeing Leader over the next three years, in the graphic below:

As you see in the jigsaw, the focus of the work is around building staff capacity, promoting a whole school approach to supporting students in their mental health and wellbeing, including working with families and creating referral pathways for students who require individual support. You will see the role does not include direct 1:1 mental health support, as this falls outside the scope of our educator qualifications.

As you can see the jigsaw is quite comprehensive and we will work through short-, medium- and long-term goals, according to the needs of the Amsleigh Park community. We are excited to begin work in this space and will keep families informed of our progress as we go.

Thanks, Miss Bianco, for leading this important work at Amsleigh Park.

Until Next time...

FROM THE SCHOOL OFFICE ADMIN TEAM...

Student Medications

A reminder that a Medical Action Plan, completed by a doctor, must be provided for any student medication (e.g. Ventolin, Epi Pens, severe allergy medication) stored at the school office.

We cannot store or administer any medication without an Action Plan containing instructions from a doctor.

Parents are responsible to ensure up to date Action Plans and medications are provided to the school and must inform the school office of any changes to a student's medical condition / action plan.

All other medication must have a medication authority form completed by a parent at the Office.

All medication, including over the counter types, must be signed in by a parent and stored securely at the General Office for the safety of all students.

It is recommended that students with hay fever etc. take their medication at home before school.

Absences/ Late Arrivals

A reminder that all absences should be reported via Xuno, including any family holidays.

Parents are responsible for addressing and updating their child's 'Unexplained Absences' in Xuno.

Students arriving late to school must be first signed in at the office by a parent before going to class.

School Emails - Check the email you are replying to

When contacting classroom teachers or responding to their emails via Xuno, remember to double check the 'To' address.

Many emails meant for classroom teachers are arriving in the Amsleigh Park PS inbox, along with a huge number of other daily external emails.

Replying to the school inbox may delay your communication being received by the classroom teacher in a timely manner and creates extra work for Admin staff.

Change of Details Updates - Xuno

If you have any family details that need to be updated – phone numbers, home address, emergency contacts, work details, etc this can all be done via Xuno.

You need to click Full Xuno > School > Students > Contact Details > Update details

You can then update any of your details. We receive a notification of the changes that have been made. Admin Staff will then update the school's data base, which in turn flows back through to Xuno.

Birthday Bucket Bookings / Payments

A reminder that all bookings for Birthday Buckets must be made with Admin Staff at the office, one week prior to your requested date. Please do not contact PFA members directly to make bookings as the Booking Diary is kept at the General Office. Payment by credit / debit card only can be made in person at the office or over the phone.

FINANCIAL ASSISTANCE

INFORMATION FOR PARENTS

Every Victorian child should have access to the world of learning opportunities that exist beyond the classroom. The Camps, Sports and Excursions Fund helps ensure that no student will miss out on the opportunity to join their classmates for important, educational and fun activities. It is part of making Victoria the Education State and the Government's commitment to breaking the link between a student's background and their outcomes.

CAMPS, SPORTS & EXCURSIONS FUND (CSEF) 2026

School camps provide children with inspiring experiences in the great outdoors. Excursions encourage a deeper understanding of how the world works while sports teach teamwork, discipline and leadership. All are a part of a healthy curriculum.

CSEF is provided by the Victorian Government to assist eligible families to cover the costs of school trips, camps and sporting activities.

If you hold a valid means-tested concession card or are a temporary foster parent, you may be eligible for CSEF.

A special consideration category also exists for asylum seeker and refugee families.

The allowance is paid to the school to use towards expenses relating to camps, excursions or sporting activities for the benefit of your child.

The annual CSEF amount per student is:

- \$400 for primary school students
- \$400 for secondary school students

MORE INFORMATION

For more information about CSEF visit:

<https://www.vic.gov.au/camps-sports-and-excursions-fund>

HOW TO APPLY

New applicants should contact the school office to obtain a CSEF application form. A copy of your eligible Centrelink concession or pension card is required.

If you applied for CSEF at our school last year, you do not need to complete an application form this year, unless there has been a change in your family circumstances.

You only need to complete an application form if any of the following changes have occurred:

- **new student enrolments:** your child has started or changed schools this year.
- **changed family circumstances:** such as a change of custody, change of name, concession card number, or new siblings commencing this year.

Check with the school office if you are unsure; amsleigh.park.ps@education.vic.gov.au

Information for families

Could we contact YOU in an emergency?

[PLEASE CHECK YOUR FAMILY DETAILS IN XUNO & UPDATE IF NECESSARY.](#)

[Thank you](#) 😊

Amsleigh Park uses Xuno as our main communication tool with families, including newsletter distribution, absence notifications, student reports, communication with your child's teacher, messages and reminders, event approvals and online payments.

Xuno is a web-based school management program that has a website portal for use in a browser and an App, 'Xuno Family' for use on smart phones or tablets.

It is easy to use and is a vital tool to keep our parents informed about their child/ren's school life and all things happening at Amsleigh Park.

Bookings for "Get to Know You" & Parent Teacher interviews are also managed through Xuno.

Parents can use Xuno to notify the school of any address/contact detail changes, absences, late arrivals, upcoming family holidays etc.

For new families - On enrolment, you should have received a welcome email from Xuno (please check your junk folder if not received in your inbox), with information on how to create your Xuno account. Please follow the instructions and links in the email to create a Xuno account and password.

As Xuno is our main communication tool, it is important that all families are signed up so they are aware of school information and events and can easily inform the school of their child's absences and advise us of any changes to family or emergency contact details.

Please contact the office if you require a Xuno welcome email to be resent or a password reset.

Thank you,

Amsleigh Admin Team

UNIFORM SHOP – 2nd HAND UNIFORMS & LOST PROPERTY

Thank you to the families that donate quality used uniform items back to the school. Second hand uniform items are only available to purchase during the Uniform Shop opening hours. We cannot take orders for second hand items, however requests for items to assist families experiencing financial hardship should be made at the General Office.

As stock relies on donations from parents, and changes regularly, there is no guarantee on availability of items. **If you have any approved uniform items that you are happy to donate back to the school, please drop them into the general office. Please do not send non uniform items back to school and ensure that donated items are clean and have had any name labels/naming removed prior to returning them to school.** Thank you.

LOST PROPERTY - Sadly, there are many items in our lost property area in the canteen foyer. Named items are returned to class rooms by our wonderful volunteer helpers. Un-named items will be disposed of at the end of each term if not collected. **Please ensure all of your child's belongings are clearly named and you regularly check the Lost Property area if you are missing any items.**

Thank you,
