## **School Production**

Congratulations to our whole school community on the successful two-night run of 'The Magic Faraway Tree', our school production for 2026.

I am incredibly proud of our students, the way they put themselves forward to perform

in front of a large audience, with confidence and a sense of fun! I loved the way students supported one another by singing and dancing along to each other's items, lifting the energy of the whole event! It was wonderful to see every one of the different classes, and Leigh Club perform and the special flair each one brought to their items. We hope you enjoyed the performances as much as we did!

One of the great things about the event is the partnership between our parents and carers, staff, students and our PFA. The help and collaboration between everyone to pull off an event like this is incredible, and without it, the production couldn't happen. From costumes to catering, audio visual to parking, raffle ticket selling to set design, ushering to helping students get ready on the night; every aspect plays an important part. We simply cannot thank everyone enough for this fantastic support and hope that you know it is greatly appreciated. I make special mention here of our Parents and Friends Association who play a critical role in this. Thank you!

As I mentioned at the production, one of my favourite things about it, is seeing the students' confidence grow year to year, whereby year 6, students can perform a speaking role confidently, having memorised lines and can lead a whole show. The fact that so many of our Year 6s opt to be a part of the cast, with afterschool and weekend rehearsals, speaks volumes about their engagement and connectedness to school life and their peers, which is wonderful.

I also want to thank our staff. We ask a lot of them and very much appreciate their contributions! Along with other events at Amsleigh Park, I'm always impressed at the way teaching and support staff jump in to support opportunities that enrich our students' experience of school life. It is not taken for granted and we are very grateful for them. A special thanks again to Mrs Kennedy, Miss Hayes and Mr Darlow for their work on the show.

As you know, it was our first time at the Crossways venue this year. If families have any feedback about the new venue or the production this year, please email me [Rebecca.carr@education.vic.gov.au](mailto:Rebecca.carr@education.vic.gov.au), so we can begin to plan for 2027.

## Safety Week

Each term we have a special focus on safety and last week was once again safety week. Safety week comprises lots of different elements. For our staff we consider the OHS needs of our school and do inspections of the learning spaces to ensure they continue to meet the OHS guidelines.

One important activity we do in safety week is to undertake a practice drill with students. We have a few different scenarios that we consider.

- Classroom evacuation- all staff and students move to the emergency assembly point on the oval
- Shelter in place – all staff and students move to the Thelma Bailey Centre (Gym) and assemble safely together in one indoor space
- School Lockdown – all doors are locked, blinds closed and students and staff shelter out of sight.

Having an evacuation practice helps to prepare for the unlikely incidence that we would need to follow such a procedure.

## The Child Safe Standards

During safety week our staff also spends time reflecting on the importance of the Child Safe Standards and how we can continue to be vigilant for child abuse and child safety. The incidences of child abuse are still concerningly high in Australia, so the Child Safe Standards are an important piece of work. There are 11 child safety standards which have been in place since the Royal Commission into Child Abuse. Schools play a very important role in the child safety standards as we provide a safe and secure place for children, and our staff get to know their students well who also see them as a trusted adult. If students have any concerns, a teacher might be considered a safe person to talk to or seek support from. At Amsleigh Park we are committed to adhering to the expectation of the Child Safe standards.

## Bird Flu

Cases of H5 bird flu have been confirmed in birds across Australia, including in south-west Victoria. Our school has steps to follow if sick or dead birds are found at or near our school.

If you see a sick or dead bird at or near the school, please let us know. If you find a sick or dead bird in the community, the advice from the Australian Government Department of Agriculture, Fisheries and Forestry is to:

1. avoid contact and keep your distance
2. record date, time, location and take photos
3. report it to using an online form or through the Emergency Animal Disease Hotline: 1800 675 888.

For current information about reporting, refer to DEECA's H5 bird flu page.

## Coffee Morning

We are having a coffee morning next Friday 28<sup>th</sup> August, from 8:00-9:00am, where we invite all parents and carers to come along for a cuppa and a chat before school. If you bring your own reusable cup, there is a 50c discount. It's always nice to catch up with our community!

## Thank you to our Production Raffle Sponsors

A huge thank you to the local businesses who generously donated raffle prizes for our School Production Raffle. It is greatly appreciated! It is wonderful to see the local businesses and families get behind Amsleigh Park Primary School, so please support them where you can.

Thank you to:

- Novotel, Glen Waverley
- Swordfish Fish and Chips

## Staff Car Park Safety

The rear staff car park at Oakleigh Street needs careful consideration regarding safety, and this is particularly important whilst building works continue for the ramp near The Grade 3/4 Portables. We have observed that some parents and carers continue to use the car park driveway to drop students off at school and whilst it may not seem like a big deal, it does compromise safety. Oakleigh Street has a convenient turning point at the end of the street and parents and carers should use this to turn around and then drop students off along the parking adjacent to the school. Students can then enter via the pedestrian gate. We ask respectfully that parents and carers do not use the driveway as a drop off point, it is strictly no standing. We also ask parents and carers to not enter or walk through the staff carpark on State Street.

## School Attendance and Arriving on Time

Attending school regularly and on time is essential for all children to get maximum opportunities for learning and social-emotional development. We know that from the large body of research done in this area that maintaining high levels of attendance contributes to learning success. Students who maintain an attendance rate of over 90% are less likely to fall behind in learning and are better able to maintain their friendships. When a child is absent from school frequently, they will often lose touch with learning, which can lead to diminished confidence and performing below their ability. If you are worried about your child's

attendance, please discuss this with their class teacher as there are adjustments that can be made to support a child to manage the rigours of school life. We know that it is sometimes unavoidable but keeping it to a minimum is equally important.

Arriving on time and ready for the start of the school day can also support student wellbeing at school as they are able to prepare themselves for their day ahead and not miss vital morning instruction. Minutes late can add up to missed days over a school year. A great morning start can make a big difference to the whole school day!

Of course, we do ask that children do not attend school if they are sick, which is a legitimate reason for being absent from school. In all instances parents and carers must notify student absences via the Xuno App.

## Literacy

Next week is Australia's Children's Book Council of Australia (CBCA) Book Week. Book Week takes place from Saturday, 22nd August to Friday, 28th August 2020 and the official theme this year is "Symphony of Stories". Amsleigh Park will be celebrating with a visit from author and illustrator Sami Bayly. Sami Bayly is a natural history author and illustrator, who loves all things weird and wonderful and sharing her appreciation for nature with others through her books. All students will have a one-hour session with Sami on Wednesday the 26th of August. Our librarian, Martin will have some competitions running in the library including an opportunity for

students to submit their pet's reading as well as some quizzes and activities. Following on the theme, on Tuesday the 1st of September, students are welcome to dress up as their favourite book character.

In other literacy news, the Premiers' Reading Challenge (PRC) closes on Friday the 4th of September, please continue to logbook reads in the PRC Portal to meet the challenge by this day.

Additionally, over the last 2 weeks Grade 1 students have participated in the Year 1 Phonics Check, a department initiative to inform teachers about how a student is progressing with Phonics. This screening check aligns with our school wide approach to teaching systematic synthetic phonics and being a Silver Accredited Sounds-Write school.

Have a great week next week. Keep curious and learning,

## FROM THE SCHOOL OFFICE ADMIN TEAM...

### Student Medications

A reminder that a Medical Action Plan, completed by a doctor, must be provided for any student medication (e.g. Ventolin, Epi Pens, severe allergy medication) stored at the school office.

**We cannot store or administer any medication without an Action Plan containing instructions from a doctor.**

Parents are responsible to ensure up to date Action Plans and medications are provided to the school and must inform the school office of any changes to a student's medical condition / action plan.

All other medication must have a medication authority form completed by a parent at the Office.

**All medication, including over the counter types, must be signed in by a parent and stored securely at the General Office for the safety of all students.**

**It is recommended that students with hay fever etc. take their medication at home before school.**

### Absences/ Late Arrivals

**A reminder that all absences should be reported via Xuno, including any family holidays.**

Parents are responsible for addressing and updating their child's 'Unexplained Absences' in Xuno.

**Students arriving late to school must be first signed in at the office by a parent before going to class.**

### School Emails - Check the email you are replying to

When contacting classroom teachers or responding to their emails via Xuno, remember to double check the 'To' address.

Many emails meant for classroom teachers are arriving in the Amsleigh Park PS inbox, along with a huge number of other daily external emails.

Replying to the school inbox may delay your communication being received by the classroom teacher in a timely manner and creates extra work for Admin staff.

### Change of Details Updates - Xuno

If you have any family details that need to be updated – phone numbers, home address, emergency contacts, work details, etc this can all be done via Xuno.

You need to click Full Xuno > School > Students > Contact Details > Update details

You can then update any of your details. We receive a notification of the changes that have been made.

Admin Staff will then update the school's data base, which in turn flows back through to Xuno.

### Birthday Bucket Bookings / Payments

**A reminder that all bookings for Birthday Buckets must be made with Admin Staff at the office, one week prior to your requested date.** Please do not contact PFA members directly to make bookings as the Booking Diary is kept at the General Office. Payment by credit / debit card only can be made in person at the office or over the phone.

Information for families

## Could we contact YOU in an emergency?

[PLEASE CHECK YOUR FAMILY DETAILS IN XUNO & UPDATE IF NECESSARY.](#)

[Thank you](#) 😊

Amsleigh Park uses Xuno as our main communication tool with families, including newsletter distribution, absence notifications, student reports, communication with your child's teacher, messages and reminders, event approvals and online payments.

Xuno is a web-based school management program that has a website portal for use in a browser and an App, 'Xuno Family' for use on smart phones or tablets.

It is easy to use and is a vital tool to keep our parents informed about their child/ren's school life and all things happening at Amsleigh Park.

Bookings for "Get to Know You" & Parent Teacher interviews are also managed through Xuno.

Parents can use Xuno to notify the school of any address/contact detail changes, absences, late arrivals, upcoming family holidays etc.

For new families - On enrolment, you should have received a welcome email from Xuno (please check your junk folder if not received in your inbox), with information on how to create your Xuno account. Please follow the instructions and links in the email to create a Xuno account and password.

**As Xuno is our main communication tool, it is important that all families are signed up so they are aware of school information and events and can easily inform the school of their child's absences and advise us of any changes to family or emergency contact details.**

Please contact the office if you require a Xuno welcome email to be resent or a password reset.

Thank you,

Amsleigh Admin Team
