Welcome Back for Term 4

A warm welcome to everyone in the Amsleigh Park community for Term 4. We hope our students had a restful break and families were able to take some time together in some of the glorious (although variable) Spring weather. I expect that our students were looking forward to coming back to school to see their friends and teachers again. It's certainly been a great start to Term 4 and great to see everyone back at school.

I'm pleased to return to APPS after my term of long service leave. Having this extended break is a great working condition of life in Australia and when I explained it to fellow travellers from other countries, they were often envious of this opportunity. During my leave I spent some time at home before heading off on a bike riding adventure in the Netherlands, Austria and Croatia. It's a great way to travel and means you get to see lots of places you might otherwise miss. Riding along the mighty Danube River in Austria was a special treat and it's a truly beautiful part of the world.

During my leave Miss Carr did a wonderful job leading Amsleigh Park over a very busy time and was well supported by Miss Jones and Miss Barker. I am very indebted to them for their dedication and commitment to ensuring that everything went smoothly, and it shows the depth of leadership talent we are fortunate to have at our school. I sincerely thank them along with the staff for their work.

Enrolment Census for 2027

We are planning for 2027 and urgently need to know about any students who might not be returning to APPS next year. Please see the XUNO mail from the past week which was sent to all parents and carers. Even if it's just a possibility of not returning, it helps us to know, and if your plans change your child still has a place at APPS. Thanks to the families who have already completed the census. Our New Ramp

During Term 3 a new access ramp was constructed for one of our portable classrooms so that it is accessible to any person in a wheelchair. It might seem like a simple job but in fact it took a lot of effort to get this in place. From start to finish (and despite our frustration) it took nearly a year from planning to construction, but the result is fantastic and a great improvement in the functionality of this space. Thanks, and well done to Miss Carr who initiated and led this project on behalf of Amsleigh Park and importantly was able to access funding via the Victorian School Building Authority through the accessible buildings program.

Parent Contributions 2026

Each year we make a request to families for a modest financial contribution to their child's education. This money is used to support the many curriculum programs we offer at Amsleigh Park PS. In 2026 these contributions have remained at lower levels than previous years.

But isn't school supposed to be free?

The government does provide funding for all schools, but it is only for what is called the standard curriculum. If we implemented a standard curriculum, it's very likely that parents and students would be disappointed as it would not include all the wonderful resources that enrich children's learning experiences. We aspire to do better than that.

How does my contribution make a difference?

We use the funds provided by parents and carers to provide a higher standard of resources, learning materials, consumables and so on. The contributions directly fund our curriculum programs.

At Amsleigh Park we have always kept these costs as low as possible and by comparison we only ask for a modest contribution. We see this as a worthy investment in your child's education and encourage everyone to consider making this gesture of support for their learning. It would be great if families checked to see if they had contributed in 2026, so we are not forced to reduce budgets going forward. A contribution can still be made for 2026 via the Xuno App. Contact our helpful Admin Staff if you have any payment queries.

Divisional Athletics

Congratulations to the 14 students who represented our school at the Division Track and Field Championships across a range of events. All students performed extremely well and should be very proud of their efforts. A special congratulations to Selina, Annika and Benny, who will now compete at the Regional Championships in two weeks. We wish you all the very best! Many thanks to Miss Hayes for her dedicated support of our sporting teams and doing everything possible to provide a quality experience for them.

Thunderstorm Asthma

This week we sent an email to families about how Thunderstorm Asthma is managed at Amsleigh Park PS. Building awareness is important and we can work together to minimise any impacts. For families, the most important aspect is to keep Asthma plans up to date and talk to your GP about managing Hay Fever for children. Let's hope we do not have to use these preparations, but if needed, we can implement our action plan.

End of Year Activities (Diary Dates)

We look forward to our annual Carols Night for 2026 which is set for Monday 14th December. This event starts at 4.45pm and we will have carol singing from 5.15pm. Put it onto the family calendar now and we will be in touch with more details closer to the event.

Another important end of year activity is the Final Assembly for 2026 which will also be held on Monday 14th December at 9.00am. This will include the announcement of the Student Leaders for 2027 and the ceremonial handover of these roles from the current leaders. There will also be awards and an acknowledgement of the many staff, parents and students who have contributed to Amsleigh Park in 2026.

We will be holding a special 'thank-you' breakfast for parent and carer helpers on Thursday 3rd December from 8.15am. Please join us for a FREE coffee and light breakfast as we celebrate the wonderful contribution that is made by our parents and carers.

Student Safety - Amsleigh Park Staff Carparks

There have been several families and students walking through the staff carparks when accessing or leaving the school grounds. We'd like to remind all families that the **staff carparks are a pedestrian free zone**. This is to ensure our school community remains safe and stay well clear of any moving vehicles on the school grounds. A reminder that parent vehicles are not permitted to enter the school grounds (except for families using the accessible car park, with a valid disability parking permit). We thank you for your support in keeping our community safe.

SunSmart

We are well and truly into our SunSmart season this term. We have been lucky to have some glorious sunny days already in term 4! Even on days when the temperature is not high the UV levels can be in the extreme range and it's the UV that causes damage to the skin which can cause skin cancers later in life. Living in a country with one of the highest incidences of Melanoma in the World, it's important that sun smart behaviours start in childhood. Please ensure your child/ren has their broadbrim hat for wearing when outside.

Until next time ...

FROM THE SCHOOL OFFICE ADMIN TEAM...

Student Medications

A reminder that a Medical Action Plan, completed by a doctor, must be provided for any student medication (e.g. Ventolin, Epi Pens, severe allergy medication) stored at the school office.

We cannot store or administer any medication without an Action Plan containing instructions from a doctor.

Parents are responsible to ensure up to date Action Plans and medications are provided to the school and must inform the school office of any changes to a student's medical condition / action plan.

All other medication must have a medication authority form completed by a parent at the Office.

All medication, including over the counter types, must be signed in by a parent and stored securely at the General Office for the safety of all students.

It is recommended that students with hay fever etc. take their medication at home before school.

Absences/ Late Arrivals

A reminder that all absences should be reported via Xuno, including any family holidays.

Parents are responsible for addressing and updating their child's 'Unexplained Absences' in Xuno.

Students arriving late to school must be first signed in at the office by a parent before going to class.

School Emails - Check the email you are replying to

When contacting classroom teachers or responding to their emails via Xuno, remember to double check the 'To' address.

Many emails meant for classroom teachers are arriving in the Amsleigh Park PS inbox, along with a huge number of other daily external emails.

Replying to the school inbox may delay your communication being received by the classroom teacher in a timely manner and creates extra work for Admin staff.

Change of Details Updates - Xuno

If you have any family details that need to be updated – phone numbers, home address, emergency contacts, work details, etc this can all be done via Xuno.

You need to click Full Xuno > School > Students > Contact Details > Update details

You can then update any of your details. We receive a notification of the changes that have been made.

Admin Staff will then update the school's data base, which in turn flows back through to Xuno.

Birthday Bucket Bookings / Payments

A reminder that all bookings for Birthday Buckets must be made with Admin Staff at the office, one week prior to your requested date. Please do not contact PFA members directly to make bookings as the Booking Diary is kept at the General Office. Payment by credit / debit card only can be made in person at the office or over the phone.

Information for families

Could we contact YOU in an emergency?

[PLEASE CHECK YOUR FAMILY DETAILS IN XUNO & UPDATE IF NECESSARY.](#)

[Thank you](#) 😊

Amsleigh Park uses Xuno as our main communication tool with families, including newsletter distribution, absence notifications, student reports, communication with your child's teacher, messages and reminders, event approvals and online payments.

Xuno is a web-based school management program that has a website portal for use in a browser and an App, 'Xuno Family' for use on smart phones or tablets.

It is easy to use and is a vital tool to keep our parents informed about their child/ren's school life and all things happening at Amsleigh Park.

Bookings for "Get to Know You" & Parent Teacher interviews are also managed through Xuno.

Parents can use Xuno to notify the school of any address/contact detail changes, absences, late arrivals, upcoming family holidays etc.

For new families - On enrolment, you will receive a welcome email from Xuno (please check your junk folder if not received in your inbox), with information on how to create your Xuno account. Please follow the instructions and links in the email to create a Xuno account and password.

As Xuno is our main communication tool, it is important that all families are using the App so they are aware of school information and events, can easily inform the school of their child's absences and advise us of any changes to family or emergency contact details.

Please contact the office if you require a Xuno welcome email to be resent or a password reset.

Thank you,

Amsleigh Admin Team
